Own Your Thoughts OWN YOUR LIFE Teresa S. Neal, PhD, 2021-09-20 When situations pop up that turn our world upside down, what do we do? We often become overwhelmed and fall victim to our circumstances. We may desperately want to take control of our lives, but don't know how. The

good life seems to float just beyond our reach. What can we do to make our lives better? Is it possible for us to take control of our lives? After decades of research and teaching, Dr. Neal has discovered a valuable path to better health and more joy-filled living. And the route is surprisingly simple. It's all about thoughts. *Own Your Thoughts, Own Your Life* offers a comprehensive and compassionate guide for taking control of one's life through a deeper inspection of the way we think. Dr. Neal introduces readers to a process of thought examination through a series of exercises which are easily done at home, building gradually into a journey of reflection and changing small habits for a much bigger overall gain. Thinking about thinking isn't something we're prone to do every day. Some people have never been encouraged to be critical or introspective at all. Whether you are totally new to the concept or have tried this before, Neal is there with you every step of the way. I found the narrative to be skilled and confident, with an upbeat and friendly tone that shies away from clinical terms (although there's clearly a lot of solid research and knowledge underpinning every principle). The exercises feel more like opportunities than hard work, which is encouraging. I fully intend to incorporate these ideas into my daily life going forward. Overall, *Own Your Thoughts Own Your Life* delivers everything it promises and would make a valuable addition to anyone's personal library. ~Five Star Review from K.C. Finn for Readers' Favorite Any generally curious person will find this book engaging. Dr. Neal inspires readers to continue to think long after they've closed the book. ~Ben Beese, former student Most books on Mindset are fluff, mere pop psychology. Dr Neal has written an in-depth book of techniques and strategies to change your life . . . and alter your way of thinking. ~ Robert G. Allen, 5X NY Times Bestselling Author

God's Flame Rising Linda Fields, 2023-08-08 Linda Fields came from an unlikely past to coach, inspire, and lead people to experience God's purpose with results that have spread like wildfire. After thousands of hours consulting business owners, corporate leaders, and pastors plus over 30 years teaching business on the university/college level, Linda has compiled a system packed with strategies for you to implement right away rather than spending years, even decades searching for the practical answers to spiritual questions. In *God's Flame Rising*, Linda passionately reveals the path to success God's way with inspiring true stories, action steps of success, and priceless lessons from her own battle to survive a life-threatening fire as a teenager—to live On Fire rather than living Burned. *God's Flame Rising* teaches you 7 Keys to Live On Fire: 1. Come Through the Fire 2. Embrace Your Purpose and Promise 3. Scope Out the Territory 4. Prepare for Battle 5. Learn the Secret Ingredient of God-made Success 6. Take Action to

Perform Great Exploits 7. Transform Yourself and Everything in Your Path – Like a Wildfire! God’s Flame Rising is a comprehensive program to train your mind, awaken your spirit, and formulate your steps on the path to accomplish the things God has called you to do with Him. You will come away with a lifelong process to stay on course with God’s plans —along with a weapon to win, a companion to your Bible, and a teaching resource as you lead others to ignite God’s purposes in every area of their lives. Through this inspirational guide, you will: • Learn how to prevail through your own fiery trials—loaded with victory lessons to leverage in the battle over your calling. • Learn how to dream God-sized dreams, reset your compass, and move out of your comfort zone. • Discover practical applications of the scripture to your life to rightly value your calling without being proud or self-abased in your understanding of it. • See how God sees you and values your progress in life. • Learn how to adjust your plans with the Holy Spirit as things evolve in your life. • Discover the power of focus and direction as tools to galvanize your creativity and follow-through and implement plans and goals to fruition. • Understand that God’s timing is an ongoing factor that you will learn to seek. Listen for the voice of the Holy Spirit as you plan and execute your life goals, working in sync with God’s timing. • Learn how to value training and identify good developmental opportunities to help you move forward. Lifelong learning is a requirement for anyone who wants to succeed in our ever-changing world. • Stop waiting on others for validation of your gifts and callings. Learn how to replace this limiting belief with the knowledge that God has granted you permission to soar in life. • Discover the power of forgiveness. When you have been betrayed or hurt, it is natural to harbor offense, yet this offense is toxic, causing you to see things through a negative filter and miss future opportunities. Whatever your own fiery trial has been, you can emerge victorious, empowered with a view of life that qualifies you to win. My friend, I invite you to move forward and soar into your future, igniting God’s purpose in every area of your life!

The Paper Solution Lisa Woodruff, 2022-01-25 From the Marie Kondo of paper comes a simple and accessible guide to paper management.

Americans are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and store file cabinets full of documents that we never even look at. Studies show that fully 85 percent of the paper in our lives can be tossed--but which 85 percent? And how do we organize and manage the 15 percent that remains? With *The Paper Solution*, founder of Organize365 Lisa Woodruff delivers a proven, step-by-step guide for what to shred, what to save, and how to sort what's left behind. With her method, you'll learn: • What documents you must absolutely hold on to • Which papers you can dispose of today • How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket: a box that sits on your counter and corrals those stray bills, forms, coupons, and scraps into an easy-to-use paper-management system. The Sunday Basket will become your new weekly habit--one that leads to less paper, less stress, and more time to spend on the things (and people) that matter most.
