**Exodus** Cornelis Houtman, 1993 This HCOT volume completes Houtman's monumental commentary on the Book of Exodus. It covers the legal texts (the decalogue and the 'Book of the Covenant') and most of the Sinai narrative. Beside a detailed and deliberate interpretation it provides an invaluable guide to the literature and the issues. The treatment of the 'tabernacle chapters' is of particular interest. The corresponding sections about the instructions for and the making of each part of the tabernacle are discussed together and placed in side by side columns in the translation. 'This excellent study will certainly make history' - M. Vervenne in *Ephemerides Theologicae Lovanienses* 68 (1992) 409. '...a splendid work...' - J.W. Wevers in *Bibliotheca Orientalis* 52 (1995) 743. 'The learning assembled in this massive work will be invaluable to students of Exodus' - G.I. Davies in *Vetus Testamentum* 48 (1998) 572. Cornelis Houtman is Professor of Old Testament at the Theological University Kampen.

*Nave's Index-digest of the Holy Scriptures* Orville James Nave, 1900

**Nave's Topical Bible** Orville James Nave, 1897

**Nave's Topical Bible** Orville James Nave, 1990 Nave's Topical Bible, the best known of all topical bibles, has been a valuable Bible-study reference and a best-seller for more than 75 years. It is a comprehensive digest of over 20,000 topics and subtopics with more than 100,000 associated Scripture references. The most significant references for each topic actually include the full text of the verse cited--saving the need to separately look up each verse. Because Nave's groups verses by idea (or topic), it offers a better overview of relevant Scriptures than a concordance, which only lists or indexes verses according to specific words. This edition also includes the helpful Scripture

index (left out of some other editions), which makes it possible for the reader studying a particular biblical text to locate every topic and grouping of Scripture in Nave's whenever a particular verse is included. That way, it is possible for the reader to study either all the verses related to a particular topic or all the topics related to a particular verse--it works both ways. For the pastor or teacher interested in saving hours of time but not willing to give their second best, and for anyone wanting to be challenged by what God has to say about a given subject, Nave's Topical Bible is the passport that will allow immediate and successful entry to the many points of interest.
