The Paranormal Conspiracy Timothy Ph.D. Dailey,2015-06-30 Teenage vampires. UFO sightings. Alien invasions. Ghost stories. The zombie apocalypse. You don't have to look far to see that today's pop culture is becoming increasingly dominated by paranormal beings. Topics that once belonged to the fringes of the occult world have suddenly found their way onto every television channel and magazine cover. What does this mean for Christians? How do we respond to a culture saturated with the paranormal? In this compelling book, Dr. Timothy Dailey explores the counterfeit spirituality of the paranormal world. By confronting these phenomena head-on, Dailey exposes the dark truth behind these tales. MythBusters meets This Present Darkness in this gripping new book.--Peter Sprigg, senior fellow for policy studies, Family Research Council, Washington, D.C. In a world that fears an uncertain future, Dailey offers hope: a way back to the one true source of spiritual connection. The only one that can satisfy our souls. You will be surprised. Well written and well worth reading!--C. Fred Dickason, Th.D., professor emeritus, former chair of theology, Moody Bible Institute Dailey has taken on a difficult but very important subject and he has succeeded! Read the book, folks. Read the book.--Jim Valentine, director, Christian Apologetics: Research and Information Service A well-documented examination and a powerful refutation of this whole dangerous movement.--Walter A. Elwell, Ph.D., professor emeritus, biblical and theological studies, Wheaton College

Black on White David R. Roediger,2010-03-31 In this thought-provoking volume, David R. Roediger has brought together some of the most important black writers throughout history to explore the question: What does it really mean to be white in America? From folktales and slave narratives to contemporary essays, poetry, and fiction, black writers have long been among America's keenest students of white consciousness and white behavior, but until now much of this writing has been ignored. Black on White reverses this trend by presenting the work of more than fifty major figures, including James Baldwin, Derrick Bell, Ralph Ellison, W.E.B. Du Bois, bell hooks, Toni Morrison, and Alice Walker to take a closer look at the many meanings of whiteness in our society. Rich in irony, artistry, passion, and common sense, these reflections on what Langston Hughes called the ways of white folks illustrate how whiteness as a racial identity derives its meaning not as a biological category but as a social construct designed to uphold racial inequality. Powerful and compelling, Black on White provides a much-needed perspective that is sure to have a major impact on the study of race and race relations in America.

Spirit, Soul, and Body Andrew Wommack,2018-12-18 Have you ever asked yourself what changed when you were born again? You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: How could God love somebody like me? and How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough! Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

Reel Spirit Guides Gloria Hutchinson,2001-07 A spirituality guide highlighting video characters as mentors. Gloria Hutchinson [gives] parents, teachers. . .everyone a guide to the moral challenges movies contain. Under her wise probing we hear. . .the subtext of grace.--William J. Bausch, author of The Yellow Brick Road

Video Visionen Renate Buschmann,Jessica Nitsche,2020-04-30 Die Medienkunstagentur 235 Media hat seit ihren Anfängen in den frühen 1980er Jahren entscheidenden Einfluss auf die Entwicklung der Kunstsparte Video- und Medienkunst. Sie formierte sich nicht innerhalb des etablierten Kunstbetriebs, sondern aus Subkulturen heraus, auf der Basis von Medienutopien und in enger Verbindung zur Musikkultur jener Jahre. 235 Media war eine wichtige Anlaufstelle für viele Künstler*innen und hat sowohl Produktionsprozesse initiiert als auch kuratorische Konzepte entwickelt. Lange hat 235 Media als einziger Videokunstvertrieb in Deutschland eine Alternative zum traditionellen Kunstmarkt geboten. Die Beiträge des Buches stellen die damaligen Vertriebs-, Produktions- und Vermittlungsstrategien der Medienkunstagentur erstmalig systematisch und kunst- und mediengeschichtlich fundiert vor.

Video Source Book Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

Ghosts of the Tsunami Richard Lloyd Parry,2017-10-24 Named one of the best books of 2017 by The Guardian, NPR, GQ, The Economist, Bookforum, Amazon, and Lit Hub The definitive account of what happened, why, and above all how it felt, when catastrophe hit Japan—by the Japan correspondent of The Times (London) and author of People Who Eat Darkness On March 11, 2011, a powerful earthquake sent a 120-foot-high tsunami smashing into the coast of northeast Japan. By the time the sea retreated, more than eighteen thousand people had been crushed, burned to death, or drowned. It was Japan's greatest single loss of life since the atomic bombing of Nagasaki. It set off a national crisis and the meltdown of a nuclear power plant. And even after the immediate emergency had abated, the trauma of the disaster continued to express itself in bizarre and mysterious ways. Richard Lloyd Parry, an award-winning foreign correspondent, lived through the earthquake in Tokyo and spent six years reporting from the disaster zone. There he encountered stories of ghosts and hauntings, and met a priest who exorcised the spirits of the dead. And he found himself drawn back again and again to a village that had suffered the greatest loss of all, a community tormented by unbearable mysteries of its own. What really happened to the local children as they waited in the schoolyard in the moments before the tsunami? Why did their teachers not evacuate them to safety? And why was the unbearable truth being so stubbornly covered up? Ghosts of the Tsunami is a soon-to-be classic intimate account of an epic tragedy, told through the accounts of those who lived through it. It tells the story of how a nation faced a catastrophe, and the struggle to find consolation in the ruins.

Who's who in America ,1995

God and Donald Trump Stephen E. Strang,2017 An award-winning journalist who campaigned for President Trump during his election offers a powerful first-person account of one of the most contentious races in American history, with exclusive interviews and insightful commentary from the men and women who were there.

Your Immortal Self Tom Butler,2019-10-06 We Can Know the Nature of RealityOur understanding of the nature of reality is undergoing an important shift from mostly supposition and belief to actionable facts based on important developments in parapsychology and transcommunication. This means the emergence of new tools which are helping us better understand our nature and the nature of the world we live in.To be sure this shift involves theory and research, but it ultimately comes down to who we are and what we can become. The best way to describe this future paradigm is in terms of mindfulness and the middle way of mindful living. This is not the mindfulness of living in the moment based on the belief that we are our body. It is the mindfulness of experiencing life from the perspective of your immortal self.This book is written to show you the evidence of survival and the implications of that evidence as an important model for future research. While your personal progression depends a lot on understanding the evidence, the community sharing your journey is equally important. To help you learn where to look for help, a comprehensive survey of our paranormalist community is included.Mindfulness can lead to important growth in your ability to work with nature, to sense the subtle fields influencing your life and more confidently commune with your loved ones on the other side. But it is important to understand how this paradigm shift is changing our understanding of the phenomena of transcommunication and interconnectedness in our community. The last part of this book

includes a comprehensive discussion of the phenomena, including EVP-ITC, healing intention and mediumship transcommunication phenomena.

Night Photography Gabriel Biderman,Tim Cooper,2013-11-13 Are you a night owl looking to make stunning images of streetscapes, fireworks, or the night sky? Do you like to bend time with long exposure photography? Do star trails or lightning strikes inspire you? Then this book is for you! In Night Photography: From Snapshots to Great Shots, photographer Gabriel Biderman brings you the basics of digital night photography—exposure, composition, and light—and how to scout and capture different nocturnal locations once the sun goes down. Gabriel will help you understand the fundamentals and bring your unique artistic expression to any night situation. In this beautifully illustrated guide you will: Focus in the dark and master basic composition rules—and know when to break them Understand metering and switch to manual mode for more control over your exposure Set white balance, understand color temperature, and add flash or slow sync Explore color, light painting, and creative ways to play with light in your images Learn what gear works best for your style of shooting and strategies for operating your equipment in the dark Discover expert techniques for post-processing your nighttime images in Lightroom and Photoshop Beautifully illustrated with large, compelling photos, this book teaches you how to take control of your photography to get the image you want every time. And once you have the shot, show it off and join the book’s Flickr group: www.flickr.com/groups/night_fromsnapshotstogreatshots
