Dare to Connect Belle O'Neill, 2021-07-10 Dare to Connect addresses the whole teacher and how to create success in school, outside of school, and in retirement through connections with stakeholders utilizing the 6 P's of the professional teacher: present, prepared, part of the team, positive, proactive, and patient. Superhero Educator Steve Gerner, Eugene Pitchford, 2017-12-19 High-performing educators easily equate to superheroes. Since educators have the power to transform lives and provide tremendous hope, the superhero analogy is well-suited. With superior skills and success, SUPERHERO EDUCATORS make the world a better place. To gain SUPERHERO EDUCATOR status, novel training and learning must occur. We evaluated educators in both urban and non-urban environments over the past two decades, and identifiable qualities for successful teaching surfaced repeatedly. After countless conversations and observations, contemplating what characterizes great teachers, we coined the term SUPERHERO EDUCATORS. Every successful teacher has special powers and puts those powers into practice on a daily basis. This book provides the blueprint for teachers to become true SUPERHERO EDUCATORS. While reading this book you have the opportunity to reflect on your strengths and weaknesses. Where there are areas that need improvement, this book will be your

roadmap for success. Where there are areas of strengths, this book will help you maximize outcomes. **SUPERHERO EDUCATOR: How to Teach with Superior Skills and Success** is an indispensable handbook for all educators. New and future educators will find the information valuable as they shape their teaching philosophy and develop their delivery skills. Experienced teachers will be able to refine their teaching talents and learn novel ways to grow professionally. Any individual who influences others through education, instruction, and training will greatly benefit from this book. Let this book be your guide as you continue on the path towards **SUPERHERO EDUCATOR** status.
