

Umberto 1

Karl Baedeker (Firm)

Italy, Rome and the Environs Treves (Firm),1913

The Prague Cemetery Umberto Eco,2011-11-08 The Prague Cemetery is the #1 international bestselling historical novel from the award-winning and New York Times bestselling author of The Name of the Rose, Umberto Eco. Nineteenth-century Europe—from Turin to Prague to Paris—abounds with the ghastly and the mysterious. Jesuits plot against Freemasons. Italian republicans strangle priests with their own intestines. French criminals plan bombings by day and celebrate Black Masses at night. Every nation has its own secret service, perpetrating forgeries, plots, and massacres. Conspiracies rule history. From the unification of Italy to the Paris Commune to the Dreyfus Affair to The Protocols of the Elders of Zion, Europe is in tumult and everyone needs a scapegoat. But what if behind all of these conspiracies, both real and imagined, lay one lone man? “Choreographed by a truth that is itself so strange a novelist need hardly expand on it to produce a wondrous tale... Eco is to be applauded for bringing this stranger-than-fiction truth vividly to life.” —The New York Times

Bulletin of the New York Public Library New York Public Library,1928 Includes its Report, 1896-19 .

Italian Foreign Policy Federico Chabod,2014-07-14 Federico Chabod (1901-1960) was one of Italy's best-known historians, noted for his study of Italian history in a European context. This is the first English translation of his most important book. Although he carried out his extensive archival research for this work from 1936 until 1943, the fall of fascism and Chabod's active participation in the Resistance delayed its completion. When it was published in 1951, it was immediately hailed as a masterpiece. Chabod intended to write a new kind of diplomatic history-- one in which political history is seen as part of a larger historical whole. He does not present a detailed chronological account of Italian foreign policy during the period studied, but rather the moral and material underpinnings of that policy. In fact, he crafts a highly developed portrait of an age, with the real subjects being the Italian state and society, the ruling class and political culture. This work offers readers a superb picture of post-Risorgimento Italy and an outstanding example of Chabod's historiographical method. Originally published in 1996. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Baudolino Umberto Eco,2011-05-15 BAUDOLINO gravita em torno dos prazeres da corte de Federico Hohenstaufen, conhecido como Barbarossa, à época da Terceira Cruzada. A história engloba justamente o período entre 1152 e 1204, começando com a ascensão de Barbarossa ao trono e terminando com a conquista de Constantinopla pela temida ordem dos cavaleiros templários. A trama é protagonizada por Baudolino - adolescente, criativo e mentiroso que dá título à obra - e Niceta Coniate, personagem inspirado em um historiador e orador que viveu na corte de Constantinopla. A narrativa retrocede, enquanto Baudolino conta a Niceta suas aventuras e desventuras, numa mistura de fantasia e realidade, História e faz-de-conta. Tudo isso temperado por inúmeras situações cômicas. No intervalo, Eco embaralha os seus personagens inventados e produz o

mais recorrente efeito de seu texto: interferir em acontecimentos históricos conhecidos por meio de atos ou circunstâncias vividas pelos personagens fictícios.
