Winsome Persuasion Tim Muehlhoff, Richard Langer, 2017-06-13 Christianity Today's 2018 Book of the Year Award of Merit - Apologetics/Evangelism How are Christians viewed in the broader culture? We blush at the possibilities. Brainwashed fanatics? Out-of-touch dogmatists? Buffoons? The task of bearing faithful witness to Jesus is complicated by persistent—and not altogether baseless—cultural stereotypes. In our post-Christian society, thoughtful Christians are considering again how to engage the dominant culture as a minority, a counterpublic, amid varying perceptions and misperceptions. In this timely book, Timothy Muehlhoff and Rick Langer ask what our interactions with the dominant cultural ethos should look like. How might we be persuasive and civil at the same time? How should we respond to those who ridicule and caricature us? How can we challenge the beliefs of other communities with love and respect? Muehlhoff and Langer present a model for cultural engagement that integrates communication theory, theology, and Scripture. Penetrating, wise, and relentlessly practical, it includes test cases and examples from history, such as William Wilberforce and Harriet Beecher Stowe. Now more than ever, Christians need what Winsome Persuasion offers: a compelling vision of public engagement that is both shrewd and gracious.

Of Literature and Lattes Katherine Reay, 2020-05-12 Return to the cozy and delightful town of Winsome, where two people discover the grace of letting go and the joy found in unexpected change. After fleeing her hometown three years earlier, Alyssa Harrison never planned to return. Then the Silicon Valley start-up she worked for collapsed and turned her world upside down. She is broke, under FBI investigation, and without a place to go. Having exhausted every option, she comes home to Winsome, Illinois, to regroup and move on as quickly as possible. Yet, as friends and family welcome her back, Alyssa begins to see a place for herself in this small Midwestern community. Jeremy Mitchell moved from Seattle to Winsome to be near his daughter and to open the coffee shop he's been dreaming of for years. Problem is, the business is bleeding money—and he's not quite sure why. When he meets Alyssa, he senses an immediate connection, but what he needs most is someone to help him save his floundering business. After asking for her help, he wonders if something might grow between them—but forces beyond their control soon complicate their already complex lives, and the future they both hoped for is not at all what they anticipated. With the help of Winsome's small-town charm and quirky residents, Alyssa and Jeremy discover the beauty and romance of second chances. Sweet and thoughtful contemporary read Stand-alone novel featuring characters from The Printed Letter Bookshop Book length: 86,000 words Includes discussion questions for book clubs "In her ode to small towns and second chances, Katherine Reay writes with affection and insight about the finer things in life." —Karen Dukess, author of The Last Book Party "The town of Winsome reminds me of Jan Karon's Mitford, with its endearing characters, complex lives, and surprises where you don't expect them. Reay has penned another poignant tale set in Winsome, Illinois, weaving truth, forgiveness, and beauty into a touching, multilayered, yet totally cozy story. You'll root for these characters and will be sad to leave this charming town." —Lauren K. Denton, bestselling author of The Hideaway and Glory Road "Like all of Reay's novels, Of Literature and Lattes delivers a story with details so vivid you can feel the fabric slipping between your fingers, characters so rich they could slide into the booth across from you, and a message so hopeful and redemptive it will linger in your mind long after you turn the final page. Of Literature and Lattes brings the town of Winsome alive again, and I couldn't wait to return and savor a story of forgiveness, of fresh starts, of literary delights, and of love." —Melissa Ferguson, author of The Dating Charade

An Immovable Feast Tyler Blanski, 2018-03-27 This work is a winsome and beautifully written account of a modern spiritual journey. It tells the colorful and gripping story of one man's religious path from a fundamentalist Baptist childhood to an adolescence in emergent church spirituality. He moves on through hipster years as a house painter and a musician, then marries and enters a seminary in Wisconsin. After years of wearing a black cassock and preparing to be an Anglican priest, he boldly joins the Catholic Church. An Immovable Feast is a profound love story told with humor,

wisdom, and bite. A fresh breeze blows through it as Tyler Blanski reminds us that the Catholic religion is not dead because it is not mortal. It is the festival of heaven on earth.

Surprised by Oxford Carolyn Weber, 2013-02-04 Well written, often poignant and surprisingly relatable. - Kirkus Reviews A hugely readable journey of cultural and spiritual discovery, sparkling with wit and wisdom. - Alister McGrath Carolyn Weber's memoir reads like a fast-paced novel. I loved the humor, skillful use of language and her compelling account of her steps to finding God at Oxford. I was totally captivated from beginning to end. - Marilyn Meberg *Surprised by Oxford* is the memoir of a skeptical agnostic who comes to a dynamic personal faith in God during graduate studies in literature at Oxford University. Carolyn Weber arrives at Oxford a feminist from a loving but broken family, suspicious of men and intellectually hostile to all things religious. As she grapples with her God-shaped void alongside the friends, classmates, and professors she meets, she tackles big questions in search of Truth, love, and a life that matters. From issues of fatherhood, feminism, doubt, doctrine, and love, Weber explores the intricacies of coming to faith with an aching honesty and insight echoing that of the poets and writers she studied. Rich with illustration and literary references, *Surprised by Oxford* is at once gritty and lyrical; both humorous and spiritually perceptive. This savvy, credible account of Christian conversion and its after-effects follows the calendar year and events of the school year as it entertains, informs, and promises to engage even the most skeptical and unlikely reader. *Surprised by Oxford* is a sprightly contribution to the genre of spiritual memoirs in the vein of C.S. Lewis's *Surprised by Joy* and Lauren F. Winner's *Girl Meets God*. Carolyn Weber is an unconventional thinker whose engagingly told faith journey will speak to folks who still believe that thoughtful people cannot be Christian. - Lyle W. Dorsett

Preaching to Convert John Fletcher, 2013-11-13 *Preaching to Convert* offers an intriguing new perspective on the outreach strategies of U.S. evangelicals. Author John Fletcher frames these activities, from door-to-door proselytizing to the spirited sermons of superstar televangelists, as examples of activist performance, broadly defined here as acts performed before an audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on left-progressive causes, events, and actors, and if evangelicals have appeared at all, they often appear as one-dimensional forces of ignorance or bigotry against which brave (left-leaning) activists must fight. *Preaching to Convert* argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. In other words, evangelicals are activist performers par excellence. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative Christianity's default status in twenty-first-century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach. In acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged horror-themed morality plays or multi-million-dollar creationist discovery centers, in megachurch services beamed to dozens of satellite campuses, and in controversial "ex-gay" ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.

From Fire, by Water Sohrab Ahmari,2019-01-29 Sohrab Ahmari was a teenager living under the Iranian ayatollahs when he decided that there is no God. Nearly two decades later, he would be received into the Roman Catholic Church. In *From Fire, by Water*, he recounts this unlikely passage, from the strident Marxism and atheism of a youth misspent on both sides of the Atlantic to a moral and spiritual awakening prompted by the Mass. At once a young intellectual's finely crafted self-portrait and a life story at the intersection of the great ideas and events of our time, the book marks the debut of a compelling new Catholic voice.

Connections: Year A, Three-Volume Set Joel B. Green,Luke A. Powery,Cynthia L. Rigby,Carolyn J. Sharp,Thomas G. Long,2020-05-19 Designed to empower preachers as they lead congregations to connect their lives to Scripture, *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. This nine-volume series offers creative commentary on each reading in the three-year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture, film, fiction, ethics, and other aspects of contemporary life. Commentaries on the Psalms make connections to the other readings and to the congregation's experience of worship. This set contains all three volumes for Year A. *Connections* is published in partnership with Austin Presbyterian Theological Seminary. This eBook set contains Year A, volumes 1, 2, and 3.

America Christian...Truth Or Myth? Sonny Rios,2011-09 Who was America's god in her formative years; and should we take her back to the god of our fathers? This book will answer those questions in an eye-opening way that will cause both Christians and non-Christians to marvel. Sonny Rios is a graduate of South Plains College where he studied voice with the renowned voice teacher Harley Bulls, and the University of North Texas where he studied with the renowned Metropolitan Opera tenor, Eugene Conley, and the renowned interpreter of comic opera, Edward Baird. Sonny has traveled extensively as a sacred and classical concert artist. He has sung across the USA, including Alaska and Puerto Rico, Canada, and at least twenty-five countries in Europe and Central- and South America. Presently, Sonny Rios has his own private voice studio in Duncanville, TX. Sonny is the son and grandson of Southern Baptist pastor/missionaries.

It's OK, Slow Lizard Yeorim Yoon,2021-09-28 In a lush, sun-dappled forest, animal friends discover the advantages of living slowly, in this soothing picture book from beloved South Korean author and illustrator Yeorim Yoon and Jian Kim. Little Bird is all aflutter--too many things to do. Elephant cries with frustration when a shoelace breaks. Rabbit tries so hard and loses the race anyway. But what about Slow Lizard? Just like my name, I live a slow, relaxed life. And because I live a slow life, I see many things, I hear many things, and I have lots of time to help my friends. Meandering through a sunny forest, Slow Lizard's friends learn how wonderful it is to slow down together. Filled with blooming trees and fluffy flower beds, *It's OK, Slow Lizard* glows with the beauty of a hidden magic world, where we take the time to help each other enjoy life--even when the rain comes.

In His Image William Jennings Bryan,1922

Being the Bad Guys Stephen McAlpine,2021-02-01 How to live confidently for Jesus in today's world. The church used to be recognized as a force for good, but this is changing rapidly. Christians are now often seen as the bad guys, losing both respect and influence. In our post-Christian culture, how do we offer the gospel to those around us who view it as not only wrong but possibly dangerous? And how do we ensure that the secular worldview does not entice us away with its constant barrage, online and elsewhere, of messages about self-determinism? Author Stephen McAlpine offers an analysis of how our culture ended up this way and explains key points of tension between biblical Christianity and secular culture. He encourages Christians not to be ashamed of the gospel as it is more liberating, fulfilling and joyful than anything the world has to offer. He also offers strategies for

coping in this world, with its opposing values, and for reaching out to others wisely with the truth.
