Better Man Bruce Langdon,2024-03-20 BETTER MAN describes one man’s journey through romantic relationships. The author navigates college as a gay man, then graduate school, and then present day as a practicing licensed clinical mental health counselor. This book is a story about love, heartbreak, and the difficult lessons learned while traveling the treacherous road of dating. Striving to become a better man, the author learns about his own values, what he’s looking for in a partner, and that sometimes the bravest thing you can do is run. Getting through breakups, navigating partners with differing values, and having the realization that just because sparks fly when you meet doesn’t always mean it’s meant to be—these are just a few of the harder truths the author learns along the way. BETTER MAN is a firsthand account of three major relationships told through the eyes of the author as he experienced them.
