The January 6th Report Select Committee to Investigate the January 6th Attack on the United States Capitol, David Remnick, Jamie Raskin, 2022-12-23 ****THE INSTANT NEW YORK TIMES BESTSELLER**** NOTE: The January 6th Report appendices on pages 693–716 can be accessed via the QR code below, along with the hyperlinks from the chapter endnotes and witness testimony transcripts. Celadon Books and The New Yorker present the report by the Select Committee to Investigate the Jan 6 Attack on the United States Capitol. On January 6, 2021, insurgents stormed the U.S. Capitol, an act of domestic terror without parallel in American history, designed to disrupt the peaceful transfer of power. In a resolution six months later, the House of Representatives called it one of the darkest days of our democracy, and established a special committee to investigate how and why the attack happened. Celadon Books, in collaboration with The New Yorker, presents the committee's final report, the definitive account of January 6th and what led up to it, based on more than a year of investigation by nine members of Congress and committee staff, with a preface by David Remnick, the editor of The New Yorker and a winner of the Pulitzer Prize, and an epilogue by Congressman Jamie Raskin of Maryland, a member of the committee.

Keepers of the Animals Michael J. Caduto, Joseph Bruchac, 1997 Using stories to show the importance of wildlife in Native American traditions, this book gives parents and teachers an exciting way to teach children about animals.

The January 6th Report The January 6 Select Committee, 2023-01-10 NEW YORK TIMES BESTSELLER • The official report by the Select Committee to Investigate the January 6th Attack on the United States Capitol, featuring an exclusive foreword on the state of American democracy by Congressman Adam Schiff On January 6, 2021, the United States came perilously close to losing its democracy. A mob instigated by the president of the United States violently attacked the Capitol Building in Washington, D.C., seeking to disrupt the certification of the electors in the presidential election and prevent the peaceful transfer of power for the first time in American history. The attack was the culmination of a plot organized and driven by a defeated president, attempting to remain in power through a complex web of deceit, intimidation, and violence. This is the official report of the investigation into the attack—perhaps the most vital congressional investigation in American history—with exhibits, witness testimony, and an exclusive foreword by Congressman Adam Schiff, who offers critical insights into this harrowing chapter in American history.
