A Practical Hands-on Approach to Database Forensics Nhien-An Le-Khac, Kim-Kwang Raymond Choo, 2022-10-21 Adopting an experimental learning approach, this book describes a practical forensic process to acquire and analyze databases from a given device and/or application. Databases hold important, sensitive, and/or confidential information and are a crucial source of evidence in any digital investigation. This also reinforces the importance of keeping up to date on the cyber-threat landscape as well as any associated database forensic challenges and approaches. The book also guides cyber-forensic researchers, educators, and practitioners through the process of conducting database forensics and investigations on mobile devices, Internet of Things (IoT) devices, web browsers, and end-to-end encrypted instant messaging applications. Given the fast-changing database forensics landscape, this book will be of interest to researchers, educators, and practitioners in the field, as well as students who want to learn about the database investigation.

WhatsApp and Everyday Life in West Africa Idayat Hassan, Jamie Hitchen, 2022-09-22 WhatsApp is the most popular messaging platform in over 80% of countries in West Africa, and a daily port of call for a wide range of information and services. This edited collection seeks to examine the impact that this transformative technology has had beyond the much-discussed role it has played in the spread of misinformation, and explore more widely the fundamental changes that WhatsApp has brought to many citizens' lives in social, economic and political contexts. Ranging across subjects including political organisation, religious practice, and family relations, each author in this volume brings direct knowledge and testimony of the impact of WhatsApp across West African society.

WordPress: The Missing Manual Matthew MacDonald, 2020-09-18 Whether you're a budding blogger or seasoned web designer, WordPress is a brilliant tool for creating websites--once you know how to tap into its impressive features. The latest edition of this jargon-free Missing Manual shows you how to use WordPress's themes, widgets, and plug-ins to build just about any kind of site. The important stuff you need to know: Set up WordPress. Configure WordPress on your web host or get it running on your home computer. Create your site. Get hands-on instructions for building all types of websites, from blogs to business sites with ecommerce features. Jazz it up. Add picture galleries, slideshows, video clips, music players, and podcasts. Add features. Select from thousands of plug-ins to enhance your site's capabilities, from contact forms to a basic shopping cart. Build a truly unique site. Customize a WordPress theme to create a site that looks exactly the way you want. Attract an audience. Use SEO, site statistics, and social sharing to reach more people. Stay safe. Use backup and staging tools to protect your content and avoid catastrophe.

Revenge of the Nerds Jeyo Sargunam, 2023-03-24 The world has transformed in the last two decades. There is no denying that there has been a slow, steady, and overtly subtle takeover of every aspect of human experience. The technological force that is powering this transformation is profoundly undemocratic & can be deemed exploitative. Tools like WhatsApp, Facebook, Google, YouTube, etc. are now ubiquitous. These internet-powered tools have unprecedented global scale and many don't understand the business & revenue models of these monitoring & behavior manipulating tools. *Revenge of the Nerds* is an attempt to unravel the forces behind this societal transformation. It tells the story of how Nerds used technology to capture the world and control it using technology. The book explains the vulnerabilities we have in our human minds and how BigTech companies exploit these vulnerabilities to reshape reality in the way they deem fit. Most of the fresh

cracks we find in society can be attributed to the faulty interface between technology and human interactions. Human Psychology has been weaponized using Technology to polarize us politically, make us more materialistic, and encourage a hedonist lifestyle. Revenge of the Nerds is the simplified story of how we all got Zuckered and how we can still hope to unzuck our lives.

WhatsApp from Heaven Louise Hamlin, 2022-07-29 This is a book about bereavement and also about the many extraordinary happenings and signs from the afterlife that then followed. Louise talks about her personal experience of grief, in all its facets, and in a way that will resonate with readers who are bereaved. She also details, in careful and precise language, the succession of signs that she received, apparently from her husband after his death. She describes how to start with she was very sceptical and looked for all sorts of other explanations, but eventually, she came to accept that the signs, including WhatsApps and dematerialisations, must have come from her husband's spirit in the afterlife. She explains how these signs have completely changed her understanding of life and death. This book should bring comfort to the bereaved, and will encourage those left behind to recognise signs that are sent to them by their loved ones.

WhatsApp Pussycat? Barbe Kaisler, 2014-10-01

Mobile Media and Social Intimacies in Asia Jason Vincent A. Cabañes, Cecilia S. Uy-Tioco, 2020-01-09 This edited volume brings together cutting-edge studies from emerging scholars of East/Southeast Asia who explore the role of mobile media in the contemporary transformation of the region's social intimacies, from the romantic to the familial to the communal. By providing a regional and transnational overview of such studies, it affords new insights into how these mobile technologies have contributed to the rise of 'glocal intimacies'. This pertains to the normalisation and intensification of how people's relationships of closeness are entangled in the ever-shifting and constantly negotiated flows between global modernity and local everyday life. In providing case studies of mobile media and glocal intimacies, the chapters in the volume attend to a broad range of countries that include China, Korea, Malaysia, the Philippines, Singapore, Vietnam, and Taiwan. This illustrates the differing ways in which mobile media might be embedded in the region's divergent articulations of social intimacies, which reflect the ongoing tensions between Western and Asian imaginaries of modernity. The chapters also discuss a wide array of mobile media that people use, from social media platforms like Facebook and Instagram, to messaging apps like KakaoTalk and WhatsApp, to dating apps like Tinder and Blued. This allows for a mapping out of the different levels of impact that mobile media might have on social intimacies in a region that contains some of the most technologically advanced as well as the most technologically behind societies in the world. In summary, this book allows readers to take a comparative approach to understanding the complexity of the glocal intimacies that are emerging from the ways people in Asia use mobile media to reconfigure their local ties and to enact global relationships. This volume will benefit students, academics, and researchers who are keen in media and communication, cultural studies, sociology, anthropology, and Asian studies. "This exciting and much-needed book will greatly advance our efforts to decolonise media and communications research. The chapters offer empirically rich and nuanced accounts that challenge the dominant paradigms about mediated intimacy." Mirca Madianou, Goldsmiths, University of London "This collection develops the original concept of 'glocal intimacies' to describe how mobile media have become a crucial site where new social intimacies are enacted, reinforced and transformed in Asia. It introduces fresh empirical research from emerging scholars to furnish deep theoretical insights into these imaginaries and practices." Audrey Yue, National University of Singapore

Test of Valor Keira Andrews, 2018-07-25 *Test of Valor: A Novel*

Pocket Medicine Marc S Sabatine, 2013-10-07 Prepared by residents and attending physicians at Massachusetts General Hospital, this pocket-sized looseleaf is one of the best-selling references for medical students, interns, and residents on the wards and candidates reviewing for internal medicine board exams. COVERT MISSION KR. RAJU , 2019-10-10 Military intelligence officer major Mohit is concerned about a deadly plan of the enemy. But he doesn't have much knowledge and wants to know what the plan is. For this he has to unravel a mystery. His fiancée, major Jiya, a doctor in the military base hospital Delhi, feared losing him. She tries to stop him but when their country is threatened with an attack, they sacrifice their love, life, and whatever they can for their country.

Advances in Computer Vision Kohei Arai, Supriya Kapoor, 2019-04-23 This book presents a remarkable collection of chapters covering a wide range of topics in the areas

of Computer Vision, both from theoretical and application perspectives. It gathers the proceedings of the Computer Vision Conference (CVC 2019), held in Las Vegas, USA from May 2 to 3, 2019. The conference attracted a total of 371 submissions from pioneering researchers, scientists, industrial engineers, and students all around the world. These submissions underwent a double-blind peer review process, after which 118 (including 7 poster papers) were selected for inclusion in these proceedings. The book's goal is to reflect the intellectual breadth and depth of current research on computer vision, from classical to intelligent scope. Accordingly, its respective chapters address state-of-the-art intelligent methods and techniques for solving real-world problems, while also outlining future research directions. Topic areas covered include Machine Vision and Learning, Data Science, Image Processing, Deep Learning, and Computer Vision Applications.

Induced Suicides Gemma Herrero Virto, 2018-10-28 A young woman jumps from the Salve Bridge after receiving a call on her mobile phone. Although the case is initially closed as a suicide, all of the alarm bells start ringing for the young Ertzaintza medical examiner, Natalia Egaña, when new deaths begin tying in with this first mystery. What is causing apparently normal and happy young women to run towards their death with a smile on their lips? A new adventure for the characters from Charon's Net, *Induced Suicides* is as exciting and frenetic as its predecessor. Do you dare to accompany them in a new case?

Six Wounds Morgan Cry, 2022-05-05 'A gripping high-octane masterpiece' - Andrew Child To make the perfect Spanish whodunnit cocktail, take one dead gangster, mix in six shifty expats, add one ruthless baddie and garnish with a suspicious police officer . . . Daniella Coulstoun has recently moved to the Costa Blanca. When the dead body of a prominent London gangster is discovered in the cellar of her bar she quickly becomes the number one suspect. With the police closing in, the local expats turning on her and a psychotic rival to the dead gangster in the background, Daniella knows she needs to nail the real killer, and fast.

Maxwell Quick Medical Reference Robert W. Maxwell, 2006

Perspectives on ICT4D and Socio-Economic Growth Opportunities in Developing Countries Ndayizigamiye, Patrick, Barlow-Jones, Glenda, Brink, Roelien, Bvuma, Stella, Minty, Rehana, Mhlango, Siyabonga, 2020-10-09 Technology has been hailed as one of the catalysts toward economic and human development. In the current economic era of the Fourth Industrial Revolution, information acquisition, transformation, and dissemination processes are posed to be the key enablers of development. However, in the context of developing countries, there is a need for more evidence on the impact that ICT has on addressing developmental issues. Such evidence is needed to make a case for investments in ICT-led interventions to improve people's lives in developing countries. *Perspectives on ICT4D and Socio-Economic Growth Opportunities in Developing Countries* is a collection of innovative research on current trends that portray the ICT and development nexus (ICT4D) from economic and human development perspectives within developing countries. While highlighting topics including mobile money, poverty alleviation, and consumer behavior, this book is ideally designed for economists, government officials, policymakers, ICT specialists, business professionals, researchers, academicians, students, and entrepreneurs.

BEYOND THE BOUNDARY KHEM RAJ, 2018-04-17 This is a poignant tale of Rahul and Ayesha, who belong to different religions and countries. As love across the tenuous border of India and Pakistan blossoms over social media, the two of them go through an excruciatingly difficult time that tests every ounce of will and courage in them. Will true love help them conquer all odds? Does the love story of Rahul and Ayesha have a happily-ever-after ending that they deserve? Read *Beyond the Boundary* to find out.

Whatsapp Pocket Introduction

In today's digital age, the availability of Whatsapp Pocket books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Whatsapp Pocket books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Whatsapp Pocket books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Whatsapp Pocket versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Whatsapp Pocket books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When

it comes to accessing Whatsapp Pocket books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Whatsapp Pocket books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Whatsapp Pocket books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take

advantage of the vast world of Whatsapp Pocket books and manuals for download and embark on your journey of knowledge?

FAQs About Whatsapp Pocket Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
