**The Digital NBA** Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA. Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century. As fans around the world stream games and other league content, NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil, China, and beyond. Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good. A timely look at a dynamic media landscape, *The Digital NBA* shows how the games we love became content first and sport a distant second.

**Cuffs and Spurs Collection** Anya Summers, 2019-05-23 Welcome to Cuffs & Spurs... In the city of Jackson Hole, Wyoming, at the edge of civilization, is the Cuffs & Spurs lifestyle club. Where the men are rugged, forged by the elements, and cowboy masters of seduction. Where the women they meet are feisty, headstrong, and courageous enough to enter their Dom's world, taking a chance to submit to the one man they find they cannot live without. This is the complete collection of the original eight full-length sultry, steamy Western romances. It includes... *HIS UNEXPECTED LOVE: Jenna & Carter*, *The Beginning* Carter has been invited to *Pleasure Island*, a lifestyle themed resort on a private island in the Bahamas. His plans for the week include indulging in the finer points of life - mainly bedroom activities,

and lots of it. He's a man used to dominating a woman in every way imaginable, and then receiving praise and thanks from his selected bed mate for his prowess. That all changes when he runs into Jenna. HIS SCANDALOUS LOVE Carter is a simple man. He loves his ranch, his horses, and dominating women in the bedroom. Yet for the past year, he has become a monk. And all because of Jenna, a woman he had an unforgettable week with a year ago, who vanished from his life without a trace and left him reeling. When he discovers Jenna practically on his doorstep, Carter moves heaven and earth to draw her back into his life. HIS WICKED LOVE Mason is in a pickle. He and his brother are the co-owners of the Black Elkhorn Lodge and Resort. Their dream stands at the precipice of utter ruin because their previous chef embezzled every dime of savings they had. In a last-ditch effort to save his business from the brink of annihilation, Mason hires a new chef for their restaurant; sight unseen. Nothing can prepare him for Emily, the red-haired siren who waltzes into his resort, carting a set of chef knives and demanding to see her new kitchen. HIS UNTAMED LOVE Visiting the Black Elkhorn Lodge and Resort is Mia's last option. She's bordering on a nervous breakdown. And, to make matters worse, she has the foulest case of writer's block in the history of the world. But she isn't prepared for the surly, sexy cowboy - who looks like her every dark fantasy come alive - riding into her life on his trusty steed. Cole has only loved one woman in all his thirty-five years, until he lost her forever and swore he would never love another. That is, until Mia Evans, the burned-out, anxiety ridden author, needing to get away from her real life, nearly runs him over with her car. HIS TEMPTING LOVE Cora has a plan: move to a new town and make a better life for herself and her son. As a single mom, she's not looking for a relationship

of any kind. But then she never expected to have the sexy Garrett offer her a night of uninhibited pleasure with no strings attached. Garrett never expected Cora's surrender to his touch to be so sweet - or tempt him to want more than just a single night. HIS SEDUCTIVE LOVE Layla never imagined living in Jackson Hole until she inherited her grandfather's veterinary practice. But at least there's a lifestyle club available where she can get her so-not-vanilla needs met. And yet, there isn't a single cowboy at the club who makes her stop and take notice... until the night she gets called in for an emergency at Hunt Trail Rides and runs into the owner. He's big and brawny, looking more like a throwback to a Scottish raider than a modern-day cowboy. And then there's the little fact that he kisses her brainless in under five seconds. That has to be a world record. HIS SECRET LOVE (plus Bonus Scene) Meghan has a plan for her life, and it does not involve falling in love. She doesn't have the time, nor the inclination. She's too busy trying to save the world. But when a freak snowstorm puts her in the path of a man she has secretly been fascinated with for years, she is forced to reconsider her stance on dating. Spencer is rude and obnoxious, with his bad boy swagger, but then he rescues her when she gets stranded on the side of the road, like a knight in tarnished armor, and sweeps her away to his house to ride out the blizzard. As the storm rages around them, they surrender to a passion hotter than the sun. HIS CHERISHED LOVE Rayna's entire life is a lie. She avoids relationships as if they were the plague - mainly because the people who get close to her wind up dead. And yet her newest next door neighbor, the sexy, stoic Jack, is making her want to break all her rules. The problem is, he's a cop, and she doesn't know how long it will take before her past catches up to her and all her

secrets are revealed. Publisher's Note: This steamy collection of eight full-length novellas includes themes of power exchange.

In Search of Alan Gilzean James Morgan, 2010-09-07 NOMINATED FOR BEST FOOTBALL BOOK OF 2010 IN THE BRITISH SPORTS BOOK AWARDS True greatness does not feel the need to proclaim itself from the rooftops. It is happy to state its case quietly, yet with utter conviction. Alan Gilzean was a truly great footballer. Every observer of his talent confirms this as an indisputable fact: from the legendary Jimmy Greaves, who regards him as the best striker he ever played with, to Don Revie, the former Leeds United and England manager, who described the former Tottenham striker as the best touch player

in Europe, and Spurs fans whose spine-tingling refrain, Gilzean, Gilzean, Born is the King of White Hart Lane, continues to echo down the generations. It is now 36 years since Gilzean retired from professional football and his life and times have become shrouded in mystery and rumour. All that exists are the memories of his greatness ... but how long before even those are forgotten forever? After fans on Tottenham Hotspur online forums claim that Gilzean is living as a down-and-out, James Morgan, a lifelong Spurs fan and sports journalist with The Herald, Scotland's leading quality newspaper, is filled with a fierce desire to separate fact from fiction and sets out on a journey In Search of Alan Gilzean.

**Shirts, Shorts and Spurs** Roy Reyland, 2011-07-04 This insightful and often hilarious romp charts the dramatic ups and downs of Tottenham Hotspur, as seen through the eyes of one of its most unlikely heroes: Roy Reyland, the local kit man who served the club for almost 30 years. From inside the dressing room and on the bench, Roy has witnessed the agony and the ecstasy of three decades of seasons at Tottenham Hotspur. He looked after Spurs' famous lilywhite shirts for an incredible 1,397 matches, home and away, including 12 dramatic cup finals. Working under 17 managers—from Keith Burkinshaw to Martin Jol—he visited

Wembley more times than many of the brightest stars of the Premiership. And, of course, he worked closely with some of White Hart Lane's greatest ever players--from Ardiles and Gazza to Klinsmann and Ginola. As the club's unofficial agony aunt, Roy has seen the tears and the triumphs, the dressing-room pranks, and has a unique insight into the inner workings of the legendary Premiership side. He has seen it all, and his story is one of total devotion to the club.

**Riata and Spurs** Charles A. Siringo, 1927

**Riata and Spurs** Charles Angelo

Siringo, 2007-04-15 In his introduction to the 1927 edition of *Riata and Spurs*, Gifford Pinchot said that Charlie Siringo's story of his life is one of the best, if not the very best, of all books about the Old West, when cowpunchers actually punched cows. He goes on to say that it is worth something to be able to lay your hand on a book written by a man who is the real thing, and who tells the truth. Others might not have the same opinion about the book and some might argue about Siringo's memories of things that happened during his lifetime. But, in any event, the book is a colorful portrayal of the ins and outs of cowboys, bad men, and the one detective who took out after them. Siringo originally had references to his experiences with the Pinkerton Agency, but which objected to his statements and they do not appear in the 1927 edition. There's plenty left, however, including stories about Billy the Kid, Kid Curry, Butch Cassidy, and even a mention of Will Rogers. All in all, this fascinating book will give today's readers a rare glimpse of what was once called the Old West and is now gone forever. This new edition includes a new foreword by New Mexico historian Marc Simmons.

**Communication and Sport** Michael L. Butterworth, 2021-07-19 Sport is a universal feature of global popular culture. It shapes our identities, affects our relationships, and defines our communities. It also influences our consumption habits, represents our cultures, and dramatizes our politics. In other words, sport is among the most prominent vehicles for communication available in daily life. Nevertheless, only recently has it begun to receive robust attention in the discipline of communication studies. The handbook of Communication and Sport attends to the recent and rapid growth of scholarship in communication and media studies that features sport as a central site of inquiry. The book attempts to capture a full range of methods, theories, and topics that have come to define the subfield of communication

and sport or sports communication. It does so by emphasizing four primary features. First, it foregrounds communication as central to the study of sport. This emphasis helps to distinguish the book from collections in related disciplines such as sociology, and also points readers beyond media as the primary or only context for understanding the relationship between communication and sport. Thus, in addition to studies of media effects, mediatization, media framing, and more, readers will also engage with studies in interpersonal, intercultural, organizational, and rhetorical communication. Second, the handbook presents an array of methods, theories, and topics in the effort to chart a comprehensive landscape of communication and sport scholarship. Thus, readers will benefit from empirical, interpretive, and critical work, and they will also see studies drawing on varied texts and sites of inquiry. Third, the handbook of Communication and Sport includes a broad range of scholars from around the world. It is therefore neither European nor North American in its primary focus. In addition, the book includes contributors from commonly under-represented regions in Asia, Africa, and South America. Fourth, the handbook aims to account for both historical trajectories and contemporary areas of interest. In this way, it covers the central topics, debates, and perspectives from the past and also suggests continued and emerging pathways for the future. Collectively, the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available.
