Illustrating Asia John A. Lent, 2001-11-30 Illustrations used for story-telling and mirth-making have enlivened Asian walls, scrolls, books, public and private places, and artifacts for millennia. Often playful and humorous, Asian pictorial stories lent conspicuous elements to contemporary comic art, particularly with their use of narrative nuance, humor, satire, and dialogue. *Illustrating Asia* is a fascinating book on a subject that is of wide and topical interest. All of the articles consider cartoon and/or comic art in the historical and social setting of seven South, Southeast, and East Asian countries: India, Taiwan, Malaysia, Indonesia, Sri Lanka, China, and Japan. The contributors treat comic and narrative art—including comic books, comic strips, picture books, and humor and fan magazines—in both historical and socio-cultural perspectives, as well as portrayals of ancient Chinese philosophy, gender, and the enemy in cartoons and comics. Contributors: Laine Berman, John A. Lent, Fusami Ogi, Rei Okamoto, Ronald Provencher, Aruna Rao, Kuiyi Shen, Shimizu Isao, Shu-chu Wei, Yingjin Zhang.

The Darkening Dream Andy Gavin, 2011-12-23 An ominous vision and the discovery of a gruesome corpse lead Sarah Engelmann into a terrifying encounter with the supernatural in 1913 Salem, Massachusetts. With help from Alex, an attractive Greek immigrant, Sarah sets out to track the evil to its source, never guessing that she will take on a conspiracy involving not only a 900-year vampire, but also a demon-loving Puritan warlock, disgruntled Egyptian gods, and an immortal sorcerer, all on a quest to recover the holy trumpet of the Archangel Gabriel. Relying on the wisdom of an elderly vampire hunter, Sarah's rabbi father, and her own disturbing visions, Sarah must fight a millennia-old battle between unspeakable forces, where the ultimate prize might be herself.

Race with the Devil Joseph Pearce, 2013-08-01 Before he was the world's foremost Catholic biographer, Joseph Pearce was a leader of the National Front, a British-nationalist, white-supremacist group. Before he published books highlighting and celebrating the great Catholic cultural tradition, he disseminated literature extolling the virtues of the white race, and calling for the banishment of all non-white from Britain. Pearce and his cohorts were at the center of the racial and nationalist tensions—often violent—that swirled around London in the late-1970s and early 80s. Eventually Pearce became a top member of the National Front, and the editor of its newspaper, *The Bulldog*. He was a full-time revolutionary. In 1982 he was imprisoned for six months for hate speech, but he came out with more anger, and more resolve. Several years later, he was imprisoned again, this time for a year and it spurred a sea change in his life. In *Race with the Devil: My Journey from Racial Hatred to Rational Love*, Pearce himself takes the reader through his journey from racist revolutionary to Christian, including: The youthful influences that lead him to embrace the National Front and their racist platform His dark, angry, exhilarating but ultimately empty days as a revolutionary on the front lines His imprisonment and subsequent dark night of the soul The role that Catholic luminaries such as G. K. Chesterton, Hilaire Belloc, and C. S. Lewis played in his conversion from racist radical to joyful

Christian And his eventual reception in the Catholic Church Race with the Devil is one man's incredible journey to Christ, but it also much more. It is a testament to God's hand active among us and the infinite grace that Christ pours out on his people, showing that we can all turn—or return—to Christ and his Church.

Interest Rate Modeling Leif B. G. Andersen,Vladimir V. Piterbarg,2010 The three volumes of Interest rate modeling are aimed primarily at practitioners working in the area of interest rate derivatives, but much of the material is quite general and, we believe, will also hold significant appeal to researchers working in other asset classes. Students and academics interested in financial engineering and applied work will find the material particularly useful for its description of real-life model usage and for its expansive discussion of model calibration, approximation theory, and numerical methods.--Preface.

Literary Converts Joseph Pearce,2009-09-03 *Literary Converts* is a biographical exploration into the spiritual lives of some of the greatest writers in the English language: Oscar Wilde, Evelyn Waugh, C.S. Lewis, Malcolm Muggeridge, Graham Greene, Edith Sitwell, Siegfried Sassoon, Hilaire Belloc, G.K. Chesterton, Dorothy Sayers, T.S. Eliot and J.R.R. Tolkien. The role of George Bernard Shaw and H.G. Wells in intensifying the religious debate despite not being converts themselves is also considered. Many will be intrigued to know more about what inspired their literary heroes; others will find the association of such names with Christian belief surprising or even controversial. Whatever viewpoint we may have, *Literary Converts* touches on some of the most important questions of the twentieth century, making it a fascinating read.

Untimed Andy Gavin,2013-01-01 Charlie's the kind of boy that no one notices. Hell, his own mother can't remember his name. So when a mysterious clockwork man tries to kill him in modern day Philadelphia, and they tumble through a hole into 1725 London, Charlie realizes even the laws of time don't take him seriously. Still, this isn't all bad. Who needs school when you can learn about history first hand, like from Ben Franklin himself. And there's this girl... Yvaine... another time traveler. All good. Except for the rules: boys only travel into the past and girls only into the future. And the baggage: Yvaine's got a baby boy and more than her share of ex-boyfriends. Still, even if they screw up history - like accidentally let the founding father be killed - they can just time travel and fix it, right? But the future they return to is nothing like Charlie remembers. To set things right, he and his scrappy new girlfriend will have to race across the centuries, battling murderous machines from the future, jealous lovers, reluctant parents, and time itself.

Wisdom and Innocence Joseph Pearce, 2015 Through years of meticulous research and access to the literary estate of G.K. Chesterton, Joseph Pearce presents a major biography of a 20th century literary giant, providing a great deal of important information on GKC never before published. This is a thoroughly readable and delightful biography of a multi-faceted author, artist and debater who loved the friendship of children, idolized his wife and enjoyed great friendships with the likes of Hilaire Belloc, Bernard Shaw and H.G. Wells. Illustrated.

The Anti-Mary Exposed Carrie Gress, 2019 The Demonic Influence on Women Today In the late '60s, a small group of elite American women convinced an overwhelming majority of the country that destroying the most fundamental of relationships—that of mother and child—was necessary for women to have productive and happy lives. From the spoiling of this relationship followed the decay of the entire family, and almost overnight, our once pro-life culture became pro-lifestyle, embracing everything that felt good. Sixty million abortions later, women aren't showing signs of health, happiness, and fulfillment. Increased numbers of divorce, depression, anxiety, sexually transmitted disease, and drug abuse all point to the reality that women aren't happier, just more medicated. Huge cultural shifts led to a rethinking of womanhood, but could there be more behind it than just culture, politics, and rhetoric? Building off the scriptural foundations of the anti-Christ, Carrie Gress makes an in-depth investigation into the idea of an anti-Mary—as a spirit, not an individual—that has plagued the West since the '60s. Misleading generations of women, this anti-Marian spirit has led to the toxic femininity that has destroyed the lives of countless men, women, and children. Also in *The Anti-Mary Exposed: How radical feminism is connected to the errors of Russia*, spoken of by Our Lady of Fatima. The involvement and influence of the goddess movement and the occult. The influence of female demons, such as Lilith and Jezebel. The repulsive underbelly of radical feminism's chief architects. A look at the matriarchy, a cabal of elite women committed to abortion, who control the thinking of most women through media, politics, Hollywood, fashion, and universities.
