**One Step Closer** Jeff Blue,2020-12-08 From the unique perspective of the executive who discovered them, One Step Closer reveals how Brad Delson's college internship was a catalyst for a group of young musical visionaries, led by Mike Shinoda, which gave rise to a band that survived countless rejections, exceeded everyone's expectations but their own, and became the voice of a generation. This against-all-odds story chronicles the early days of Linkin Park, from their first demo and Whisky a Go Go performance as Xero, through their tireless efforts to perfect their iconic sound and the discovery of Chester Bennington. Jeff Blue was there when no one else believed—first as their publisher, then as their A&R guy. This is his memoir of that incredible journey. Riveting and inspiring, One Step Closer is a testament to perseverance, as well as a detailed behind-the-scenes account of the building of a dream and what it takes to make it.

**On Curiosity** Franck Cochoy,2016-07-25 What draws us towards a shop window display? What drives us to grab a special offer, to enter the privileged circle of premium newspaper subscribers, to peruse the pages of an enticing magazine? Without doubt, it is curiosity - that essential force of everyday action which invites us to break from our habits and to become transported beyond our very selves. Curiosity (whether healthy or unhealthy) is one of the favourite tricks of market seduction. Capturing a public - attracting the attention of a reader, seducing a customer, meeting the expectations of a user, persuading a voter ... - often requires the construction of a set of technical devices that can play upon people's inner motivations. Cochoy invites us to take a sociological trip into these cabinets of curiosity, accompanied throughout by Bluebeard, a fairy tale that is both a model of the genre and a pure curiosity machine. At once a work of history and economic anthropology, the book meticulously analyses the devices designed by markets to arouse, excite, and sustain curiosity: a window display, practices of 'teasing', packaging, bus shelters, mobile internet technologies, to name but a few. In the Bettencourt and Strauss-Kahn affairs and the Wikileaks controversy, Cochoy also uncovers the work of investigative journalism and its attention-grabbing 'scoops', revealing the secrets of the revealers of secrets. Available in English for the first time, this major work will arouse readers' curiosity over the course of its unusual and colourful journey. By the end, now better informed and more cautious, they will be able to identify the traps of which they are the target. So long as curiosity is kept at bay, at least!

**Hollywood, Interrupted** Andrew Breitbart,Mark Ebner,2005-03-10 Hollywood, Interrupted is a sometimes frightening, occasionally sad, and frequently hysterical odyssey into the darkest realms of showbiz pathology, the endless stream of meltdowns and flameouts, and the inexplicable behavior on the part of show business personalities. Charting celebrities from rehab to retox, to jails, cults, institutions, near-death experiences and the Democratic Party, Hollywood, Interrupted takes readers on a surreal field trip into the amoral belly of the entertainment industry. Each chapter — covering topics including warped Hollywood child-rearing, bad medicine, hypocritical political maneuvering and the complicit media — delivers a meticulously researched, interview-infused, attitude heavy dispatch which analyzes and deconstructs the myths created by the celebrities themselves. Celebrities somehow believe that it's their god-given right to inflict their pathology on the rest of us. Hollywood, Interrupted illustrates how these dysfunctional dilettantes are mad as hell... And we're not going to take it any more.

**Man Repeller** Leandra Medine,2013-09-10 Engage using #manrepeller. Silk parachute pants. A gold lamé jumpsuit. Ankle boots with fringe. Were these fashion-forward items sending men running in the opposite direction? Maybe, but Leandra Medine never cared. Slipping into drop-crotch shorts and a boxed sequin blazer in the dressing room of Topshop in downtown Manhattan, a brokenhearted Leandra had an epiphany. Looking in the mirror, she suddenly realized she didn't have a boyfriend because of the way she dressed. And the more she thought about it, the more she realized that such outfits said a lot about her life-romantic and otherwise. Now, in her first book, the acclaimed blogger and fashion darling recounts her most significant memories through the lens of her sartorial choices. With her signature sass, blunt honesty, and some personal photos, Leandra shares details of the

night she lost her virginity right down to the pair of white tube socks she forgot to take off, as well as when and why she realized her grandma's vintage Hermès ostrich skin clutch could hold much more than just keys and a cell phone. Through it all, she proves you don't need to compromise even your most repellent qualities to find your way into that big white dress (and an organza moto jacket). See? You can have your yeti and wear it, too. Showcasing the singular voice that has won Leandra millions of fans, this book is a collection of awkwardly funny experiences, a sweet love story, and above all, a reminder to celebrate and embrace a world made for women, by women.

The Carry On Films Steven Gerrard, 2016-11-03 Saucy, rude and vulgar—the 31 Carry On films remain an important part of the history of British cinematic and low brow comedy. In this book, Gerrard discusses the Carry On roots in the music halls of the Victorians and the saucy seaside postcards of Donald McGill. Made in post-war Britain, these films reflect a remarkable period of social change as the British Empire faded and a nation learned to laugh at itself. Nothing was sacred to the Carry On team. James Bond and Cleopatra were mercilessly lampooned, Miss World competitions and toilet factories came in for a cinematic pasting, while Sid James' laugh, Barbara Windsor's wiggle, Kenneth Williams' flared nostrils and Charles Hawtrey's "Oh, hello!" became synonymous with laughter, merriment and fun. Gerrard's work examines the Carry On films as part of a wider canvas linking both their heritage and tradition to the contextual world they mirrored. The Carry On Films is an essential read for Carry On fans the country through. "div>Ding dong! Carry On!/div

**Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

*The Spider King's Daughter* Chibundu Onuzo, 2012-03-13 Winner of a Betty Trask Award Shortlisted for the Dylan Thomas Prize and the Commonwealth Book Prize Longlisted for the Desmond Elliot Prize The Spider King's Daughter is a modern-day Romeo and Juliet set against the backdrop of a changing Lagos, a city torn between tradition and modernity, corruption and truth, love and family loyalty. Seventeen-year-old Abike Johnson is the favourite child of her wealthy father. She lives in a sprawling mansion in Lagos, protected by armed guards and ferried everywhere in a huge black jeep. But being her father's favourite comes with uncomfortable duties, and she is often lonely behind the high walls of her house. A world away from Abike's mansion, in the city's slums, lives a seventeen-year-old hawker struggling to make sense of the world. His family lost everything after his father's death and now he runs after cars on the roadside selling ice cream to support his mother and sister. When Abike buys ice

cream from the hawker one day, they strike up an unlikely and tentative romance, defying the prejudices of Nigerian society. But as they grow closer, revelations from the past threaten their relationship and both Abike and the hawker must decide where their loyalties lie.

**Forgotten Heroes of Comedy** Robert Ross,2021-09-30 In this long overdue and affectionate salute, celebrated comedy historian Robert Ross pays tribute to some of the finest, funniest and most fascinating names in comedy from both sides of the Atlantic. Monty Python's Terry Jones wrote the foreword. With the passionate input of such comics as Tim Brooke-Taylor, Hattie Hayridge, Roy Hudd, Michael Palin, Ross Noble, Chris Addison and Bernard Cribbins, Ross honours these legends of humor who, for a variety of reasons, didn't quite reach the heady heights of stardom or, once they had, couldn't cope with the pressures. Whether it is a favorite from the distant smoke- and ale-stained world of the Music Hall like the great George Robey, or the downbeat poetry of Hovis Presley, who dropped disenchanted bombs on the late 1990s, Forgotten Heroes of Comedy will finally elevate them to the Hall of Fame where they belong.
