**The Beauty of Wings** Alexandra Mika, 2015-04-28 The Beauty of Wings is a magical true story of inner transformation. It unravels the details of author Alexandra Mika's healing journey, from an excruciatingly painful childhood of bullying, exclusion, and asthma to her mid-twenties filled with anorexia, pneumonia, panic, and suffocation to near death. Through dedication and determination Alexandra propels herself out of dark waters and comes home to her natural state of bliss, radiant health, and love. Journey with Alexandra on a pilgrimage of self-awakening through Reiki (energy healing), a profound connection with an extraordinary horse, connecting deeply with the natural world, yoga, and learning to love herself unconditionally. Through the metaphor of lungs as butterfly wings, readers journey from the dark isolation of the cocoon into the freedom and majestic nature of the butterfly. The Beauty of Wings reveals the unlimited potential of the human spirit and the capacity within the heart for healing, transformation, and unconditional love. "The Beauty of Wings is the story of an incredible journey of inner awakening, a story concerned with the task of learning to love oneself. This remarkable young woman has achieved what we would call "speaking oneself into being" through aligning her inner and outer speech with positive thinking and rising above any and all of life's obstacles through determination. Her true story demonstrates the power of consistent positive thoughts to heal the body, heal the mind, and to positively change one's life." –Pia Smith Orleane & Cullen Baird Smith, authors of Conversations With Laarkmaa, Remembering Who We Are and The Return of the Feminine. "With great courage and honesty, Alexandra shares from the heart her story of struggle and pain, to surrender, healing and empowerment. From suffering to triumph, she speaks her truth and grows her wings to fly to new heights spreading the message of hope and beauty, as do the butterflies that have always been with her." –Tara Cindy Sherman, ERYT-500

**UNDER MY BUBBE'S WINGS: How Grandma's Spirit Got Me Through Nazi Captivity** Iser Flaum, 2017-12-15 This is a true-life memoir of defiant endurance through cruelty and traumatic loss, leading to ultimate survival. The author presents his father's ordeals during five and a half years of Nazi captivity during the Holocaust. Included is a section of his mother's similar experiences, although limited by her difficulty in discussing this topic. As the title infers, throughout he perceives the aura of his late grandma's spirit protecting him with her angelic wings, as vowed in an early vision. Besides the brutal forced labor, extreme hunger, and massive life upheaval, there are

numerous near-death escapes. He consistently feels luck being steered his way. With this fortune, perseverance, and daring he ends up as the lone survivor of his large family. A similar outcome applies to the author's mother. Narrated from a first-person viewpoint it depicts forced migrations, Warsaw ghetto internment, and an ever worsening struggle to survive. Finally he must endure a series of Nazi camps for years until Russian liberation brings the war's end. He becomes aware of the complete loss of family, being alone in the world in his early twenties. Finally free, DP camp life offers renewal, marriage, USA migration, and starting over.

*The Holy Spirit and the Eagle Feather* Aaron A.M. Ross,2023-08-15

Pentecostalism is one of the fastest-growing religious movements in the world. In Canada, it is the most rapidly growing Christian group among Indigenous people, with approximately one in ten Pentecostals in the country being Indigenous. Pentecostalism has become a religious force in many Indigenous communities, where congregations are most often led by Indigenous ministers – an achievement that took many decades. *The Holy Spirit and the Eagle Feather* traces the development of Indigenous Pentecostalism in Canada. Exploring the history of twentieth-century missionization, with particular attention to the Pentecostal Assemblies of Canada's Northland Mission, founded in 1943, Aaron Ross shows how the denomination's Euro-Canadian leaders, who believed themselves to be supporters of Indigenous-led churches, struggled to relinquish control of mission management and finances. Drawing on interviews with contemporary figures in the movement, he describes how Indigenous Pentecostals would come to challenge the mission's eurocentrism over decades, eventually entering positions of leadership in the church. This process required them to confront the painful vestiges of colonialism and to grapple with the different philosophies and theologies of Pentecostalism and Indigenous traditional spiritualities. In doing so they indigenized the movement and forged a new identity, as Indigenous and Pentecostal. Indigenous Pentecostals now occupy key roles in the church and serve as political, cultural, and economic leaders in their communities. *The Holy Spirit and the Eagle Feather* tells the story of how they overcame the church's colonial impulses to become religious leaders, as well as agents for decolonization and reconciliation.

*B-2A Spirit Units in Combat* Thomas Withington,2012-11-20 The B-2A 'Spirit' was an aircraft conceived to fight the Cold War but which has proved invaluable to both the 'New World Order' and more recently the 'War on Terrorism'. The combination of low-observability, precision strike, range and payload flexibility has made the 'Spirit' the weapon of choice when America hits its enemies at the start of a campaign. Spirits have fired the first shots of Operation 'Allied Force' over Kosovo and Serbia, as well as operations 'Enduring Freedom' and 'Iraqi Freedom'. Despite the tremendous cost of the aircraft – each unit is literally worth its weight in gold – the B-2 has had an impact on modern warfare which has vastly exceeded this small force of 21 bombers. Developed in utmost secrecy, the B-2's gestation saw the use of new computer design and manufacturing techniques and ultra-modern synthetic materials making it the most revolutionary aircraft in terms of design and performance. This book examines these incredible aircraft.

*On the Wings of Cranes* Lowell M. Schake,James R. Walkinshaw,2008-01-10 To love whooping cranes, sandhill cranes, and Kirtland's warblers was easy for

Larry Walkinshaw. Saving them from extinction engulfed his life. Journey into Walkinshaw's incredible life drama to discover how his adventures led him onto the pinnacle of ornithological attainment-into that world of birding he so loved and mastered. Join him in the global wilderness of marshlands, deserts, and tundra seeking nature's truths as birds literally hatched, fluttered, and died in his hands. On the Wings of Cranes reveals how cranes and Walkinshaw became synonymous. Recognized as The Father of International Studies of Gruiformes, he led in the salvation of endangered whooping cranes, greater sandhill cranes, and Kirtland's warblers. At times, heartbreak entered his life, but his perseverance held as he took calculated risks, sacrificed, and struggled to save endangered birds. Beneath the mask of his deliberate and reserved personality resided a uniquely complicated genius who desired to serve both nature and humankind. On the Wings of Cranes extends an invitation to respond to the powers of inspiration, motivation, and self-discipline. The theme of Walkinshaw's life is birding-inspiration its message. Soar with Walkinshaw, from take-off to landing, on the wings of cranes.

**A Baptism of Judgment in the Fire of the Holy Spirit Daniel W.**

McManigal, 2019-05-23 Daniel W. McManigal provides a fresh analysis of the meaning of the baptism in the Holy Spirit and fire, and John's baptism as a prophetic sign-act. Expanding upon the sources, grammar and meaning of the Logion, analysing Old Testament and Second Temple texts, and discussing the prevalent theme of judgment in baptism, McManigal offers the first extended treatment of the baptism in the Holy Spirit in Matthew's gospel. As a backdrop for the prevalence of judgment in baptism, McManigal locates Matthew's eschatological judgment within the broader Old Testament and apocalyptic literature of the Second Temple, drawing upon texts such as Isaiah 11 and the Isaiah Targum, Malachi 3, Daniel 7, 1 Enoch and 4 Ezra. This volume's analysis aids deeper understanding of how the themes of the Old Testament are woven throughout Matthew's narrative, capitalizing on John's role as the last of the prophets sent to Israel; McManigal focuses in particular on Matthew's foretelling the coming of the Messiah, and his call for repentance in order to prepare people for the arrival of the kingdom of God. Drawing out the unique Matthean meaning of the baptism of the "coming one," McManigal's study offers readers a new insight into the nature of repenting and prophetic baptism, whether through water, fire or Spirit.

Daily Wings J. Sidlow Baxter, 2017-01-10 Devotionals That Make the Spirits Soar J. Sidlow Baxter has endeared himself to thousands in the United States and Great Britain through his Bible expositions in the pulpit and in countless books. His last devotional, *Awake, My Heart*, was published in 1960. Now we are happy to present a new devotional from the pen of this much-loved pastor - a book of exposition and poetry that will hold a distinctive place in the Baxter literature. Drawing on his rich heritage in the British tradition of hymnody, Dr. Baxter has provided a poem or hymn for each devotional meditation. These hymns "all came to me more or less spontaneously during my own times of communing with our risen Lord, he writes in his Preface to *Daily Wings*. They will inspire his readers, even as they have given him "wings to my own spirit." There is a devotional meditation for each day of the year. These are to be read, in his words, "unhurriedly," for "to read any book of daily expositions hastily is fatal to its intended ministry."

*Spirit of Butterflies* Maraleen Manos-Jones,2000-11 A vividly illustrated celebration of butterflies that discusses their presence in art and culture throughout the ages and examines their symbolism and the related beliefs of a wide variety of peoples.

The Dragon'S Beasts Fred A. Wilson,2017-06-14 The book of Daniel 2 reveals by symbols the successive empires/kingdoms of the world with a statue of a human figure of a head of gold, chest of silver, thighs of bronze, legs of iron, and feet of a mixture of clay and iron. Daniel 7, which describes four beasts (a lion, a bear, a leopard, and a terrible beast with ten horns), covers the same period in world history as in chapter 2. While the king of Babylon saw the majestic power and grandeur of the Gentile empire/kingdoms, Prophet Daniel saw their real character, beastly conduct, wicked rule, and

profligate government. All the beasts (empire/kingdoms) were destroyed by the Messiah, Immanuel (the Stone), who the builders of the nations of man rejected and who is the cornerstone of the holy nation of believers. Revelation 12 describes the great dragon thrown down, the age-old serpent that is called the devil and Satan, he who continually deceives and seduces the entire inhabited world. He was thrown down to the earth, and his angels were thrown down with him. This usurping dragon would form successive compacts with mankind for the dominion of the earth. Revelation 13 shows the final compact between the nations of man and the man of sin, Satan (the dragons beasts), engulfing even the holy people (Israel, the churchthe woman on the beast in Revelation 17). When the stone finally destroyed the lawless kings of the nations/kingdoms, their rule was dispersed to the lots of nation-states created by the common peoplethe rule of commoners. These are the nation-states of democratically elected commoners. Revelation 13 (and 17) shows the rebellion and apostasy of our Christendom/Queendom of Babylon, the great nation-states of man setting themselves up against the son of man, Immanuel. Why the stone is about to crush Christendom of Babylon the great! And the stone that smote the image became a great mountain or rock and filled the whole earth (Daniel 2:3435). Yes, he is the rock of ages!

**Heart and Spirit Reborn** Doug Magwood, 2011-07-29 The Toronto Maple Leafs did NOT make the Stanley Cup playoffs in 2010-2011. Still, the author saw something special beginning to emerge as the season unfolded. After a successful start in October, a series of events saw the team plunge to the bottom of the standings, Then circumstances slowly changed, and the Maple Leafs steadily regained standing until time finally ran out, and the playoffs eluded them. The season concludes with what the author sees as a rebirth of hope for coming hockey seasons in Toronto. This book follows the Maple Leafs from the day they named a new Captain for the club until the team's quest for the playoffs comes to an end. Every game is reported upon. Events are analyzed. The contributions of all players are critiqued and evaluated. Problems are pointed out, and possible solutions are put forward. Readers who follow the fortunes of the Toronto Maple Leaf franchise should enjoy reading the story of this past season, and comparing their perspectives of the team with those of the author.
