New Casino Slots Victor H. Royer, 2010-06-09 The Future is Now! Twenty-first century casinos are nothing like the classic dens of the Rat Pack era—the days of Elvis and Liberace and the “Mob” in the movie “Casino.” Today’s world of slots, and all casino gaming, is as up-to-date as everything else in Las Vegas. The new slots are sophisticated and computerized machines that offer excitement, entertainment, and frequent pays—if you know what to look for and how to play these new machines when you arrive at the casino....and before you start spending your money. In This Book You Will Find

- More than 100 photos of the newest and best slots.
- How to find the best games and machines.
- How to play the newest slots—before using your own money.

The Mammoth Book of Casino Games Paul Mendelson, 2010-05-27 Paul Mendelson offers an indispensable guide to beating the odds in just about every gambling game, both in casinos and online. He reveals how to shift the odds in your favour as he clearly explains every game and analyses optimum strategies in detail with the aim of helping you to win. Other chapters show you

how to: get the best out of your casino - pick up free drinks, meals, hotel accommodation, thousand-dollar shopping trips, room upgrades, flights, bonus money etc.; make the most of your trip to Las Vegas or anywhere else - casino information, the best places to gamble (for each game), recommended hotels and attractions; win online - which sites to avoid and which can be trusted, a discussion of every game from poker through to online bingo, including bonuses, incentives, play-through data and the best strategies to use. The Mammoth Book of Casino Games covers every major casino game in detail, as well as many less well known games, including: blackjack, roulette, punto banco (baccarat, chemin de fer, chemmy), poker (including three-card, Caribbean stud and video poker), Chinese dice and domino games (including sic bo, gwat pai and kap tai shap), slots (three-wheel, multi-line, bonus), other casino games (including Keno, Wheel of Fortune, Red Dog and Spanish 21) and tournaments (slots, roulette etc.). Praise for The Mammoth Book of Poker: 'I've won 20 times the price in the last three days!' Gareth Hughes

Casino Gambling the Smart Way Andrew N. S. Glazer, 1999 How to Make More Money and Have More Fun in Any Game You Choose.

Powerful Profits From Internet Gambling Victor H. Royer, 2005 Internet gambling is the hottest thing in gaming. For many players success will be elusive, but for those in the know the odds of winning can be dramatically improved. Here, Royer offers outstanding advice on what to do when you're ready to try your luck online. He explains where to go, what to expect and how to maximise your chances of winning. With Royer as a guide, navigation around the world of online casinos is much more fun and lucrative. Keep this invaluable guide by your computer for tapping into the

powerful profits that are only a mouse click away.

High Stakes Gary Provost, 2017-10-08 For decades, the name Las Vegas summoned up the image of a neon world of nonstop gambling, gangsters, sex, and adult entertainment. But today, Las Vegas has transformed itself into a family vacation spot second only to Disneyworld on America's leisure-time itinerary. What—and who—is responsible for this multibillion-dollar transformation? With *High Stakes*, Gary Provost takes the reader on a wide-ranging tour of Nevada's newly revitalized 21st-century vacation world. This inside look at both the gaming business and its new total entertainment centers, which now host twenty million visitors a year, reveals how Las Vegas became a clean, attractive, family-oriented resort. Today, casino gambling is just one attraction of many, most of them new: amazing theme parks, spectacular virtual-reality rides, futuristic glass domes, the world's tallest tower, a sky laser that can be seen all the way to Los Angeles. Circus Circus Enterprises Inc. is used as a model of excellence to show how the Las Vegas gaming industry develops, markets, and delivers its entertainment product at a lower price, and with greater profits, than any of its competitors. Highlighted by a preview of Circus Circus' astonishing pyramid—Luxor—the new centerpiece of the greatest gaming empire in history, *High Stakes* includes extensive interviews with Luxor's legendary creator, William G. Bennett, the man who taught the entire gaming industry how to attract the vast market of family-oriented vacationers. Also covered are all the games of chance that a casino like Circus Circus offers and the odds each gives; everything the casino hands out for free and why; the different ways in which high rollers and ordinary folk are treated; how legendary casinos of the past have crashed to oblivion and the hot newcomers that have taken their place; and the increasing competition from Atlantic City and the growing list of other venues of legal gambling in the United States. Timely, wide-ranging, and well informed, this eye-opening book traces the evolution of Las

Vegas from Sin City to the Orlando of the West. Whether you are interested in gambling, business, or the changing face of America, High Stakes is fascinating.

Casino Secrets Victor H. Royer, 2016-01-11 How to Win More Money - More Often - and Keep It! Quick Answers and Easy Strategies for the most popular casino games: Slots, Video Slots, Blackjack, Craps, Roulette, Video Poker: Bonus Poker, Double Bonus Poker, Double Double Bonus Poker, Deuces Wild, Joker's Wild, Let It Ride, Three Card Poker, Progressive Caribbean Stud, Video Keno, 20-Card-Keno, Pai Gow Poker, and more! Super Casino Pete Earley, 2000 Las Vegas was a mob town built on restlessness and hunger, on glitter, greed, and the firm belief that anyone can get lucky once. But in the last decade Las Vegas has had its own change of fortune, transforming itself from a gambler's fun house to one of the country's top family vacation spots. Now Pete Earley--the investigative journalist and award-winning author who stormed Leavenworth in *The Hot House*--takes us inside today's colossal theme casinos, in a fascinating look at the life, death, and fantastic rebirth of the Las Vegas Strip. With 320 days of sunshine, 500 churches, 27 golf courses, and no state income tax, Las Vegas is the ultimate boomtown. And at the heart of the boom are the new entertainment superstores known as super casinos. How do they run? Who are the business titans responsible for these extravagant showplaces? And why was the gaudy Vegas of the Rat Pack era remade in the first place? Pete Earley traces this evolution by taking a probing look at the checkered history of Las Vegas--when moguls, mobsters,

and the world's top entertainers came together to create this ultimate monument to American excess. This fascinating book reveals the real stories of well-known power brokers like Steve Wynn, Vegas legends like Howard Hughes and Bugsy Siegel, and the gripping rise and fall and rise again of the entrepreneurs behind one of the largest gaming corporations in the nation, the colossus Circus Circus, to which the author was given unique access. Earley's trademark you-are-there style brings us front and center as whales win and lose hundreds of thousands of dollars in a few seconds. We see grifters try every trick in the book to beat the odds--while eye-in-the-sky cameras record all the action. We go behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the maids and chefs, security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city. This lively, probing book lays forth the real Las Vegas and shows how and why it has become the biggest draw in the country, offering adult and family entertainment like no other in the world. The result is an intriguing, often troubling look at a uniquely American city founded on greed--and a nation that built its own mad Mecca in the desert. This is the new Las Vegas--no longer the stomping ground of the Rat Pack, but just as fascinating, just as energized, just as cutthroat. What, and who, is behind it all? Earley was offered unique access to one of the largest gaming corporations in the nation (Circus Circus), and through his investigation of other major gambling enterprises, he shows how the Strip of yesterday has transformed itself, with multi-faceted, themed mega-complexes offering adult and family entertainment like no other in the world. Wall Street analysts call Las Vegas the biggest cash cow in America--its 1999 revenues were a staggering \$27.2 billion. SUPER CASINO tells how it came to be the biggest draw in the country, while catching the voices of those large and small--bosses, shift managers, dealers, cashiers, showgirls, hookers, cabbies, tourists, and of course, the players--who make it run today. -->

Basic Gambling Mathematics Mark Bollman, 2014-06-13 Understand the Math Underlying Some of Your Favorite Gambling Games *Basic Gambling Mathematics: The Numbers Behind the Neon* explains the mathematics involved in analyzing games of chance, including casino games, horse racing, and lotteries. The book helps readers understand the mathematical reasons why some gambling games are better for the player than others. It is also suitable as a textbook for an introductory course on probability. Along with discussing the mathematics of well-known casino games, the author examines game variations that have been proposed or used in actual casinos. Numerous examples illustrate the mathematical ideas in a range of casino games while end-of-chapter exercises go beyond routine calculations to give readers hands-on experience with casino-related computations. The book begins with a brief historical introduction and mathematical preliminaries before developing the essential results and applications of elementary probability, including the important idea of mathematical expectation. The author then addresses probability questions arising from a variety of games, including roulette, craps, baccarat, blackjack, Caribbean stud poker, Royal Roulette, and sic bo. The final chapter explores the mathematics behind get rich quick schemes, such as the martingale and the Iron Cross, and shows how simple mathematics uncovers the flaws in these systems.

The 101 Most Asked Questions about Las Vegas and Casino Gambling George Joseph, Father Marie Joseph, 2003 Does organized crime control casino gambling in Las Vegas? Is betting on a horse in a Race & Sports Book the same as betting at the track? Is prostitution legal in Las Vegas? Was the Robert DeNiro movie *Casino* accurate and who were they really talking about? Do casinos cheat customers? How can I tell if a table is 'hot' or 'cold'? and more questions answered by George Joseph.

101 Ways to Win Blackjack Tom Hagen, 2009-11-18 When it comes to gambling, there's no better game to beat the odds—and win big—than blackjack. But there's more to it than just doubling down.

You will learn about the mysterious—and surprisingly legal—skill of card counting, casino etiquette, single vs. team play, tournament play, variation games, online games, and more. In this concise but complete manual, blackjack expert Tom Hagen and author Sonia Weiss deal out information on: Complete rules for blackjack as well as variation games (like Double Exposure and Blackjack Switch) Basic and complex strategies (including surrendering, entering early, and insurance) Tricks for understanding odds and probability (such as how early surrender gives players close to a .60 percent advantage over the house) Forget Lady Luck. This guide gives you the advantage, skill, and confidence needed to beat the house every time—and cash in!

Powerful Profits from Video Poker Victor H. Royer, 2003 In today's casinos, video poker is the most popular game on the circuit -- and the only one you can beat with consistency. No one knows its ins and outs better than Victor H. Royer. An insider and the author of more than fifty casino reports, he's the man the gambling houses turn to for advice. Now Royer shares trade secrets in a clear step-by-step guide that will enable you to up the odds for triumph at video poker, whatever version you play! Book jacket.

The 101 Most Asked Questions about Las Vegas & Casino Gambling George Joseph, 1999

The Buzz on Gambling Gordon Theisen, 2001 From craps to keno, blackjack to going bust, you'll get an inside look at gaming like you've never seen before.

One-hundred and One Most Asked Questions about Las Vegas & Casino Gambling

George Joseph, 1996*

Qualitative Research in Gambling Rebecca Cassidy, Andrea Pisac, Claire

Loussouarn, 2013-10-30 The Open Access version of this book, available at

<http://www.tandfebooks.com>, has been made available under a Creative Commons Attribution-Non

Commercial-No Derivatives 3.0 license. Gambling is both a multi-billion-dollar international industry and a ubiquitous social and cultural phenomenon. It is also undergoing significant change, with new products and technologies, regulatory models, changing public attitudes and the sheer scale of the gambling enterprise necessitating innovative and mixed methodologies that are flexible, responsive and 'agile'. This book seeks to demonstrate that researchers should look beyond the existing disciplinary territory and the dominant paradigm of 'problem gambling' in order to follow those changes across territorial, political, technical, regulatory and conceptual boundaries. The book draws on cutting-edge qualitative work in disciplines including geography, organisational studies, sociology, East Asian studies and anthropology to explore the production and consumption of risk, risky places, risk technologies, the gambling industry and connections between gambling and other kinds of speculation such as financial derivatives. In doing so it addresses some of the most important issues in contemporary social science, including: the challenges of studying deterritorialised social phenomena; globalising technologies and local markets; regulation as it operates across local, regional and international scales; and the rise of games, virtual worlds and social media.

Gambling on the American Dream James R Karmel,2015-10-06 Provides a historical perspective for understanding the exponential growth of casinos in the United States since 1990, by telling the story of Atlantic City, New Jersey since the 1970s. This work uses oral history to focus on the human stories of the region in addition to the broader story of economic and social impacts.

Cheap Bastard's™ Guide to Las Vegas Shaena Engle,2010-11-23 Las Vegas is full of free and ridiculously cheap stuff—one just needs to know where to look. Leave it to “The Cheap Bastard” to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor.
