Voice-Over Success Secrets Susan Berkley,2022-02-17 Voice-Over Success Secrets by Susan Berkley is a comprehensive handbook for starting and succeeding in a home-based voice-over business. In this revised, updated edition, you'll discover voice-over opportunities beyond the commercials you hear on TV, radio or on-line and why virtual technology has unleashed a flood of opportunity for all types of voices . You'll learn how the secret to voice-over success is so much more than having a great voice; it's knowing how to leverage the life skills and interests you bring to the table to succeed in one or more of 14 niche voice-over markets--from commercials to audio books, e-learning to documentaries and more. Do you know or suspect you've been given the gift of a great voice, and would you like the recognition and satisfaction of sharing that gift? Can you see yourself in your comfortable home studio, no dress code required, doing interesting and creative voice-over projects that feel more like play than work, voice-over projects you can be proud of? Would you enjoy an opportunity where no one is breathing down your neck -- where you get to work when and where you choose? As long as you have internet service, you can pack your laptop and microphone and do voice-overs from anywhere in the world. In Voice-over Success Secrets you'll discover how to set up an inexpensive home recording studio in a closet or corner of your room; how to sound like a pro with Susan Berkley's 4-step Perfect Performance method; easy vocal warm-ups; where to find the best customers for your voice-over business and a proven 7-step plan for getting started and succeeding in voice-over. Voice-Over Success Secrets is the perfect guidebook for anyone looking to add an additional stream of home-based income using your voice. It's the perfect money hobby for an active retirement and a satisfying and creative side-hustle for anyone who would enjoy reading audio books, narrating documentaries or voicing fascinating e-learning projects. Gone are the days of the old-fashioned announcer, and you no longer have to live in New York or LA to get started in the business. Today's voice buyers are looking to diversify their talent pool, casting trained beginners who sound natural, believable and conversational and are able to record broadcast quality audio from home.

Voice and the Young Actor Rena Cook,2015-02-06 Many high school theatre teachers do not have access to intensive voice instruction. Rena's book will fill that void. It is instructive, concise, easy to understand, and most importantly for the high school student, fun. High school teachers will find the book an invaluable voice and acting resource. It would be beneficial to all high school theatre programs to have Voice and the Young Actor as a textbook. Kim Moore, High School Teacher, Colorado There are thousands of students enrolled in school drama classes in yet very often young actors cannot be heard, are culturally encouraged to trail off at the ends of sentences, and habitually use only the lowest pitches of the voice. Drama teachers, frequently ask, How can I get my students to speak up, to be clear, to articulate? Voice and the Young Actor is written for the school actor, is inviting in format, language and illustration and offers clear and inspiring instructions. A DVD features 85 mins and 28 filmed voice workshop exercises with the author and two students. These students log their reflections in the book on what they have learned throughout their training and there is space for the reader to do the same. A workbook in format, Voice and the Young Actor provides simple, interactive vocal exercises and shows young performers how to take voice work into acting.

Voice Over!: Seiyu Academy, Vol. 10 Maki Minami,2015-04-07 A new series by the author of the best-selling S•A! Hime Kino's dream is to one day do voice acting like her hero Sakura Aoyama from the Lovely ♀ Blazers anime, and getting accepted to the prestigious Holly Academy's voice actor department is the first step in the right direction! But Hime's gruff voice has earned her the scorn of teachers and students alike. Hime will not let that stand unchallenged. She'll show everyone that she is too a voice acting princess, whether they like it or not!! Hime is really excited about her new role in the hot anime series Cruel Octalia. But the fan response (including from her friends!) is just lukewarm. Hime knows she needs to do more research into the character, but recent events have made her too confused to go to the best source of help—Senri Kudo!

Sound Advice Dan Friedman,2010-08 Writing about sound is not an easy task. I've heard it compared to explaining visual art to the blind. However, after years of working with voiceover talent, being asked the same questions and dealing with the same issues, I was inspired to give it a try. I've written this book to give you a sound engineer's perspective on your career as a voiceover talent. In this book I've tried to provide you with basic information about audio and equipment that is taught in recording schools. Hopefully, this information will provide a foundation for you to get to know your equipment better and understand how it works. Understanding your audio equipment is critical to helping you sound your best as well as helping you effectively communicate with those trying to help you when problems occur. I've also tried to address proper studio etiquette and many of the bad practices I've seen, heard and experienced from voiceover talents over the years. My intention is not to scold or criticize, but simply to provide those of you who are new to the business with information you may not know, and also to shed light on some mistakes that many of you, who have been in the business for awhile, may not know you are making. This book is not about how to read scripts or how to be a successful voiceover

artist. This book compliments the many books that have been written about those topics. You may find it helpful to sit in front of your equipment as you read through some of the sections. Follow the procedures I describe and learn what the microphone, knobs, faders and other various elements in your studio can do. Most importantly, open your ears and really listen. Listen to how you sound and learn what you can do to bring out the best in your voice. I am passionate about what I do and I know most of you are too. This is a great business. Thank you for reading my book, I hope you find it helpful and enjoyable.

The Art of Voice Acting James Alburger,2014-08-27 From basic acting techniques and exercises for keeping the voice in top condition, to marketing and promotion of the actor, The Art of Voice Acting covers it all.
