Steve Tappin

The **Secrets of CEOs** Steve Tappin,2008 The Secrets of CEOs reveals frank discussions with some of the West's most influential CEOs, such as Tesco's Sir Terry Leahy, Sir Martin Sorrell of WPP Group, former BP chief executive Lord Browne and Ben Verwaayen, formerly of BT. It also incorporates radical and thought-provoking comments from the heads of new corporate champions of India like Infosys, Tata and Wipro, leading Chinese and Russian companies such as Lenovo and Severstal, and US corporate giants including Google, Dell and News Corporation. This work helps readers to discover what it's really like to be a top CEO, what motivates and drives the world's top business leaders, how they really lead their businesses, the leadership skills and experience that you need to succeed in the new world of work, and how businesses and leaders are going to have to evolve in the future. Being a CEO should be one of the best jobs in the world, offering the chance to make a real difference. But real life for most CEOs is tough and many are finding it very demanding. Steve Tappin and Andrew Cave have interviewed over 150 of the world's leading CEOs at length to discover their thoughts on the reality of leadership, life and business. The Secrets of CEOs gives fascinating insights into where today's top leaders have come from and what motivates and drives them, as well as the best kind of apprenticeship to become a global leader. It also explores the secrets of dealing successfully with the five facts of life that will be critical to business success in the coming decade: profiting from hard globalization; decoding sustainability; surfing the third wave of the web; coping with a capital crunch; and, waging the first world war for talent. How do chief executives really run their businesses? How do they need to change to ensure that their companies are successful and sustainable in the 21st century? And is it possible to have career success and a happy personal life? Discover the answers to these questions and much more in this provocative and stimulating book.

Eternal Traces Shonda Brock,2011-11-21 Dr. Meryt Brownstone is a single woman who works and resides in a small town in Upstate New York. A cardiologist who works long hours in the emergency room at a local hospital, Meryt maintains only a few close relationships. Drama is a five-letter word she can do without. She's been taught the deadly lesson of betrayal and drama once before, and she dares not let anyone get close enough to give her a second lesson. Besides, Meryt has her own secrets—another life that must remain classified. Even so, nothing can remain a secret forever; her classified life has an expiration date. If she cannot put the pieces together and figure out her mission before that date, Meryt's drama free life will come to an end. What's more, her new acquaintances, the Daniels family, have their own hidden agenda, and the more Meryt discovers their secrets, the more her life becomes entangled in theirs leading her down a mysterious path. Meryt is in a race against time and unknown enemies. If she can't figure out her true mission soon, she will be forced to relive her gruesome past and again face losing everyone she has ever loved.
