Witch's Brew Shawn Engel, Steven Nichols, 2021-08-17 Drink deliciously and magickally with this exquisite compendium of potent mystical beverages, with witchy wisdom from author Shawn Engel and expertly crafted cocktails from mixologist Steven Nichols. For thousands of years, witches young and old have concocted mysterious potions to heal, to divine the future, to get in touch with the energies of the planet—and just to have fun. In this enchanting compendium of 40 drink recipes, mystical maven Shawn Engel shares her thoughts on what to imbibe for power, energy, and amusement. Written in tandem with the award-winning cocktail writer and developer Steven Nichols, this collection presents a broad range of drinks for every purpose. Whether it's a trio of beverages celebrating the energies of the maiden, mother, and crone (with notes of pomegranate, fig, and smoke respectively), or an eminently sippable mint-based money magick brew for prosperity, this book is a party with a purpose. Not only are these drinks fun and shareable, they also contain ingredients with ancient magickal significance. For example, the “Keep it Hexy” is not only a delicious vodka-based cocktail perfect for kick-starting a memorable evening, it also contains black pepper to return a hex to sender, sage to cleanse an evil eye, and blackberries for protection. All recipes include energetic properties and plenty of information about magickal ingredients and why they've been used to address certain ills for millennia; some even come with invocations and rituals to amplify their power.

Witches' Brew Terry Brooks, 2009-07-29 An acorn falls far from the tree Former Chicago lawyer Ben Holiday was very proud and quite happy. And why shouldn't he be? The Magic Kingdom which he ruled as High Lord was finally at peace. He was free to lie back and watch as his new daughter grew. And grow she did—by leaps and bounds, shooting through infancy in a matter of months. She took her first steps and learned to swim in the same week. An amalgam of magic and heredity, Mistaya was born a seedling, nourished by soils from Landover, Earth, and the fairy mists, come into being in the dank, misty deadness of the Deep Fell. She was as lovely as her mother, the sylph Willow, with dazzling green eyes that cut to the soul. Ben wished he could enjoy his daughter's childhood and his happy kingdom forever. Alas, those idyllic days were not to last. For Rydall, king of lands beyond the fairy mist, rode up to the gates of Sterling Silver and shattered peace of Landover. His armies were poised on the border, ready to invade unless Ben accepted a challenge: Rydall would send seven champions to face Ben, each in a different form. If Ben triumphed over all seven, Rydall would then abandon his claims to the kingdom. Some counseled the High Lord to refuse Rydall's challenge, but Holiday could not, for Mistaya had been snatched from her guardians by foul magic. And Rydall held the key to her fate. . . .

Witches' Brew BR Kingsolver, 2018-11-28 Washington, D.C., has never been boring, but this is ridiculous. Warring witch covens. Werewolf packs fighting for territory. Rumors of Human sacrifice. Minor problems leading up to Beltane, when the portents say the veils between worlds will shred. Did I mention the blood mage conspiracy using Troll shock troops to take over the world? With a jaguar shifter, a handsome Nephilim, and a nest of feisty Fairies watching my back, things should be fine. Right?
