Virtual Tour Photography for Real Estate Nathan Cool, 2020-06-07 With virtual tours on the rise in 2020, Nathan Cool's latest book is a timely resource showing how you can photograph, create, and host 360 virtual tours, in more ways than one. Using either inexpensive portable cameras or high-end DSLRs, Nathan shows the steps involved with 360 photography and how to optimize various techniques to fit your real estate photography business. Nathan covers gear, compositions, photography techniques, hosting services and options, editing practices, workflows, software, and pricing calculations to guide you through photographing and publishing 360 virtual tours. This book builds on techniques in Nathan's interior real estate photography book so that you can optionally incorporate flash and high-end editing for impressively impactful tours. By using the professional techniques in this seventh book in Nathan's real estate photography series, you can show your clients that when it comes to providing virtual tours, you're not a consumer with a camera; but instead, you're a pro.

The Software To Construct Virtual Tours Shakita Esparaza, 2021-05-24 A virtual tour is a visual tool that replicates the experience of visiting and walking through a property. Virtual tours, like video walk-throughs, 3D virtual tours, and interactive 360-degree virtual tours, allow prospective buyers to interact with the home and look at features in detail without having to be on-site and have become the norm along with using listing photos and floor plans. This book will take you on a step-by-step journey covering every aspect from equipment, taking your images to use different software packages to stitch your images and link them to create a personal Virtual Tour. Learn how to build a website and host your tours to share with

the rest of the world. Well here is your chance. This book is built to help a complete beginner who is new to photography to those with experience looking to take on a new specialism. The guide features step-by-step prompts alongside images, videos, and screenprints, therefore, giving a varied learning experience to enhance the learning process.

Designing Menus with DVD Studio Pro John Skidgel, 2012-11-12 Compared to other technologies like the television, VCR, and even personal computer, the rapid pace of DVD adoption is unprecedented. This information-packed book offers thorough instruction on how to build appealing DVD menus using the DVD Studio Pro toolset, a sophisticated, professional-level DVD authoring tool from Apple. The book features real-world tutorial projects that demonstrate how to get fast, professional results, add Hollywood features to a DVD, and streamline production while maintaining a creative edge. It also shows how to create a wide variety of menu styles, automate image production, customize menus, construct seamless motion menus, and much more. Written by two graphic designers with years of experience designing interfaces, Designing Menus with DVD Studio Pro is an informative companion to a high-powered piece of software.

DVD Studio Pro 3 Marc Loy, 2005 Explores features and functions of DVD Studio Pro 3, including menu creation, storyboarding, generating multi-angle tracks, providing multi-language support, mixing Dolby Digital 5.1 audio, and using scripting language.

Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals Hartsfield, Danielle E.,2021-06-25 Perspectives and identity are typically reinforced at a young age, giving teachers the responsibility of selecting reading material that could potentially change how the child sees the world.

This is the importance of sharing diverse literature with today's children and young adults, which introduces them to texts that deal with religion, gender identities, racial identities, socioeconomic conditions, etc. Teachers and librarians play significant roles in placing diverse books in the hands of young readers. However, to achieve the goal of increasing young people's access to diverse books, educators and librarians must receive quality instruction on this topic within their university preparation programs. The Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals is a comprehensive reference source that curates promising practices that teachers and librarians are currently applying to prepare aspiring teachers and librarians for sharing and teaching diverse youth literature. Given the importance of sharing diverse books with today's young people, university educators must be aware of engaging and effective methods for teaching diverse literature to pre-service teachers and librarians. Covering topics such as syllabus development, diversity, social justice, and activity planning, this text is essential for university-level teacher educators, library educators who prepare pre-service teachers and librarians, university educators, faculty, adjunct instructors, researchers, and students.
