

Vox Populi Vox Dei 10

Jaron Lanier

Vox populi vox Dei, a complaynt of the comons against taxes [in verse]. Vox,1821

Vox Populi, Vox Dei. From the Solemnity of the Chevalier's Birth, the Moral Impossibility of Putting an Impostor on the Nation After the Manner Pretended ... ,1719

Vox Populi George Boas,2020-02-03 Originally published in 1969. The proverb vox populi, vox Dei first appeared in a work by Alcuin (ca. 798), who wrote that the people [] are to be led, not followed. [] Nor are those to be listened to who are accustomed to say, 'The voice of the people is the voice of God.' Tracing the changing meaning of the saying through European history, George Boas finds that the people are not an easily identifiable group. For many centuries the butt of jokes and the substance of comic relief in serious drama, the people became in time an object of pity and, later, of aesthetic appeal. Popular opinion, despised in ancient Rome, was something sought, after the French Revolution. The first essay documents the use of the titular proverb through the eighteenth century. In the next six essays, Boas attempts to determine who the people were and how writers and philosophers have regarded them throughout history. He also examines the people as the creators of literature, art, and music, and as the subject of others' artistic representations. In a final essay, he discusses egalitarianism, which has given a voice to the common person. Animating Boas's account is his own belief in the importance of the individual's voice—as opposed to the voice of the masses, which is by no means necessarily that of God or reason.

Ten Arguments for Deleting Your Social Media Accounts Right Now Jaron Lanier,2018-05-29 AS SEEN IN THE NETFLIX DOCUMENTARY THE SOCIAL DILEMMA A WIRED ALL-TIME FAVORITE BOOK A FINANCIAL TIMES BEST BOOK THE CONSCIENCE OF SILICON VALLEY- GQ “Profound . . . Lanier shows the tactical value of appealing to the conscience of the individual. In the face of his earnest argument, I felt a piercing shame about my own presence on Facebook. I heeded his plea and deleted my account.” - Franklin Foer, The New York Times Book Review “Mixes prophetic wisdom with a simple practicality . . . Essential reading.” - The New York Times (Summer Reading Preview) You might have trouble imagining life without your social media accounts, but virtual reality pioneer Jaron Lanier insists that we’re better off without them. In Ten Arguments for Deleting Your Social Media Accounts Right Now, Lanier, who participates in no social media, offers powerful and personal reasons for all of us to leave these dangerous online platforms. Lanier’s reasons for freeing ourselves from social media’s poisonous grip include its tendency to bring out the worst in us, to make politics terrifying, to trick us with illusions of popularity and success, to twist our relationship with the truth, to disconnect us from other people even as we are more “connected” than ever, to rob us of our free will with relentless targeted ads. How can we remain autonomous in a world where we are under continual surveillance and are constantly being prodded by algorithms run by some of the richest corporations in history that have no way of making money other than being paid to manipulate our behavior? How could the benefits of social media possibly outweigh the catastrophic losses to our personal dignity, happiness, and freedom? Lanier remains a tech optimist, so while demonstrating the evil that rules social media business models today, he also envisions a humanistic setting for social networking that can direct us toward a richer and fuller way of living and connecting with our world.

Motel of the Mysteries David Macaulay,1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of then on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

Popular Opinion in the Middle Ages Charles W. Connell,2016-10-24 Was there a “Public” and did it have a voice in the Middle Ages? This work examines how the concept of “vox populi” evolved in the midst of popular movements such as the Peace of God, saints’ cults, heresy and the crusades and influenced the rising public cultures of Europe from 950-1400.

Interior States Meghan O'Gieblyn,2018-10-09 Winner of The Believer Book Award for Nonfiction Meghan O'Gieblyn's deep and searching essays are written with a precise sort of skepticism and a slight ache in the heart. A first-rate and riveting collection. --Lorrie Moore A fresh, acute, and even profound collection that centers around two core (and related) issues of American identity: faith, in general and the specific forms Christianity takes in particular; and the challenges of living in the Midwest when culture is felt to be elsewhere. What does it mean to be a believing Christian and a Midwesterner in an increasingly secular America where the cultural capital is retreating to both coasts? The critic and essayist Meghan O'Gieblyn was born into an evangelical family, attended the famed Moody Bible Institute in Chicago for a time before she had a crisis of belief, and still lives in the Midwest, aka Flyover Country. She writes of her existential dizziness, a sense that the rest of the world is moving while you remain still, and that rich sense of ambivalence and internal division inform the fifteen superbly thoughtful and ironic essays in this collection. The subjects of these essays range from the rebranding (as it were) of Hell in contemporary Christian culture (Hell), a theme park devoted to the concept of intelligent design (Species of Origin), the paradoxes of Christian Rock (Sniffing Glue), Henry Ford's reconstructed pioneer town of Greenfield Village and its mixed messages (Midwest World), and the strange convergences of Christian eschatology and the digital so-called Singularity (Ghosts in the Cloud). Meghan O'Gieblyn stands in relation to her native Midwest as Joan Didion stands in relation to California - which is to say a whole-hearted lover, albeit one riven with ambivalence at the same time.

Interreligious Encounters in Polemics Between Christians, Jews, and Muslims in Iberia and Beyond Mercedes García-Arenal,Gerard Albert Wiegers,Ryan Szpiech,2019 This book focuses on polemical religious texts of Iberia's long fifteenth century, a period characterized by both social violence and cultural exchange. It highlights how polemical texts often reveal the interconnected nature of social and cultural intimacy, promoting dialogue and cultural transfer.

RIGHTEOUS INDIGNATION Joe Creech,2010-10-01 Righteous Indignation uncovers what motivated conservative, mostly middle-class southern farmers to revolt against the Democratic Party by embracing the radical, even revolutionary biracial politics of the People’s Party in the 1890s. While other historians of Populism have looked to economics, changing markets, or various ideals to explain this phenomenon, in Righteous Indignation, Joe Creech posits evangelical religion as the motive force behind the shift. This illuminating study shows how Populists wove their political and economic

reforms into a grand cosmic narrative pitting the forces of God and democracy against those of Satan and tyranny, and energizing their movement with a sacred sense of urgency. This book also unpacks the southern Protestants’ complicated approach to political and economic questions, as well as addressing broader issues about protest movements, race relations, and the American South.

The Collected Works of Samuel Taylor Coleridge, Volume 10 Samuel Taylor Coleridge,2015-03-08 Based on a comparison of early editions, manuscripts, and copies annotated by the poet himself, this edition provides a reliable text of Coleridge's last prose work, first published in 1830. Originally intended to influence public opinion on the Catholic Emancipation Bill of 1829, the work became a brief but brilliant synthesis of Coleridge's political and theological thought, whose influence extended well beyond the nineteenth century. John Colmer's introduction and notes place the work in its literary and historical context and they illuminate Coleridge's process of composition and the development of his ideas on Church and State. John Comer's introduction and notes place the work in its literary and historical context and they illuminate Coleridge's process of composition and the development of his ideas on Church and State. Originally published in 1976. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Vox Christina Dalcher,2019-07-16 THE NATIONAL BESTSELLER • ONE OF ENTERTAINMENT WEEKLY'S AND SHEREADS' BOOKS TO READ AFTER THE HANDMAID'S TALE “[An] electrifying debut.”—O, The Oprah Magazine “The real-life parallels will make you shiver.”—Cosmopolitan Set in a United States in which half the population has been silenced, Vox is the harrowing, unforgettable story of what one woman will do to protect herself and her daughter. On the day the government decrees that women are no longer allowed more than one hundred words per day, Dr. Jean McClellan is in denial. This can't happen here. Not in America. Not to her. Soon women are not permitted to hold jobs. Girls are not taught to read or write. Females no longer have a voice. Before, the average person spoke sixteen thousand words each day, but now women have only one hundred to make themselves heard. For herself, her daughter, and every woman silenced, Jean will reclaim her voice. This is just the beginning...not the end. One of Good Morning America's “Best Books to Bring to the Beach This Summer” One of PopSugar, Refinery29, Entertainment Weekly, Bustle, Real Simple, i09, and Amazon's Best Books to Read in August 2018

Station Eleven Emily St. John Mandel,2014-09-09 NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • A PEN/FAULKNER AWARD FINALIST • Set in the eerie days of civilization’s collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. • Now an original series on HBO Max. • Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band’s existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel’s bestselling new novel, Sea of Tranquility!

Contemplation and Incarnation Christophe F. Potworowski,2001 Marie-Dominique Chenu was a key figure in the re-vitalization of theology and renewal of the Church that culminated in the Second Vatican Council. He successfully combined a return to the medieval sources of theological reflection with a new sensitivity t
