Tim Vicary

Pundits from Pakistan Rahul Bhattacharya, 2012-05-24 In 2004 the Indian cricket team headed to Pakistan to play a historic series. Accompanying them was young cricket reporter Rahul Bhattacharya. The mood was tense, with political provocations and security fears. But as the archrivals met on the field, a rare spirit of bonhomie spread throughout the tour. And in streets and homes in Lahore, Karachi, Peshawar, Multan, the author had many warm human encounters that made the tour unforgettable. This book vividly brings alive the magic of cricket, even as it chronicles an emotional and hopeful time, witnessed by a young Indian discovering Pakistan.

The Sly Company of People Who Care Rahul Bhattacharya, 2011-04-26 In flight from the tame familiarity of home in Bombay, a twenty-six-year-old cricket journalist chucks his job and arrives in Guyana, a forgotten colonial society of raw, mesmerizing beauty. Amid beautiful, decaying wooden houses in Georgetown, on coastal sugarcane plantations, and in the dark rainforest interior scavenged by diamond hunters, he grows absorbed with the fantastic possibilities of this new place where descendants of the enslaved and indentured have made a new

world. Ultimately, to fulfill his purpose, he prepares to mount an adventure of his own. His journey takes him beyond Guyanese borders, and his companion will be the feisty, wild-haired Jan. In this dazzling novel, propelled by a singularly forceful voice, Rahul Bhattacharya captures the heady adventures of travel, the overheated restlessness of youth, and the paradoxes of searching for life's meaning in the escape from home. The Sly Company of People Who Care is the winner of the 2012 Royal Society of Literature Ondaatje Prize.

Maximum City Suketu Mehta, 2009-10-21 A native of Bombay, Suketu Mehta gives us an insider's view of this stunning metropolis. He approaches the city from unexpected angles, taking us into the criminal underworld of rival Muslim and Hindu gangs, following the life of a bar dancer raised amid poverty and abuse,

opening the door into the inner sanctums of Bollywood, and delving into the stories of the countless villagers who come in search of a better life and end up living on the sidewalks. As each individual story unfolds, Mehta also recounts his own efforts to make a home in Bombay after more than twenty years abroad. Candid, impassioned, funny, and heartrending, *Maximum City* is a revelation of an ancient and ever-changing world.
