And the Beat Goes on Vesta Beatty,2003 Cancer is a word that brings fear to the very center of each person. Yet it need not be considered a death sentence as there are scores of cancer survivors. Vesta Beatty wants you to join her on her journey through the fear, anger, and sorrow of cancer into the hope and joy of life after cancer. She wants to share with you those things that were most helpful to her in her fight to conquer this horrid thing which had invaded her body and threatened her life. During this journey she hopes to bring you a few laughs and show you that she is not content with just the fact of her continuing life. On the contrary, she insists on LIFE in all caps.
