Fevre Dream George R. R. Martin,2012-04-24 A THRILLING REINVENTION OF THE VAMPIRE NOVEL BY THE MASTER OF MODERN FANTASY, GEORGE R. R. MARTIN Abner Marsh, a struggling riverboat captain, suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer. The hauntingly pale, steely-eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet; nor does he care that he won't earn back his investment in a decade. York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern—no matter how bizarre, arbitrary, or capricious York's actions may prove. Not until the maiden voyage of Fevre Dream does Marsh realize that he has joined a mission both more sinister, and perhaps more noble, than his most fantastic nightmare—and humankind's most impossible dream.

What Has Wings? Sharon Street,2004

The Library of the Unwritten A. J. Hackwith,2019-10-01 In the first book in a brilliant new fantasy series, books that aren't finished by their authors reside in the Library of the Unwritten in Hell, and it is up to the Librarian to track down any restless characters who emerge from those unfinished stories. Many years ago, Claire was named Head Librarian of the Unwritten Wing-- a neutral space in Hell where all the stories unfinished by their authors reside. Her job consists mainly of repairing and organizing books, but also of keeping an eye on restless stories that risk materializing as characters and escaping the library. When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel attacks them, convinced that they hold the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell...and Earth.

Greycliff Wings Harriet Pyne Grove,2021-11-05 Deepest of sapphire skies, freshest of air, most sparkling of lake waters greeted the senior collegiates, dignified by their position at the head of the school, on their first picnic of the year. By ones, twos, threes and more, they added to the company which sought seats upon the dancing Greycliff, freshly painted during the summer, the black letters of the name showing clearly against a pearl-grey side. The starry-eyed Eloise Winthrop, her dark locks done up in a new way, looked prettier than ever, as she stood up and waved wildly to Cathalina Van Buskirk and Lilian North, who were just climbing into the launch.
