But he only has eyes for December Howard, the girl he's craved since his high school days. Ember never wanted the Army life, but loving Josh means accepting whatever the army dictates-even when that means saying goodbye as Josh heads to Afghanistan as a medevac pilot. Filling their last days together with love and plans for their future doesn't temper Ember's fears, and if there's one thing she's learned from her father's death, it's that there are some obstacles even love can't conquer . . . \*\*\* Why do readers love the Flight & Glory series?
