Hamptons Private Dan Rattiner,2021-04-01 “The Hamptons” is synonymous with luxury. Simply mentioning the name conjures images of poolside soirées, grandiose waterfront estates and endless days on the beach socializing with the upper echelon. But before this famed peninsula became the summer haunt of

the glitterati, its forty miles of rolling sand dunes provided the perfect landscape for English settlers. Once New York high society caught wind of the charming hamlets and salty air, its members—from the Fords to the Vanderbilts—soon turned The Hamptons into a summer oasis. Next came the creatives seeking solitude, a place to write and sketch, away from the urban cacophony. John Steinbeck in Sag Harbor. Jackson Pollock in the Springs. And Andy Warhol in Montauk. Now, Jay-Z and Beyoncé, Calvin Klein, Madonna, Alec Baldwin and Martha Stewart all enjoy Hamptons homes. They may come from different realms, but what's one thing all Hamptonites, honorary or official, can agree on? The locale boasts a unique allure—one that morphs to meet the desires of its next seasonal guest or lifelong dweller.

*Andy Warhol: The Impossible Collection* Eric Shiner, 2017-09-01 Andy Warhol's explosive Pop Art and sharp commentary on advertising and celebrity culture are renowned and deeply relevant even decades after their creation. Though Warhol himself could be a polarizing figure both personally and professionally, there is no doubt that he was a pioneer of the Pop movement, and today, as a result, his works regularly fetch astronomical prices. In this evocative addition to Assouline's Ultimate Collection, Warhol expert and former Andy Warhol Museum director Eric Shiner curates the 100 quintessential, unique works that define the evolution of this illustrious artist, tracing Warhol's dynamic career from the late forties to the end of the eighties and creating a stunning compendium whose pieces, due to their

rarity, value, and prestige as part of a museum or other collection, could simply never all be acquired by a single collector. Casual art lovers know Campbell's Soup Cans and the Marilyn Diptych, but Andy Warhol: The Impossible Collection goes deeper, revealing and revisiting some less ubiquitous yet equally powerful pieces, spanning paintings, prints, sculpture, films, and photography, from Warhol's astonishing oeuvre.

*The Ultimate Book of Gangster Movies* George Anastasia, Glen Macnow, 2011-09-27 The gangster movie is one of the most popular genres in film. From the Italian, Irish, and Russian families in America to similarly sinister groups in Europe, Japan, and beyond, the cinema has never shied away from portraying the evil exploits of these brutal outfits. In this highly entertaining and informative book, two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before. The Ultimate Book of Gangster Movies provides extensive reviews of the Top 100 gangster films of all time, including sidebars like Reality Check, Hit and Miss, I Know That Guy, Body Count, and other fun and informative features. Also included are over a dozen stand-alone chapters such as Sleeper Hits, Fugazi Flops, Guilty Pleasures, Lost Treasures, Q&A Interviews with top actors and directors (including Chazz Palinteri, Michael Madsen, Joe Mantegna, and more), plus over 50 compelling photographs. Foreword by Joe Pistone, the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie, Donnie Brasco.

**Sneaker Freaker. The Ultimate Sneaker Book!** Martin Holz, 2018-10 Every Sneaker Story Worth Telling! A 15-year anthology of cult magazine Sneaker Freaker When self-acclaimed Sneakerhead Simon Woody Wood decided to pursue his love of sneakers--and freebie footwear--with a publication, the mighty Sneaker Freaker was born. From its punk fanzine style first edition in 2002 to today's slick print and online operation, the independent magazine has remained at the fore of the global sneaker scene, documenting every collab, limited edition, retro reissue, Quickstrike, custom shoe and more, with raw, fastidious passion. This massive anthology celebrates 15 years of Sneaker Freaker, featuring the magazine's finest pages together with over 130 pages of expert sneaker content never seen before. As funny and serious, meaningful and pointless at the same time as the magazine's own ethos, the book packs in more than 650 pages of dense insider knowledge, hundreds of beautiful photos, as well as Woody's own obsessional observations. The book rollicks through some 100 years of sneaker history, documenting Air Max, Air Force, All Stars, Dapper Dan, Michael Jordan, Reebok Pump, and Nike Skateboarding, alongside more obscure treasures like Troop, SPX, and Vision Street Wear. All the major sneaker moments are all there, from Kanye to adidas Futurecraft, Nike Air Force 1 to New Balance, as well as landmark collabs, leading advertising campaigns, and crux talking points, not least Nike vs adidas. All Sneaker Freaker pages have been meticulously redesigned for this book edition, with fresh updates bringing every story up to speed, while preserving the charm of

the original prose. Through all the limited editions, customs, retro reissues, and samples, this is the definitive source of sneaker knowledge you'll love as hard as your Beaters. The most definitive sneaker culture magazine on the planet! -- MTV

**Miami Beach** Horacio Silva,2020-10-01 Considered by many as the country's most dynamic, fastest growing and sexiest city, Miami is more popular than ever before. Yet, it is a city that doesn't merely change but evolves, never rewriting the past, just adding to its illustrious heritage. And this is the real beauty of Miami. The chic Surf Club and the vibrant Faena Hotel did not replace the emblematic Raleigh of the 1940s nor the Ritz Carlton of the 50s, rather they complement them. Classics like Joe's Stone Crab continue to serve their signature fare to sell-out crowds each night, as new establishments attract with name chefs. The iconic art deco architecture remains on full display as the modern Herzog & de Meuron-designed Perez Art Museum stands in stark contrast. Replete with arts and culture year round from the international art at The Bass to the street art of Wynwood Walls, each December, the city is taken over by the global cultural elite for Art Basel Miami Beach, a fair that attracts over 80,000 visitors who turn out for the momentous art, such as Maurizio Cattelan's show stopping "Comedian", and the exuberant festivities hosted each evening.

**UNEXPECTED** Jane Sievert,2013-10-06 From the peak of a mountain or the barrel of a wave, Patagonia has collected some of the most spectacular sports

imagery in history. Relive the achievements captured in Patagonia's history, as well as the joie de vivre fostered by nurturing a relationship with the great outdoors. Unique for a business enterprise, Patagonia's catalog devotes fully half its space to nonselling editorial content – to environmental and sport essays and above all to extraordinary photographs of wild places and active pursuits for which the company makes its clothes. Since 1980, Patagonia has invited customers and wilderness photographers to submit their best, most unexpected shots of life outdoors – of alpine climbing, bouldering in the desert, skiing untracked bowls, surfing secret spots, ocean crossings, first kayak descents and travel in unfamiliar places. The photos have poured in ever since (current rate: 60,000 per year), some from the famous (John Russell, Galen Rowell), others from respected photographers (Corey Rich) who had their first work published in these pages. Jane Sievert and Jennifer Ridgeway, Patagonia's current and founding photo editor, respectively, have been calling – and culling – the shots for three decades. This is their compendium of the 100-plus most compelling photos Patagonia has published – and a celebration of wilderness and outdoor-sport photography as an art and a practice.

**Beastie Boys Book** Michael Diamond,Adam Horovitz,2018-10-30 #1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” Beastie Boys Story, directed by Spike Jonze NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in

the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul’s Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for Beastie Boys Book “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band’s] records, the book’s structure is a lyrical three-man weave. . . . Diamond’s voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book’s subject as much as music, fame and New York.”—The New York Times Book Review “Wild,

moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—Rolling Stone

**Warner Bros.** Steven Bingen, 2014-09-16 Movie studios are the wondrous, almost magical locales where not just films, but legends, are created. Unfortunately, these celebrity playgrounds are, and always have been, largely hidden from public view. Although some movie studios offer tours, few guests from outside the Hollywood community have ever been witness to the artistry, politics, and scandals that routinely go on behind the soundstage walls and away from the carefully orchestrated scenes visible to them from their tram carts. In this book, studio staff historian and Hollywood insider Steven Bingen throws open Hollywood’s iron gates and takes you inside the greatest and yet most mysterious movie studio of them all: Warner Bros. Long home to the world’s biggest stars and most memorable films and television shows, the Warner Bros. Studio lot functions as a small city and is even more fascinating, glamorous, and outrageous than any of the stars or movies that it has been routinely minting for more than ninety years. Accompanied by stunning behind-the-scenes photos and maps, and including a revealing backstory, this book is your ticket to a previously veiled Hollywood paradise.
