Gregory McEwan

A Bucket of Prop Wash Gaelord O'Neal,2003-08 Peter Drake is a rare and honest politician. Hampered by being too naive, he is faced with challenges throughout his life, brought on by one man, and a wife whose beauty tempts his best friend to destructive obsession. The adored politician lives what most call a charmed life. But most don't have the threat of Pat Casey. Patrick Casey, the Irish mobster, has no qualms about killing. He is a man who stops at nothing to obtain anything or anyone. Childhood friends with the now honest politician that is determined to see him in prison, the mobster has resolved to win the game, and collect the spoils. Ronald Goldman preys on the naiveté of his best friend while offering a world of riches to a cold and cruel criminal. With a lifelong desire for his prey's wife, the lawyer knows to settle for less, until both the time and woman are ripe. His challenge is being smart enough to stand between the two rivals and come out as king. Follow this engrossing tale of the dangers of living with the temptation of success at all cost. There's no guarantee who will be on top after a Life of Lies.

Wash Belly Gregory McEwan,2006-07 Wash Belly is a nostalgic look into the childhood of Gregory McEwan, author of Freedom City and HOMORIA. Back in Jamaica, the youngest child is usually known as the Wash Belly of the family, and being the last of several children, Gregory was indeed Mommy's Wash Belly. With his parents living in Canada for most of the earlier years of their lives, Gregory and his older siblings resided with their adopted grandparents, Banka, and Miss Dell. Life within the Longmore home had its ups and downs, but the closely bonded siblings had one common goal - they all dreamed of moving to Canada one day. Wash Belly will take you back to the 70's - back to Trelawny, Jamaica; in a little house filled with laughter, good times, tears, and sorrow...

Crossings Alex Landragin,2020-07-28 A sparkling debut. Landragin's seductive literary romp shines as a celebration of the act of storytelling. —Publishers Weekly Romance, mystery, history, and magical invention dance across centuries in an impressive debut novel. —Kirkus Reviews (Starred Review) Deft writing seduces the reader in a complex tale of pursuit, denial, and retribution moving from past to future. Highly recommended. —Library Journal (Starred Review) Alex Landragin's Crossings is an unforgettable and explosive genre-bending debut—a novel in three parts, designed to be read in two different directions, spanning a hundred and fifty years and seven lifetimes. On the brink of the Nazi occupation of Paris, a German-Jewish bookbinder stumbles across a manuscript called Crossings. It has three narratives, each as unlikely as the next. And the narratives can be read one of two ways: either straight through or according to an alternate chapter sequence. The first story in Crossings is a never-before-seen ghost story by the poet Charles Baudelaire, penned for an illiterate girl. Next is a noir romance about an exiled man, modeled on Walter Benjamin, whose recurring nightmares are cured when he falls in love with a storyteller who draws him into a dangerous intrigue of rare manuscripts, police corruption, and literary societies. Finally, there are the fantastical memoirs of a woman-turned-monarch whose singular life has spanned seven generations. With each new chapter, the stunning connections between these seemingly disparate people grow clearer and more extraordinary. Crossings is an unforgettable adventure full of love, longing and empathy.

Scandal Kate Brian,2012-11-08 In the 11th Private Reed has arrived back to Easton after her harrowing kidnapping to the worst thing she can think of - Billings has been torn down. Finally, after years of controversy from the administration, the school's wealthiest female alumni have been overruled and the historical dorm is gone from Easton Academy.
