

Witches Brew

Megan Dagnino

Witch's Brew Megan Dagnino,2021-08-13 Holidays are made special because of the memories created. The nostalgia that comes from our traditions deepens our joy. Books and activities, like my children's story Witch's Brew, incorporate both the reading of a story with the creation of a memory- all which lead to the newest tradition for Halloween. Witch's Brew is a delightful interactive experience geared towards families with children ages 2-10. While reading an engaging lighthearted rhyme, the children are also counting their favorite snacks and creating a spooky and delicious treat! As they listen to the tale, they use their imaginations to add the individual elements of the snack to the brew, which assists in not only holding their attention, but also creating anticipation for the next element. The 10 individual ingredients make this an interactive counting book for our youngest readers, but young and old alike will enjoy the tale and creative activity.

Witches' Brew Terry Brooks,2009-07-29 An acorn falls far from the tree Former Chicago lawyer Ben Holiday was very proud and quite happy. And why shouldn't he be? The Magic Kingdom which he ruled as High Lord was finally at peace. He was free to lie back

and watch as his new daughter grew. And grow she did—by leaps and bounds, shooting through infancy in a matter of months. She took her first steps and learned to swim in the same week. An amalgam of magic and heredity, Mistaya was born a seedling, nourished by soils from Landover, Earth, and the fairy mists, come into being in the dank, misty deadness of the Deep Fell. She was as lovely as her mother, the sylph Willow, with dazzling green eyes that cut to the soul. Ben wished he could enjoy his daughter's childhood and his happy kingdom forever. Alas, those idyllic days were not to last. For Rydall, king of lands beyond the fairy mist, rode up to the gates of Sterling Silver and shattered peace of Landover. His armies were poised on the border, ready to invade unless Ben accepted a challenge: Rydall would send seven champions to face Ben, each in a different form. If Ben triumphed over all seven, Rydall would then abandon his claims to the kingdom. Some counseled the High Lord to refuse Rydall's challenge, but Holiday could not, for Mistaya had been snatched from her guardians by foul magic. And Rydall held the key to her fate. . . .

Witch's Brew Shawn Engel, Steven Nichols, 2021-08-17 Drink deliciously and magickally with this exquisite compendium of potent

mystical beverages, with witchy wisdom from author Shawn Engel and expertly crafted cocktails from mixologist Steven Nichols. For thousands of years, witches young and old have concocted mysterious potions to heal, to divine the future, to get in touch with the energies of the planet—and just to have fun. In this enchanting compendium of 40 drink recipes, mystical maven Shawn Engel shares her thoughts on what to imbibe for power, energy, and amusement. Written in tandem with the award-winning cocktail writer and developer Steven Nichols, this collection presents a broad range of drinks for every purpose. Whether it's a trio of beverages celebrating the energies of the maiden, mother, and crone (with notes of pomegranate, fig, and smoke respectively), or an eminently sippable mint-based money magick brew for prosperity, this book is a party with a purpose. Not only are these drinks fun and shareable, they also contain ingredients with ancient magickal significance. For example, the “Keep it Hexy” is not only a delicious vodka-based cocktail perfect for kick-starting a memorable evening, it also contains black pepper to return a hex to sender, sage to cleanse an evil eye, and blackberries for protection. All recipes include energetic properties and plenty of information about magickal ingredients and why they've been used

to address certain ills for millennia; some even come with invocations and rituals to amplify their power.

The Witchlets of Witches Brew J.E. Marriott, 2023-07-01

The Witchlets of Witches Brew *The Witchlets of Witches Brew* is a collection of nine tales set throughout a seasonal year in the modern-day village of Brew, commonly known by the name of 'Witches Brew'. The villagers of Brew worship the land and the seasons, they celebrate the wonders of life and nature during their eight yearly festivals and a Blue Moon celebration. Each tale sees

deep changes in the main character's life relevant to the celebration around which it is set. The collection centres on real-life problems and provides children with fictional, Pagan related stories to help work through their own feelings. Throughout these stories of change, the children learn to appreciate life, family and nature more. The Witchlets of Witches Brew tales are suitable for young and old alike. Tales included: * Holly the Hasty Witch ~ Holly is always in a rush, never stopping to complete a task and often forgetting to fulfil her promises. This tale is about the virtue of Integrity, keeping one's word and is set at Yule. * Birch the Selfish Witch ~ Birch dislikes having a new step-dad and a new brother or sister on the way. This tale is about the virtue of Fidelity, the birth of a child and is set at Imbolc. * Ash the Solitary Witch ~ Ash is a single child of a family who moves to Brew. This tale is about the virtue of Perseverance, being brave enough to make friends and is set at the Spring Equinox. * Willow the Lonely Witch ~ Willow feels very alone when she hears life-changing news about her mum's relationship with her girlfriend. This tale is about the virtue of Courage, same-sex parents and is set at Beltane. * Ivy the Stubborn Witch ~ Ivy hates summer for many reasons but most of all because her cousin, Honey, comes to stay with her family for a

month. This tale is about the virtue of Hospitality, sharing and is set at the Summer Solstice. * Rowan the Hungry Witch ~ Rowan is always hungry, no matter what or how much she eats. This tale is about the virtue of Industriousness, helping someone less fortunate and is set at Lughnasadh. * Hazel the Unwise Witch ~ Hazel is a fun-loving girl who doesn't understand the consequences of rash decisions. This tale is about the virtue of Discipline, personal responsibility and is set during the Autumn Equinox. * Yew the Bored Witch ~ Yew has been brought up by her loving, and somewhat overprotective, Grandma. This tale is about the virtue of Self-reliance, helping around the home and is set at Samhain. * Plum the Cautious Witch ~ Plum has been bullied for an entire year but has kept it a secret. After she moves to Brew, she becomes overly cautious with others. This tale is about the virtue of Honour, standing up for oneself and is set at a Blue Moon.

Witches' Brew BR Kingsolver, 2018-11-28 Washington, D.C., has never been boring, but this is ridiculous. Warring witch covens. Werewolf packs fighting for territory. Rumors of Human sacrifice. Minor problems leading up to Beltane, when the portents say the veils between worlds will shred. Did I mention the blood mage conspiracy using Troll shock troops to take over the world? With a

jaguar shifter, a handsome Nephilim, and a nest of feisty Fairies watching my back, things should be fine. Right?
