As one of the top pianists at the Royal College of Music, he has been put forward for an important concert, the opportunity of a lifetime. But beneath the surface, things are changing. His flatmate Harry tries to understand but is increasingly confused by Flynn's erratic mood swings. His friend Jennah tries to help, but Flynn finds it difficult to be around her as he struggles to control his feelings and behaviour. With the pressure of the forthcoming concert and the growing concern of his family and friends, emotions come to a head. Sometimes things can only get worse before they get better.
