**The Book Woman's Daughter** Kim Michele Richardson,2022-05-03 THE INSTANT NEW YORK TIMES BESTSELLER! A powerful portrait of the courageous women who fought against ignorance, misogyny, and racial prejudice. –William Kent Krueger, New York Times bestselling author of *This Tender Land* and *Lightning Strike* The new novel from the New York Times bestselling author of *The Book Woman of Troublesome Creek*! Bestselling historical fiction author Kim Michele Richardson is back with the perfect book club read following Honey Lovett, the daughter of the beloved *Troublesome* book woman, who must fight for her own independence with the help of the women who guide her and the books that set her free. In the ruggedness of the beautiful Kentucky mountains, Honey Lovett has always known that the old ways can make a hard life harder. As the daughter of the famed blue-skinned, *Troublesome Creek* packhorse librarian, Honey and her family have been hiding from the law all her life. But when her mother and father are imprisoned, Honey realizes she must fight to stay free, or risk being sent away for good. Picking up her mother's old packhorse library route, Honey begins to deliver books to the remote hollers of Appalachia. Honey is looking to prove that she doesn't need anyone telling her how to survive. But the route can be treacherous, and some folks aren't as keen to let a woman pave her own way. If Honey wants to bring the freedom books provide to the families who need it most, she's going to have to fight for her place, and along the way, learn that the extraordinary women who run the hills and hollers can make all the difference in the world. Praise for *The Book Woman's Daughter*: In Kim Michele Richardson's beautifully and authentically rendered *The Book Woman's Daughter* she once again paints a stunning portrait of the raw, somber beauty of Appalachia, the strong resolve of remarkable women living in a world dominated by men, and the power of books and sisterhood to prevail in the harshest circumstances. A critical and profoundly important read for our time. Badassery womanhood at its best!–Sara Gruen, #1 New York Times bestselling author of *Water for Elephants* *Fierce*, beautiful and inspirational, Kim Michele Richardson has created a powerful tale about brave extraordinary heroines who are downright haunting and unforgettable.–Abbott Kahler, New York Times bestselling author (as Karen Abbott) of *The Ghosts of Eden Park*

**The Book of Veles** JONAS. BENDIKSEN,2021-07-13 Photographs of contemporary Veles are intertwined with fragments from an archaeological discovery also called 'the Book of Veles' -- a cryptic collection of 40 'ancient' wooden boards discovered in Russia in 1919, written in a proto-Slavic language. It was claimed to be a history of the Slavic people and the god Veles himself--the pre-Christian Slavic god of mischief, chaos and deception

Little Thieves Margaret Owen,2021-10-19 Gorgeous prose, delicious magic. - V.E. Schwab YALSA Best Fiction for Young Adults Selection Kids' Indie Next Pick Amazon Best Book A scrappy maid must outsmart both palace nobles and Low Gods in a new YA fantasy by Margaret Owen, author of the *Merciful Crow* series. Once upon a time, there was a horrible girl... Vanja Schmidt knows that no gift is freely given, not even a mother's love—and she's on the hook for one hell of a debt. Vanja, the adopted goddaughter of Death and Fortune, was Princess Gisele's dutiful servant up until a year ago. That was when Vanja's otherworldly mothers demanded a terrible price for their care, and Vanja decided to steal her future back... by stealing Gisele's life for herself. The real Gisele is left a penniless nobody while Vanja uses an enchanted string of pearls to take her place. Now, Vanja leads a lonely but lucrative double life as princess and jewel thief, charming nobility while emptying their coffers to fund her great escape. Then, one heist away from freedom, Vanja crosses the wrong god and is cursed to an untimely end: turning into jewels, stone by stone, for her greed. Vanja has just two weeks to figure out how to break her curse and make her getaway. And with a feral guardian half-god, Gisele's sinister fiancé, and an overeager junior detective on Vanja's tail, she'll have to pull the biggest grift yet to save her own life. Margaret Owen, author of *The Merciful Crow* series, crafts a delightfully irreverent retelling of "The Goose Girl" about stolen lives, thorny truths, and the wicked girls at the heart of both.
