**Rising in Flames: Sherman's March and the Fight for a New Nation** J. D. Dickey, 2018-06-05 A New York Times bestselling historian sheds new light on Sherman's epic "March to the Sea," especially the soldiers, doctors, nurses, and civilians who would change the nation for the better. America in the antebellum years was a deeply troubled country, divided by partisan gridlock and ideological warfare, angry voices in the streets and the statehouses, furious clashes over race and immigration, and a growing chasm between immense wealth and desperate poverty. The Civil War that followed brought America to the brink of self-destruction. But it also created a new country from the ruins of the old one—bolder and stronger than ever. No event in the war was more destructive, or more important, than William Sherman's legendary march through Georgia—crippling the heart of the South's economy, freeing thousands of slaves, and marking the beginning of a new era. This invasion not only quelled the Confederate forces, but transformed America, forcing it to reckon with a century of injustice. Dickey reveals the story of women actively involved in the military campaign and later, in civilian networks. African Americans took active roles as soldiers, builders, and activists. Rich with despair and hope, brutality and compassion, *Rising in Flames* tells the dramatic story of the Union's invasion of the Confederacy, and how this colossal struggle helped create a new nation from the embers of the Old South.

*A Note Of Madness* Tabitha Suzuma,2011-12-31 Life as a student is good for Flynn. As one of the top pianists at the Royal College of Music, he has been put forward for an important concert, the opportunity of a lifetime. But beneath the surface, things are changing. On a good day he feels full of energy and life, but on a bad day being alive is worse than being dead. Sometimes he wants to compose and practise all night, at other times he can't get out of bed. His flatmate Harry tries to understand but is increasingly confused by Flynn's erratic mood swings. His friend Jennah tries to help, but Flynn finds it difficult to be around her as he struggles to control his feelings and behaviour. With the pressure of the forthcoming concert and the growing concern of his family and friends, emotions come to a head. Sometimes things can only get worse before they get better.
