A Road Trip to Remember Judith Keim,2021-04-20 A woman and her beloved granddaughter take a trip of discovery... After agreeing to enter the New Life Assisted-Living Community outside of Boston, Agatha "Aggie" Robard talks her devoted, serious granddaughter, Blythe, into driving her to Florida, stopping to see old college friends along the way. She particularly needs to speak to Donovan Bailey, the man she'd thought she would marry right after graduating from college. By asking Blythe to go with her, Aggie is hoping to prove to her that life should be about having fun too. Their road trip is a great idea for both of them as long as Aggie's son and his wife, Blythe's difficult stepmother, don't find out. While the rest of the family is away on vacation, Aggie and Blythe set off on their secret adventure. All goes well until Aggie falls while dancing on the beach with Donovan, breaking a bone in her leg. Then Blythe's father is seriously injured in an automobile accident. Blythe and Logan Pierce, Donovan's young assistant, do their best to step in for them at The Robard Company working together, fighting the attraction they feel for one another. The road trip brings about happy memories, surprises, and love as Aggie and Blythe meet others and discover new possibilities for everything they've ever wanted. A beach read with a lot of heart... This book is a standalone novel that is one of others based at the Seashell Cottage on the Gulf Coast of Florida. Different stories, different characters, same location. Be sure to read other books in the Seashell Cottage collection – A Christmas Star, A Summer of Surprises and Change of Heart. Another of Judith Keim's series books celebrating love and families, strong women meeting challenges, and clean women's fiction with a touch of romance—beach reads for all ages with a touch of humor, satisfying twists, and happy endings. Be sure to check out her other delightful books and series that readers adore.

The Storyteller's Secret Carmine Gallo,2016-02-23 How did a Venice Beach T-shirt vendor become television's most successful producer? How did an entrepreneur who started in a garage create the most iconic product launches in business history? How did a timid pastor's son overcome a paralyzing fear of public speaking to captivate sold-out crowds at Yankee Stadium, twice? How did a human rights attorney earn TED's longest standing ovation, and how did a Facebook executive launch a movement to encourage millions of women to lean in? They told brilliant stories. In *The Storyteller's Secret: From TED Speakers to Business Legends, Why Some Ideas Catch on and Others Don't*, keynote speaker, bestselling author, and communication expert Carmine Gallo reveals the keys to telling powerful stories that inspire, motivate, educate, build brands, launch movements, and change lives. The New York Times has called a well-told story a strategic tool with irresistible power - the proof lies in the success stories of 50 icons, leaders, and legends featured in *The Storyteller's Secret*: entrepreneurs like Richard Branson, Sara Blakely, Elon Musk, Steve Jobs, and Sheryl Sandberg; spellbinding speakers like Dr. Martin Luther King, Jr., Bryan Stevenson, and Malala Yousafzai; and business leaders behind famous brands such as Starbucks, Southwest Airlines, Wynn Resorts, Whole Foods, and Pixar. Whether your goal is to educate, fundraise, inspire teams, build an award-winning culture, or to deliver memorable presentations, a story is your most valuable asset and your competitive advantage. In *The Storyteller's Secret*, Gallo explains why the brain is hardwired to love stories - especially rags-to-riches stories - and how the latest science can help you craft a persuasive narrative that wins hearts and minds. The art of storytelling can be used to drive change, says billionaire entrepreneur Richard Branson. And since the next decade will see the most change our civilization has ever known, your story will radically transform your business, your life, and the lives of those you touch. Ideas that catch on are wrapped in story. Your story can change the world. Isn't it time you shared yours?
