The American Hereford Record and Hereford Herd Book American Hereford Cattle Breeders' Association,1917
Improving Community Health and Safety Through Service Learning Erin Staley,2014-12-15 The service-learning movement integrates community service with meaningful instruction and learning. One of the most rewarding aspects of service learning is the good feeling participants get from giving back to their communities at large, and a key way to give back is through improving community health and safety. This book explains the core principles of service learning and how to translate these values into programs that focus on public health and safety. Both domestic and international initiatives are discussed, and simple steps are laid out to encourage readers to get involved—both in their own backyards and across borders.

The Fighter's Body Loren W. Christensen,Wim Demeere,2003 You have an owner's manual for your car, your stereo and even your blender, so why not your body? The Fighter's Body is exactly that, an owner's manual for your body, the most complex piece of equipment you will ever own. As a martial artist, you have special needs. Have you ever wondered how that latest fad diet might affect your performance on the mat? Ever wanted to take off a few extra pounds? How about putting on muscle without slowing down? Make weight for a tournament? Lose 5 pounds fast? Eat better? Change weight classes? Confused about supplements, vitamins and protein shakes? Can't make sense of the food pyramid? Don't know where to start? Start here. Author Loren Christensen and personal trainer Wim Demeere combine their knowledge of martial arts, weight training, nutrition, diet and exercise to answer your questions and put you on the road to becoming the best martial arts athlete you can be. This book will answer your questions about important topics including: Why some diets are harmful for martial artists; How to calculate your protein needs for training; When and how to use supplements; How to eat at fast food places and not ruin your diet; Why it's okay to splurge on Dirt Day; How to safely make weight for a tournament; Why HIIT training is essential to weight loss; What to eat on competition days; How to create a plan that works and stick to it.

Agricultural Productivity in the U. S. Mary Ahearn,2008-05 Increased productivity is a key to a healthy & thriving economy. Agriculture has been a very successful sector of the U.S. economy in terms of productivity growth. Agricultural productivity growth has been an important source of U.S. economic growth throughout the century, but the years since 1940 have seen an even faster growth in agricultural productivity. The annual average increase in productivity from 1949 to 1994 was 1.94%. This report describes changes in U.S. agricultural productivity, & its output & input components, for 1948-94. The report also discusses factors that have affected productivity trends & provides detailed, technical information about the USDA system for calculating productivity. Charts & tables.
