*Presidents, Poems, and Pictures--Oh, My! Student Workbook*

Vicki Poplin, 2019-08 This is a consumable student workbook completed by using the images from Presidents, Poems, and Pictures--Oh, My! Clip Art Booklet and TREND U.S. Presidents Pocket Flash Cards (both sold separately). As a teacher instructs from the Presidents, Poems, and Pictures--Oh, My! Teacher's Manual (also sold separately), students learn about each U.S. president and create colorful keepsake notebooks while learning through poems, games, songs, and snacks. Great for home school, co-op classes, public school, private school, and summer learning groups. Material is divided into 17 separate classes and can be taught in one semester or adapted to last over an entire school year. Upon completion, enthusiastic students may choose to remove pages from the spiral binding and 3-hole punch them, placing them into a more durable 3-ring binder. Students interested in adding subsequent president pages and clip art to their notebooks in future years may obtain these by sending a SASE to the author.

**Have Fun with the Presidents** David C. King, 2007-04-20 It's important to learn about the U.S. presidents, but it's even better to have fun while doing it. Have Fun with the Presidents is filled with activities, recipes, games, puzzles, profiles, quotes, and fascinating facts, about all 42 American presidents, from George Washington to George W. Bush. You will learn all kinds of interesting things about the presidents, their families, and the times in which they lived, but this is much more than just a book of facts. The games and activities in Have Fun with the Presidents will give you a better understanding of each president's important contributions, interesting hobbies, and unique personality. In Have Fun with the Presidents you will learn that Herbert Hoover and his wife spoke Chinese in the White House as a way of maintaining their privacy Dwight Eisenhower was an enthusiastic cook who loved grilling on the roof of the White House Two of Theodore Roosevelt's sons

managed to sneak a pony into a White House elevator so they could take it to their sick brother's bedroom George H.W. Bush hated broccoli so much he had it banned from the White House kitchen And much more!

**Presidents of the United States** Habakkuk Educational Materials, 2021-02-23 *Presidents of the United States* (Reproducible Study Guides for Online Learning) was designed to familiarize students with the first 46 presidents (George Washington through Joe Biden) and of some historical events that occurred during their terms in office. The study guide for each president is one page long and includes a picture of the president and questions that students can research online. The pages also suggest a brief YouTube video that they can watch to help them answer many of the questions. (Direct links to the videos are provided on Digital Flashcards of the U.S. Presidents, a separate resource also by Habakkuk Educational Materials.) Throughout the guide, students will learn some personal information about each president, including any military and political experience he had prior to becoming president, and what states, if any, joined the Union (the United States) during his presidency. Major accomplishments and challenges faced by presidents will also be studied, as most of the suggested essay/journal topics provided throughout the book are meant to familiarize students with major events that occurred during a president's term. Finally, this resource also includes a Presidents Matching Game that can be reproduced on cardstock and used in your history or social studies center, and an answer key has been provided at the back of the book for the benefit of teachers. For more information or to contact Habakkuk Educational Materials, please visit the website below. <https://www.habakkuk.net/>

**The Constitution Decoded** Kathleen Kennedy,2020-09-15 Be an active citizen. Know your Constitution! Ever wonder why the president has a Cabinet? Why there's such thing as trial by jury? Why someday you'll have to pay income tax, or why there are no Dukes, Duchesses, Counts, or Countesses in the United States? Because the Constitution says so--and so much more. And now, in *The Constitution Decoded*, the ideas, concepts, and rules that make America are unpacked and explained in detail to help all of us, kids and parents too, become more informed citizens. Written with impeccable clarity and illustrated in a style that brings America's early days to life, this fascinating guide goes through the Constitution literally word by word, sentence by sentence, and idea by idea to give readers a true understanding of not only how the Framers envisioned the United States, but also why they made the choices they did. Here's why, for example, the United States has three branches of government—legislative, executive, and judicial. It explains how bills become laws, why we have the right to free speech, how we can change the Constitution as our country evolves, and so much more. Packed with historical context and

figures, vocabulary, anecdotes, and trivia, this book is an accessible yet richly layered work that belongs in every family library.

Einstein Never Used Flash Cards Kathy Hirsh-Pasek, Roberta Michnick Golinkoff, Diane Eyer, 2004-08-12 Now Available in Paperback! In Einstein Never Used Flashcards highly credentialed child psychologists, Kathy Hirsh-Pasek, Ph.D., and Roberta Michnick Golinkoff, Ph.D., with Diane Eyer, Ph.D., offer a compelling indictment of the growing trend toward accelerated learning. It's a message that stressed-out parents are craving to hear: Letting tots learn through play is not only okay-it's better than drilling academics! Drawing on overwhelming scientific evidence from their own studies and the collective research results of child development experts, and addressing the key areas of development-math, reading, verbal communication, science, self-awareness, and social skills-the authors explain the process of learning from a child's point of view. They then offer parents 40 age-appropriate games for creative play. These simple, fun--yet powerful exercises work as well or better than expensive high-tech gadgets to teach a child what his ever-active, playful mind is craving to learn.
