Building Your Online Store With WordPress and WooCommerce Lisa Sims,2018-10-13 Teaches you all about e-commerce and how to create your own online shop using WordPress and WooCommerce. Regardless of a business's size, e-commerce helps level the playing field, increases a business's exposure, allows companies to reach customers globally, and streamlines the fulfillment process. In the past, e-commerce websites were expensive, technically difficult, and time-consuming to create but not anymore. WordPress and WooCommerce together are a complete e-commerce solution that can be used to sell both physical and digital products online. You'll learn how to

install WordPress and how to plan your e-commerce solution with WooCommerce as well as install, create, secure, test, and market a sample online store. Save time and money by planning your own e-commerce strategy without paying expensive consultants. Increase your brand and products' or services' exposure to your target customers, and increase sales by offering target customers the ability to purchase products online as well as reach potential customers globally. What You'll Learn Plan an effective ecommerce strategy Choose a payment merchant and which products or services to sell online Secure your store and add products, descriptions, categories, images, and prices Maintain and expand your online store with WooCommerce extensions Who This Book Is For Ideal for entrepreneurs and small business owners who know their products (physical or digital), but lack the technical background and skills to setup an online store to sell their products and services.

E-commerce Amir Manzoor,2010 The growth of the Internet continues to influence our lives and businesses. Irrespective of their type and size, all firms and organizations are rethinking their strategies and operations. An increasing number of businesses are using e-commerce to gain competitive advantage. However, doing e-commerce is complex and requires understanding a vast array of topics. This book provides coverage of essential topics in E-commerce i.e. technology infrastructure, building blocks of e-commerce, online marketing, online payment systems, online business models, online business environment issues, website usability, e-commerce strategy, mobile commerce, and e-CRM/e-SCM. Compared with available texts on e-commerce, the perspective of this book is global e-commerce. The book is written in simple language, provides up-to-date coverage of

material and associated research, and filled with examples to support material presented. This book is useful for undergrad and graduate students, professionals, and anyone looking to gain a solid foundation to continue their learning of dynamic e-commerce environment.

Managing E-commerce in Business J. Botha,C. H. Bothma,Pieter Geldenhuys,2008-02-27 Information and Communication Technology (ICT) is becoming indispensable in the spheres of business, government, education and entertainment. It makes Internet marketing, e-government, e-learning and online chat services possible. And its commercial aspect, e-commerce, is part of this trend. Today, no business training is complete without the inclusion of at least the basics of e-commerce. But although e-commerce has opened up new opportunities, it also presents threats and risks. The success of e-commerce hinges on security and trust. Every business manager should therefore have a fundamental awareness of the meaning of e-commerce and ICT security and risk management. This second edition provides guidelines for overcoming these challenges by exploring the ways in which entrepreneurs and managers should co-operate with IT experts to exploit opportunities and combat the threats imposed by new technologies.

Selling Online Jim Carroll,Rick Broadhead,2001 Two Internet experts take readers step by step through the process of setting up an online store, marketing goods and services, and building a loyal customer base.

E-commerce Business Marketing $30.000/Month Jake Fox,2022-11-02 Have you always wanted to start an online business that didn't require you to store anything or handle any shipping yourself? Have you always wished that you could make money selling items on your own website, but didn't know how? If so, then dropshipping is exactly what you've been looking for. These days, a lot of emphasis is placed on the value of working from home and earning money through your computer. For many, online marketing and e-commerce is a powerful opportunity to step out of financial ruin and into a state of financial freedom, with the added benefit of time freedom as well. With the way the economy seems to be going, I suspect that one day everyone will have some form of involvement in e-commerce as a way to subsidize or supplement their income, if not replace their income altogether. This book will teach you how to sell a product from your own website that is shipped from halfway across the world without ever leaving your home. It will also show you how to leverage social media and incorporating affiliate marketing in your business to make big money. If you are interested in learning more about e-commerce business marketing, grab this book now and learn how you can take advantage of the boom in e-commerce business opportunities today!
