But for now, all Theo wants is a perfect prom night. After his best friend Jay dares Theo to prompose to his crush at

Chloe Campbell's party, Theo's ready to throw caution to the wind and take his chances. But when the promposal goes epically wrong, Theo seeks refuge in an empty bedroom while the party rages on downstairs. Having an existential crisis about who he really is with and without his so-called best friend wasn't on tonight's agenda. Though, as the night goes on, Theo finds he's not as alone as he thinks when, one by one, new classmates join him to avoid who they're supposed be outside the bedroom door. Among them, a familiar acquaintance, a quiet outsider, an old friend, and a new flame . . .

I Walk Alone Wren Handman, 2021-06-29 Wren Handman's exciting sequel to *In Restless Dreams* will dazzle fans of Michelle Madow, Elise Kova and Cassandra Clare's *The Mortal Instruments* with sharp wit, irresistible romance, and an expansive, unforgettable world. hr As the Phantasmer, Sylvia brought order to the Fairy courts. Now, if only she could reign over the chaos in her own life... It's been three months since Sylvia used her powers to rewrite the ruling structure of Fairy, dismantling the Seelie and Unseelie courts. Recovered from her injuries, she's back at school and struggling to balance her "real" life against the much more immediate (and exciting) world that magic has to offer. Not to mention the distraction of her utterly hot and completely fish-out-of-water boyfriend. But in Fairy, there are rumblings that an ancient prophecy is on the cusp of fruition. "Beware the coming of the one who should not have been, for he

shall bring with him the end of days. Take back the mantle, or all will be lost." Will Sylvia be able to uncover the truth behind the prophecy, learn how to use her ever-growing powers without risking her relationship, and convince her best friend Fiona that it's not weird that her boyfriend is a thousand years old? It won't be easy.

Walk the Darkness Down Daniel Magariel, 2023-08-01 A stunning novel with sentences like burning flags (Annie Proulx) about a couple trying to rebuild their lives in their deteriorating coastal town. Up all night, Marlene drives the highways and back roads near her home in hopes that some landmark will spark an image of her daughter, one untainted by years of grief. Her husband Les steams out to sea in his effort to cope. He is a commercial fisherman on a boat staffed up with desperate loners and shape-shifting friends obliterating their bodies in two-week shifts of crushing labor. The couple keep their pain hidden from each other, and most of their lives separate. But as Les comes under threat on the trawler and Marlene's drives lead her into a tangled friendship with a local sex worker whom she becomes determined to protect, the couple is forced to acknowledge that they can no longer face their troubles alone. A powerful descent into an ink-black whirlpool of obsession and isolation on the turbulent eastern seaboard, *Walk the Darkness Down* is an unflinching portrayal of love in the margins of twenty-first century America. It is a fierce, beautiful testimonial to a couple's struggle to survive both the past and the present, and to chart a new path into the future.

Legitimate Wife at Home Hui

WuGongDeXiaoHuLi, 2020-05-22 Guo Jingjing only wanted to be a proper traffic police officer with proper manners and strict law enforcement, but on the first day he had offended someone he shouldn't have, and on the second day he had left his post with honor. Just as Guo Jingjing was about to return to his hometown and farm his land, a group of men in black tied him up and

accidentally sent him to He Fanxing's bed. He originally thought it was just a ridiculous night, but his body was different from that of an ordinary person. Guo Jingjing: He Fanxian, I don't like you at all, why did you marry me? He Fanxing smiled indifferently. It's alright, we can first marry and then love. Moreover, your current body needs someone to take care of it, right? One year later Guo Jingjing: He Fanzhang, you don't like me at all. Why don't you divorce me? Who said I don't like you? Do not like who will accompany you to live in the backwater for more than half a year!

Paradise Walk Shirley Goulden, 2012-04-27 Jen Templeton Jay is a wealthy New England socialite when she leaves home to become a writer. To help her screenwriting career, she moved to California and made the acquaintance of charming film director Dem Dmitri. Dem is married, however, and their affair does not materialize until they met again at a museum in London, where Jen is researching a Georgian romance novel. Free from his wife's proximity, Dem starts an affair with Jen. Meanwhile, Jen has begun to write. Her novel will be historical romance, and it will feature British socialite Elizabeth Ollernshaw Cullen, who just happens to fall in love with a penniless actor named Jack Kincaid. Back in real life, Dem leaves Jen brokenhearted. Unable to hide from the truth in her fiction, Jen tries to kill herself and wakes up in a London clinic. On the road to recovery, she seems to be doing well except she hears things, like the sound of rustling leaves, when no leaves are rustling. Meanwhile her novel continues to grow, set in the current location of the London clinic once known as the Marylebone Pleasure Gardens, where ladies promenaded in skirts that sounded oddly of rustling leaves. Perhaps Jen's failed love story can be healed through the love of her characters or perhaps not.

Walk This Way Duncan McNamara, 2023-09-07 Following an unexpected discovery during a bout of lockdown-inspired spring cleaning, Duncan McNamara, soon to turn 30, leaves a distinctly average academic career for the Camino de Santiago, an ancient and dangerous trail of 500 miles across Spain's Pyrenees

Mountains. He carries only a rucksack of largely useless items, and while not particularly religious, begins to count himself among the saints, sinners and scholars who have hiked the scrubland before him. His sole purpose, like theirs, is to reach the end and kneel before a Saint. Absurd, sensual and deeply poignant, the world of *The Way* provides a fascinatingly personal series of incidents to match Duncan's idiosyncratic path. Readers, who have no idea what they're getting themselves into, will find themselves cheering for this first-person adventure filled with unlikely detours.

The Lime Walk Noble, 2010 1815. Almost seventy years earlier, Ralph Challiss acquired the Uppham estate on the turn of a card. Caring for it has brought his son Thomas Challiss to an early death. His grandson George Challiss can't wait to be rid of it. Born at Uppham in 1795, a penniless ex-guardsman Thomas Roberts, formerly with Wellington's Army of Alliance, is determined to gain possession of Uppham, where he hopes to create a dynasty with Mary Emma Kay. Set during the economic depression that followed the Battle of Waterloo, *The Lime Walk* gives a closely observed picture of how the Challisses of Uppham and their neighbours cope with living in turbulent times in an isolated Norfolk village which is threatened by angry, disillusioned bread-rioters. Regency life is clearly portrayed: a privileged few, an endless tide of returning servicemen, massive unemployment, food shortages, the desperation of the homeless and the violent anger of the dishonestly dispossessed. It is a period minus the comforts, technological advantages and modern welfare system available to the majority of Britons in the twenty-first century. Readers who enjoy a palatable approach to social history painted with a light touch, who relish an absorbing story and prefer their history sweetened with more than a dash of romance will love *The Lime Walk*.
