*Watchwords* Timothy Geddert, 2015-01-29 Mark has written a remarkable Gospel. Deceptively simple on the surface, its mystery and ambiguity have intrigued and challenged scholar and lay reader alike. Through veiled clues, controlled word usage and carefully contrived ambiguity, Mark embeds profound theological reflections in the stories he tells. The eschatological discourse (Mark 13) is a prime example. Modern scholars have attempted in vain to eliminate the ambiguities of Mark 13. Does Mark expect the End to come very soon? What is the relationship between the Fall of the Temple and the End of the Age? But the evidence indicates that Mark has deliberately produced the very uncertainty which has troubled scholars and which they want to eliminate. In Mark, attention is diverted from 'signs' and 'evidences' to the twin and inseparable themes of 'discernment' and 'discipleship'. These themes are captured by the two primary 'watchwords' of Mark 13, which call believers to understand the significance of events they experience and to serve (and if necessary suffer) faithfully in the unknown period before the return of the Son of Man. In his communication techniques, his content and his priorities, Mark models himself after the Jesus he portrays. He calls readers, as Jesus called disciples, to follow and to understand - and sometimes to follow without understanding - until the unknown future when the Son of Man will reveal in its fullness the Kingdom now secretly present for those with eyes to see and ears to hear.

**The Narrative Integrity of Mark 13:24-27** Peter G. Bolt, 2021-11-18 Applying a literary and reader-oriented approach, this book asks what the Gospel of Mark refers to when it promises "the coming of the Son of Man" (13:24-27). This reading not only provides the solution to the various difficulties in understanding those verses, but, unlike other readings, it allows Mark 13:24-27 to be read as an integral part of the Gospel according to Mark. An examination of the wider narrative of the Gospel and Mark 13 itself, both in form and function as well as in its many details, demonstrates that these verses raise expectations that are then shown to be fulfilled in Jesus' death, resurrection, and launch of the gentile mission. As contemporary Christians await the future return of Christ, we already look back on "the coming of the Son of Man," which ought to inspire us to take further steps forward in Christian mission.

**Holy Bible (NIV)** Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. *Mark 13 and the Return of the Shepherd* Paul T. Sloan, 2019-01-24 Paul T. Sloan presents a detailed interpretation of Mark's Olivet Discourse in light of the Gospel's many allusions to the book of Zechariah, and argues that previous studies have rightly demonstrated the influence of Zechariah 9-14 on the Passion Narratives. Sloan shows that this influence is not merely confined to Mark's description of Jesus' final week, but also permeates much of his narrative; informing the Gospel's presentation of Jesus' royal identity, his action in the temple, the role of suffering in the bringing of God's kingdom, and the arrangement and interpretation of the Olivet Discourse. Sloan

begins with an extensive review of scholarship on the presence of Zechariah in Mark before analyzing the reception of relevant texts from Zechariah in Second Temple literature. He proceeds to a fresh examination of potential allusions to Zechariah throughout Mark, focusing especially on Mark's use of Zechariah 13:7 and 14:5. In addition to influencing significant themes in Mark's Gospel, Sloan argues that Zechariah provides a helpful framework by which to interpret Mark 13, offering a potential solution to a notorious *crux interpretum*, namely, why Jesus answers a question about the temple with reference to the coming of the son of man.

*Paul Ricoeur's Hermeneutics and the Discourse of Mark 13* Peter C. de Vries, 2016-12-14 This book uses the phenomenological interpretive approach of Paul Ricoeur to shed new light on New Testament eschatological expectation. Peter C. de Vries argues for a metaphorical reading of the apocalyptic discourse of Mark 13, based upon neither the author's intention nor the reader's reception but latent meaning present in the text itself.

**Revelation**, 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall,

the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*Jesus, the Temple and the Coming Son of Man* Robert H. Stein, 2014-08-20 The Gospels contain many hard sayings of Jesus, but perhaps none have puzzled and intrigued readers as much as Jesus' discourse on the coming of the Son of Man in Mark 13. Is Jesus speaking entirely of an event in the near future, a coming destruction of the temple? Or is he referring to a distant, end-of-the-world event? Or might he even be speaking of both near and distant events? But in that case, which words apply to which event, and how can we be sure? Seasoned Gospels scholar Robert Stein follows up his major commentary on Mark with this even closer reading of Mark 13. In this macro-lens commentary he walks us step by step through the text and its questions, leading us to a compelling interpretive solution.

**The Gospel According to Mark**, 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Mark of the Beast Revelation 13 Ezra Celestin, 2014-07-18 Christians view the mark of the beast as something futuristic. The receiving of the mark of the beast commands the wrath and indignation of God; and the consequences are severe. Many Christians have already accepted the mark of the beast; unbeknownst to them. They do not have a clear vision as to whom or what is the beast. Each denomination has their interpretation of the beast and how and when it will manifest. The word says, And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb. Revelation 14: 9, 10. Many Christian denominations believe the prophecy points to the papacy as the beast. However, in scripture, the Papal system has never been a beast, is not a beast and will never be a beast. To call that system the beast is to take the word of God on a very long stretch. This horn functions both politically and as a Christian Church. It persecuted and killed any Christian who disagrees with its dogmas. The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the

end. Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years. Then who is the beast? This book has the answer. Reviewed by Online Book Club: Official Review: The Mark of the Beast Revelation 13

**Signs of Christ's Return** John MacArthur, 1987

*The Gospel according to Mark* Camille Focant, 2012-07-06 The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense, enigmas and secrets, questions and overturning of evidence, irony and surprise. Its principal actor, Jesus, is perplexing in the extreme. He is evidently so for the religious authorities who oppose him, but also for his disciples, who shift from incomprehension to opposition and flight. Questions of meaning, life and death, good and evil are continually broached. This narrative is a subtle invitation to enter into a new world, that of the coming Reign of God, in which the first are last and whoever wants to save his life must lose it. This commentary on the Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark. As a narrative critical commentary, it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole. Even if the technical vocabulary of narrative analysis is not used, and the main results of the historical-critical criticism, particularly those of redaction criticism, are not neglected, as the notes will reveal, it is narrative criticism that guides the proceedings.

**National Directory for the Formation, Ministry, and Life of Permanent Deacons in the United States** Catholic Church. National Conference of Catholic Bishops. **Mark: The Gospel of Passion** Michael Card, 2012-02-24 Follow Me, Jesus told them, and I will make you into fishers of men! Immediately they left their nets and followed Him. --Mark 1:17-18 The Gospel of Mark is a book of action and passion. Events happen one after another, with a vivid sense of immediacy and urgency. Jesus' emotions come through strongly--at times he is angry and distressed, other times filled with compassion. In this volume, Michael Card provides a lively tour of the Gospel of Mark. As a friend and interpreter of Simon Peter, Mark gives firsthand glimpses of the life and ministry of Jesus in vibrant and energetic narration. The first Gospel to be written, Mark is a pamphlet for hard times, encouraging Christians that all their sufferings were already endured by Jesus. Accompany Mark on his journey with Jesus. The more clearly you see Jesus here, the greater your passion will be for him.

*Experiencing the Shock of Mark 13* Jeremiah Jordan Hamby, 2020 The Gospel of Mark is a narrative text, a piece of literature, a story. In this narrative, the apocalyptic rule of God, Jesus, and other literary elements of the narrative then come together in a particular way within Mark 13 to shock the readers. Readers progress through the narrative and are shaped by various aspects of it along the way. The primary goal of this thesis is to look at Mark 13 and how narrative elements come together to evoke a particular experience in readers. Readers and stories meet at places where their horizons, their vantage points, converge. Narrative experiences occur at this intersection. They begin the drama of reading as their worlds, their networks, overlap with each other, and evoke experiences within readers. These points of convergence create the possibility of affective experiences. Rita Felski argues that affective experiences are integral to the “uses” of literature and her use of Actor-Network Theory indicates that various actors contribute to how these affective experiences occur. When we are able to consider the experiences that portions of Scripture evoke, then we can understand more fully the use of Scripture. This project uses the work of Felski as well as narrative critical approaches from biblical studies to demonstrate how readers are shocked when they read Mark 13 as part of the whole Markan narrative.

*Perspectives on the Ending of Mark* Maurice Robinson, Darrell L. Bock, Keith Elliott, Daniel Wallace, 2008 The debate continues among today's leading Bible scholars about the conspicuous exclusion of twelve verses (16:9-20) in the gospel of Mark from some early Greek manuscripts.
