What a Treasure! Jane Hillenbrand,2017-01-30 Dig deep with Mole to uncover the best treasures of all in this sweet story. Hunting for buried treasure, Mole unearths a twig. It's not much use to him, but a bird flying by wants it for a nest. When he discovers a shell, Mole gives it to Snail for a cozy home. Happy to share, Mole keeps digging, and uncovers—another hole, with another little mole in it. A new friend—what a treasure indeed. Brightly colored illustrations enhance this simple story about friendship, sharing, and perseverance, created by husband and wife team Jane and Will Hillenbrand. Perfect for sharing with your own treasured friends, this is an ideal read-aloud for emerging readers.

Hacking Exposed Joel Scambray,Mike Shema,2002 Featuring in-depth coverage of the technology platforms surrounding Web applications and Web attacks, this guide has specific case studies in the popular Hacking Exposed format.

Leadership for a Better World NCLP (National Clearinghouse for Leadership Programs),2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as a approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development

(978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. Hacker Disassembling Uncovered: Powerful Techniques To Safeguard Your Programming Kris Kaspersky, 2003 Going beyond the issues of analyzing and optimizing programs as well as creating the means of protecting information, this guide takes on the programming problem of, once having found holes in a program, how to go about disassembling it without its source code. Covered are the hacking methods used to analyze programs using a debugger and disassembler. These methods include virtual functions, local and global variables, branching, loops, objects and their hierarchy, and mathematical operators. Also covered are methods of fighting disassemblers, self-modifying code in operating systems, and executing code in the stack. Advanced disassembler topics such as optimizing compilers and movable code are discussed as well.

Payroll Accounting 2015 + Online General Ledger Bernard J. Bieg, Judith A. Toland, 2014-10-24 Prepare for career success with firsthand experience in calculating payroll, completing payroll taxes, and preparing payroll records and reports. The 2015 edition of Bieg/Toland's market-leading text addresses all of the latest laws on payroll. The text focuses on applications rather than theory, and includes strong end-of-chapter material that reinforces concepts and provides valuable hands-on learning experiences. Numerous detailed examples and real business applications enliven this edition and demonstrate the relevance of the material. An extensive payroll project within the last chapter of the book gives students the opportunity to practice all they have learned, either manually or using Cengage Learning's General Ledger Software (CLGL).

An esteemed surgeon and a water therapy expert team up to tell you the essentials about your knees, how to get them back into shape, and how to prevent further pain and injury. Through careful explanation, they examine each part of the healing process—from basic function to long-term exercises—guiding you to a pain-free life. With detailed information on a variety of healing options, you will learn how to make the right decisions for your knees, understand when and why surgery is appropriate, and how simple exercise in your living room and in the pool can speed the post-surgical healing process.

All Things Fun and Fascinating Lori Verstegen, 2009 All Things Fun & Fascinating is the perfect tool to help teachers and parents of 3rd-5th graders teach writing with a clear, simple, step-by-step method using subjects that will fascinate young students. The lessons are meant to be a resource for teachers already familiar with Teaching Writing: Structure and Style.

Hackers Beware Eric Cole, 2002 Discusses the understanding, fears, courts, custody, communication, and problems that young children must face and deal with when their parents get a divorce.

Expository Apologetics Voddie Baucham Jr., 2015-10-31 Apologetics is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life? Aimed at preparing you to clearly and confidently defend your faith, Expository Apologetics sets forth an approach to apologetics that is rooted in Scripture and eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers “a reason for the hope that is in you.”
