James B. Conant: Harvard to Hiroshima and the Making of the Nuclear Age James Hershberg, 2019-07-31 James B. Conant (1893-1978) was one of the titans of mid-20th-century American history, attaining prominence and power in multiple fields. Usually remembered as an educational leader, he was president of Harvard University for two tumultuous decades, from the Depression to World War II to the Cold War and McCarthyism. To take that job he gave up a scientific career as one of the country's top chemists, and he left it twenty years later to become Eisenhower's top diplomat in postwar Germany. Hershberg's prize-winning study, however, examines a critical aspect of Conant's life that was long obscured by government secrecy: his pivotal role in the birth of the nuclear age. During World War II, as an advisor to Roosevelt and then Truman (on the elite "Interim Committee" that considered how to employ the bomb against Japan), Conant was intimately involved in the decisions to build and use the atomic bomb. During and after the Manhattan Project, he also led efforts to prevent a postwar nuclear arms race between the United States and the Soviet Union that, he feared, threatened the survival of civilization — an apocalyptic prospect he glimpsed in the first instant of the new age, when he witnessed the first test of the new weapon at Alamogordo on July 16, 1945. "... a vivid inquiry... a model of historiography; evocative reading...[Conant was] central to atomic policy and progress; the bomb would be as much Conant's as it was anyone's in Government. His inner response to that burden responsibility has long been obscured, but it is illumined here." — Philip Morrison, The New York Times Book Review "In his splendid portrait of Conant, James Hershberg has illumined the life of a pivotal figure in the making of U.S. nuclear, scientific,

educational and foreign policy for almost a half-century. But the book is much more: It is not only an insightful narration of Conant's life; it is also a brilliant and important account of the making of the nuclear age, a chronicle that contains much that is new... Hershberg's superb study... is a chronicle of Conant's moral journey and we are the wiser for his having charted Conant's path." — S.S. Schweber, *Washington Post Book World* "James G. Hershberg ably comes to grips with Conant and his hazardous times... His book is vibrantly written and compelling, and it breaches Conant's shield of public discretion in masterly fashion, making extensive use of unpublished interviews, diaries, reports, and correspondence pried from private and governmental repositories. It is a huge, ambitious work — a history of the Cold War as Conant encountered it as well as a study of the man." — Daniel J. Kevles, *The New Yorker* "... a well-written, comprehensive, nonjudgmental but sensitive biography... Conant was involved in so many and such critical events that students of almost any aspect of our public life over the past half-century will find useful the new material and helpful insights in this book... This fine biography of one of the most important and complicated of America's twentieth-century leaders immediately establishes James Hershberg as one of America's outstanding young historians." — Stephen E. Ambrose, *Foreign Affairs* "... magnificent... Any reader interested in nuclear weapons, Cold War history or American politics from FDR to JFK will find this biography riveting." — Priscilla McMillan, *Chicago Tribune* "... masterful... The prose is clear, the narrative forceful and the author's judgments are balanced and judicious. This is simply splendid biography... The highest praise one can give for a book of this sort is that the historian has not shrunk from speaking truth to power. This book quietly but insistently does so. It should be read by the public at large as one of the definitive texts on the cold war and the nuclear age... Hershberg's triumph is that he has prevailed over all the official lies to give us one more layer of

the historical truth.” — Kai Bird, *The Nation* “... riveting... an impressive achievement... honest and comprehensive in its scholarship, the author has shown himself to be a historian of notable achievement and promise.” — McGeorge Bundy, *Nature* “Hershberg’s outstanding, balanced biography lifts the self-imposed secrecy surrounding a key architect of U.S. Cold War policy and of the nuclear age.” — *Publisher’s Weekly* “... [an] impressive and substantial achievement. [Hershberg] has used the life of one strategically placed individual to illuminate the most important issues surrounding America’s role and conduct in the nuclear age. His book will be invaluable to scholars assessing the impact and legacy of the group who acquired the epithet ‘wise men’ now that the Cold War has receded.” — Carol S. Gruber, *Science* “... definitive... a far more textured picture than one finds in Conant’s own guarded and unrevealing autobiography... an important and rewarding book... illuminating... Conant led a remarkable and eventful life in remarkable and eventful times. James Hershberg has explored that life, and those times, in exhaustive and revealing detail.” — Paul Boyer, *The New Republic* “James G. Hershberg has achieved the impossible. He has written a huge biography of a Harvard president that is fascinating, informative and as valuable a piece of American history as anything I have read in years... Mr. Hershberg has brought us back vividly to an age that seems remote, so long ago, but the questions about nuclear proliferation are the same, even while the answers are still ambiguous. As we watch men struggling with unanticipated post-Cold War problems and civil wars sprouting like Jason’s men at arms, it is good to read this story about a complex man who deserves an important place in our history because he helped make that history possible.” — Arnold Beichman, *The Washington Times* “... engrossing... A magisterial study of an awesome and intriguing public career.” — *Kirkus Reviews* “... entertaining... thought-provocative.” — Dick Teresi, *The Wall Street Journal* “Hershberg’s book helps us more

clearly understand the postwar Establishment and offers a challenging appraisal of the role of elites, of universities and of the state.” — Gar Alperovitz, *In These Times* “Hershberg deserves great credit for cracking a tough New England walnut, analyzing this very important public figure, demonstrating how he fit into his own time and showing us what we can learn from the man.” — Daniel R. Mortensen, *The Friday Review of Defense Literature* “... a compelling account... an engaging examination of one of the central figures of the nuclear age. It succeeds in showing ‘one man’s intersection with great events and issues’ and in the process illuminates those issues for us all.” — *American Historical Review* “... well-written... Conant’s participation in one of our country’s most dynamic periods is, thanks to Hershberg, now much better understood.” — *Library Journal* “A reader of the book will enter the realm of the greats, the shapers of worlds created by the atomic blasts at Hiroshima and Nagasaki... Conant was no bit player in Cold War history... [the book is] very successful in weaving Conant’s subsurface persona in with his ups and downs as a prominent and committed public figure. And it leaves out little detail in describing top-level decisions involving the Cold War geopolitics of nuclear weaponry. Conant was a participant in most of these decisions—with Presidents Roosevelt and Truman themselves, their Secretaries of War and State, and, of course, all the major scientific figures of the time.” — *Chemical & Engineering News* “A wonderfully rich portrait that emerges from a carefully documented account of Conant’s role in the development of the atomic bomb and post-war nuclear policy... An extraordinarily well written text... Hershberg lays bare the person behind the persona — warts, dimples and all.” — Stanley Goldberg, *Bulletin of the Atomic Scientists*

TM 9-718A 90-mm Gun Tank M47 1952 United States.

Army,2018-09-29 TM 9-718A 90-mm Gun Tank M47 1952-01-09
The 90-mm gun tank M47 is a heavily-armored, full-track-laying, low-silhouette, combat vehicle, mounting a 90-mm gun T119E1 (figs. 1 through 8). One cal. .30 machine gun M1919A4 is installed in a flexible ball mount in the bow (fig. 13) and a cal. .50 machine gun M2, HE or a cal. .30 machine gun is mounted coaxially with the 90-mm gun in the combination gun mount (fig. 39). One cal. .50 machine gun M2, HB with a pintle mount is installed in a pintle stand on the turret roof (fig. 5). This vehicle carries a crew of five vehicle commander, driver, assistant driver (also, cal. .30 gunner), loader, and gunner.

The Automobile ,1909

The Iliad in a Nutshell Michael Squire,2011-10-06 A new, illustrated study of the Iliac tablets, a group of objects inscribed in miniature with epic episodes. Like the tablets themselves, Michael Squire tackles major themes through small ones, by relating their production to macroscopic problems of signification in Graeco-Roman antiquity.

Human Shields Dr. Neve Gordon,Nicola

Perugini,2020-08-25 A chilling global history of the human shield phenomenon. From Syrian civilians locked in iron cages to veterans joining peaceful indigenous water protectors at the Standing Rock Sioux Reservation, from Sri Lanka to Iraq and from Yemen to the United States, human beings have been used as shields for protection, coercion, or deterrence. Over the past decade, human shields have also appeared with increasing frequency in antinuclear struggles, civil and environmental protests, and even computer games. The phenomenon, however, is by no means a new one. Describing the use of human shields in key historical and contemporary moments across the globe, Neve Gordon and Nicola Perugini demonstrate how the increasing weaponization of human beings has made the position of civilians

trapped in theaters of violence more precarious and their lives more expendable. They show how the law facilitates the use of lethal violence against vulnerable people while portraying it as humane, but they also reveal how people can and do use their own vulnerability to resist violence and denounce forms of dehumanization. Ultimately, *Human Shields* unsettles our common ethical assumptions about violence and the law and urges us to imagine entirely new forms of humane politics.

Pearls of Wisdom, 1969 Mark Prophet, Elizabeth Clare Prophet, 1979-06

Motor, 1915

Welding Engineer, 1917

1970s Childhood Liza Hollinghurst, 2019-03-21 The 1970s was a decade of style contrasts: every extreme of fashion was met by an equally trendy opposite reaction. Ankle-length maxi skirts vied for attention with super-short hot-pants. Outfits in vibrant prints and obviously man-made fabrics contrasted with subtly-coloured ensembles in wool jerseys and silky crepes. Delicate floral cottons, hand-knits and hand-tooled leather came up against boldly synthetic and plastic looks perched atop platform shoes – for men and women alike. More so than at any other time, fashion looked backwards in order to dress the future with quirkily ironic retro looks, while alternative street-style movements such as Punk used appearance to startle and challenge the establishment. In this book, Daniel Milford-Cottam uses colourful photographs to illustrate an eye-opening introduction to the bold fashions that still have such resonance today.

Sovereign Equality and Moral Disagreement Brad Roth, 2011-11-03 The boundaries of the international order's pluralism remain variable, and relative convergences in both values and interests over time have led to the broadening of exceptions to sovereign prerogative, such as *jus cogens*, universal jurisdiction, and humanitarian intervention. With little prospect of these long term trends diminishing in either momentum or scope,

this book weighs in to consider the enduring importance of sovereignty.

Moving Beyond Symbol and Myth Anne Moore,2009 For hundreds of years, scholars have debated the meaning of Jesus' central theological term, the 'kingdom of God'. Most of the argument has focused on its assumed eschatological connotations and Jesus' adherence or deviation from these ideas. Within the North American context, the debate is dominated by the work of Norman Perrin, whose classification of the kingdom of God as a myth-evoking symbol remains one of the fundamental assumptions of scholarship. According to Perrin, Jesus' understanding of the kingdom of God is founded upon the myth of God acting as king on behalf of Israel as described in the Hebrew Bible. *Moving Beyond Symbol and Myth* challenges Perrin's classification, and advocates the reclassification of the kingdom of God as metaphor. Drawing upon insights from the cognitive theory of metaphor, this study examines all the occurrences of the 'God is king' metaphor within the literary context of the Hebrew Bible. Based on this review, it is proposed that the 'God is king' metaphor functions as a true metaphor with a range of

expressions and meanings. It is employed within a variety of texts and conveys images of God as the covenantal sovereign of Israel; God as the eternal suzerain of the world, and God as the king of the disadvantaged. The interaction of the semantic fields of divinity and human kingship evoke a range of metaphoric expressions that are utilized throughout the history of the Hebrew Bible in response to differing socio-historical contexts and within a range of rhetorical strategies. It is this diversity inherent in the 'God is king' metaphor that is the foundation for the diversified expressions of the kingdom of God associated with the historical Jesus and early Christianity.

Reviewing **Universal Shield 47**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Universal Shield 47**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Introduction
- Universal Shield 47 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Universal Shield 47 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Universal Shield 47 : This website hosts a vast collection of scientific articles,

books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Universal Shield 47 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Universal Shield 47 Offers a diverse range of free eBooks across various genres. Universal Shield 47 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Universal Shield 47 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Universal Shield 47, especially related to Universal Shield 47, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites,

forums, or blogs dedicated to Universal Shield 47, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Universal Shield 47 books or magazines might include. Look for these in online stores or libraries. Remember that while Universal Shield 47, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Universal Shield 47 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Universal

Shield 47 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Universal Shield 47 eBooks, including some popular titles.

FAQs About Universal Shield 47 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based

readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Universal Shield 47 is one of the best book in our library for free trial. We provide copy of Universal Shield 47 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Universal Shield 47. Where to download Universal Shield 47 online for free? Are you looking for Universal Shield 47 PDF? This is definitely going to save you time and cash in something you should think about.
