My Home Budget Journal Simple Planners and Workbooks, 2017-02-18 My Home Budget Journal

is different than many other types of budget books. This budget planner focuses on budgeting from a weekly perspective. Budget your bills, savings and other goals based on your upcoming paycheck or projected paychecks. **Choose from a variety of different covers. Check out our other books to find your favorite one. You can budget one week at a time if your paycheck changes often, or plan several weeks ahead. Use pencil if you suspect things will change or create a general budget and make adjustments needed. The journal is set up to help you focus on week-by-week budgeting for 4-6 weeks at a time. The main worksheet in the book has a top section for weekly income. List your income, your spouse's income and any additional income you have coming in. There is an income total so you know exactly what is projected to come in each week. If you have more than five streams of weekly income, we recommend adding all of these incomes together and then listing the total for all of these in the Other Income section. The template also has up to 15 sections for you to fill in your expenses on a weekly basis. Include everything from groceries, to gas and other bills that you plan on paying only on

that particular week and date when the money comes in. Many people will have several blank sections and this is great because that means you don't have as many weekly bills as you think. Some weeks might be more packed with bills and expenses than others. Each page of the bill worksheet has a place for notes and reminders as well. Write down reminders such as: Finish your taxes, buy Girl Scout cookies from Bethany's friend or time to buy clothes this week. This worksheet is fully customizable so feel free to fully utilize it so that you can stop on top of your bills and expenses. As you progress through the book you'll also find sections for financial goals and additional pages for journaling. This book is designed to encourage you to progress on your financial journey and reach new milestones such as buying a home, buying a car, investing, saving for vacations and more. Studies have shown that writing down goals and journaling helps us to take action and truly manifest what we want in life. You can start out having just a few goals and then add more as progress through the journal. New goal worksheets and journal pages are found after a series of 6 weekly budget worksheets. Additional goal worksheets and lined pages are also found at the end of the journal. We

like to use this section at the back for more long term financial goals. We hope this book meets your needs. This book does NOT have pockets or tabs like some bill organizers and planners. Please click on the Look Inside feature to make sure this weekly budget journal is right for you. :) ***We also make this book with several different cover styles. Check out our other books to find a cover that meets your personal style preferences. Have a great day!

Stonewall Jack Fritscher,2009 At Stonewall, Jack Fritscher wrote, gay character changed. In June 1969, the legendary Stonewall Rebellion in New York's Greenwich Village began the national gay civil rights movement. Fritscher, one-time lover of Robert Mapplethorpe and early intimate of elegant Picasso biographer and Vanity Fair author John Richardson, is the highly acclaimed novelist, award-winning historian, and polished prose stylist. His best-selling *Some Dance to Remember: A Memoir-Novel of San Francisco 1970-1982* pairs perfectly with his nonfiction tour de force *Gay San Francisco* as roots landmarks in gay literature. The Advocate said that Fritscher writes...wonderful books and that he made the Castro mythic. In his fiction collection celebrating Stonewall turning forty, Fritscher-turning seventy-unreels nine perfectly crafted stories introduced by literary critics Richard Labont of *A Different Light* and by Mark Thompson of The Advocate. Labont A sterling collection...perfectly catches our bitchy bravura. Thompson: Hilarious, exquisite, empowering stories about how fabulous we are. Editor

Mark Hemry selected the tales in this edition to show, first, how Stonewall affected gay culture (on the Gay Axis connecting Stonewall to San Francisco), and, second, how Fritscher in the West Coast school of writing helped build the national aftermath of the East Coast Stonewall. Among fellow authors such as Armistead Maupin, Edmund White, Felice Picano, and the pseudonymous Andrew Holleran, Fritscher is the eldest and the first published (1950s) and is the only lifelong magazine editor, journalist, and photographer. His truly distinctive contribution to GLBT literature has been his widening—precisely with his recurrent themes of humanism and eros—the liminal diversity of the gay literary canon in books such as his controversial memoir of his affair with the much-damned photographer Robert Mapplethorpe in *Mapplethorpe: Assault with a Deadly Camera*. Stonewall surveys the fictive essence of his 50-year career capturing the character, dialogue, and nuance of the gay culture whose emotional curves he loves. Willie Walker, founder of the GLBT Historical Society of San Francisco, has observed: Fritscher is a prolific writer who since the late 1960s has helped document the gay world and the changes it has undergone. Guided by a rather good sense of gaydar in this new collection,

Fritscher celebrates gay drama and diversity and brilliant gay voices in these nine tales scanning the curvature of the gay Earth--from the 1906 earthquake in Meet Me in San Francisco through the 1969 Stonewall rebellion up to gay marriage in Mrs. Dalloway Went That-A-Way. Recommended for public and academic libraries, and for special collections of gay literature and GLBT studies, as well as for coffee-house, commute, vacation, and bedside reading. 'Stonewall' is pitch-perfect. Thomas Long, editor, Harrington Gay Men's Fiction Quarterly, University of Connecticut
