

Waterfox Portable

AW Rasmussen

Packrafting Molly Absolon, 2017-05-15 Don't Be Left Up a River... Without a Packraft Packrafts are lightweight, inflatable boats that can be carried in a backpack, on a bicycle or in a duffel bag. These compact, tough personal watercrafts are used to float rivers, run rapids, cross lakes, and even drop waterfalls, often as part of a broader wilderness expedition that includes backpacking. Packrafting is rapidly gaining in popularity, with increasingly varied options for gear, ranging by size, cost, and function. With the number of guided packrafting trips on the rise, this is the perfect book for the beginner interested in the up-and-coming sport.
