The Grand Continuum David A. White,1983-01-15 The assumptions that literary criticism and philosophy are closely linked—and that both disciplines can learn much from each other—lead David White to examine key passages in James Joyce’s novels both as a philosopher and as literary critic. In so doing, he develops a thesis that Joyce’s attempt to capture the mysterious process whereby perception and consciousness are translated into language entails a fundamental challenge to everyday notions of reality. Joyce’s stylistic brilliance and virtuosity, his destruction of normal syntax and meaning, “shock one into a new reality.” In the book’s final section, White examines the subtle relation between literary language and human consciousness and traces parallels between Joyce’s stylistic experimentation and Wittgenstein’s and Husserl’s ideas about language.

Darling Venom Parker S. Huntington,2021-12-10 From Wall Street Journal bestseller Parker S. Huntington comes a broken love story laced with angst and forbidden romance.I wasn't supposed to be on that roof on Valentine's Day.Neither was Kellan Marchetti, the school's designated freak.We met on the verge of ending our lives.Somewhat, the tattered strings of our tragedies tangled and tightened into an unlikely bond.We decided not to take the plunge and agreed to check on each other every Valentine's Day until school ended. Same time. One roof. Two restless souls. We kept our promise for three years. On the fourth, Kellan made a decision, and I was left to deal with the consequences. Just when I thought our story ended, another one began. They say all love stories look the same and taste different. Mine was venomous, disgraceful, and written in scarlet scars. My name is Charlotte Richards, but you can call me Venom.
