*Child Slavery Now* Gary Craig,2010 Most slave trades were abolished during the 19th century, yet there remain millions of people in slavery today, including approximately 210 million children - trafficked, in debt bondage, as well as other forms of forced labor. Set to be the definitive text on the subject, this groundbreaking book - drawing on global experiences - shows how children remain locked in slavery, the ways in which they are exploited, and how they can be emancipated. *Child Slavery Now* includes international contributors who remind us that we all - as consumers - are implicated in modern childhood slavery, and we need both to understand its causes and act to stop it.
