

Word Emperor

Geoffrey Parker

A Pocket Dictionary of Roman Emperors Paul Roberts, 2006 The Roman Empire was one of the greatest political powers of the ancient world, encircling the entire Mediterranean Sea and lasting for nearly five centuries. This illustrated dictionary traces the history of twenty-seven of the empire's supreme rulers. Meet Trajan, who pushed the empire's frontiers to their greatest extent; Hadrian, who built his famous wall and the Pantheon; Septimius Severus, the African emperor who rebuilt Rome and the empire after ruinous wars; and Constantine, who reunited the empire and made Christianity the official religion. Then read about the emperors who were mad, bad, and dangerous to know: Nero, who murdered his relatives and swept away much of Rome to build his Palace; and Caligula and Domitian, who were infamous for their cruelty and extreme behavior.--BOOK JACKET.

Emperor and Clown Dave Duncan, 2014-04-01 The saga of Inos and Rap comes to its thrilling conclusion in the final Man of His Word novel from "one of the leading masters of epic fantasy" (Publishers Weekly). While Queen Inos and her new husband, the cursed Sultan Azak, head to the capital city to beg the emperor's aid, Rap is imprisoned and tortured in the sultan's dungeons. But a third magic word gives him power beyond his wildest dreams, allowing him to escape. Struggling with his newfound abilities--and his feelings for Inos--he follows after her. With his faithful companions, Rap will find himself battling old enemies, fulfilling prophecies, and navigating the empire's politics, forging his own destiny as one of the most feared men in the kingdom. "If it's traditional fantasy adventure with a bit of nudge-nudge wink-wink you're after, Dave Duncan is your go-to guy." --SFReviews.net "Duncan takes all the trusted fantasy ingredients, meticulously prepares them and brings them together with skill and relish. . . . The series bears resemblance to Robin Hobb's Farseer Trilogy." --Fantasy Book Review "Duncan's unique concept of goblins, fauns, and imps adds a new twist to this imaginative fantasy adventure. Recommended." --Library Journal

The Emperor of the Ancient Word and Other Fantastic Stories Darrell Schweitzer, 2013-10-16 Seventeen fantasies by one of the field's most prolific short story authors, including tales of...mad gods, specters returning from the beyond, inexplicable enigmas from outer space, a romantic and surreal interlude of the legendary madman, Tom O'Bedlam, time travel to allow an irate professor to settle the Shakespearean authorship controversy, and the King Arthur legend--plus genuinely frightening horror, including the celebrated story, The Dead Kid. Mike Ashley calls the author today's supreme stylist of fantasy, and Tanith Lee says that Schweitzer is a story-teller, by whose smoky fire one may sit spellbound. First-rate stories of the fantastic by a World Fantasy Award winner!

In the Words of Napoleon R.M. Johnston, 2016-11-30 A powerful portrait of a complex individual. It uses Napoleons own words to show his genius, arrogance, insecurities, and frustrations. The reader will be amazed by Napoleons attention to detail, from those of pressing national interests to the mundane (such as the problem of heartbroken soldiers in his guard.) . . . This makes it an invaluable reference book that should be on the bookshelf of anyone interested in the period. Rob Burnham, Editor, Napoleon Series In the words of Napoleon is a startling insight into the life and deeds of Napoleon I. Derived from Napoleons extensive correspondence and his other writings and recorded speech, this valuable compilation acts as a diary or journal, encompassing the whole of the emperors life. Napoleons words as recorded on a particular day are set down as entries, and these offer a unique glimpse into the major events of the Napoleonic period. The diary reveals Napoleons thoughts and actions as his great life unfolded and throws light on his attitudes to war, politics and the many varied personalities who surrounded or opposed him. As entries appear on an almost daily basis, the reader has the opportunity to trace the surging course of events as they happened, and to witness the emperors response to the rise and fall of his fortunes. Philip

Haythornthwaite provides a fascinating introduction which analyses Napoleons words, and includes biographical sketches of the key personalities of the era.

Emperor and Aristocracy in Japan, 1467-1680 Lee Butler, 2020-03-23 An institution in decline, possessing little power in an age dominated by warriors? Or a still-potent symbol of social and political legitimacy? Emperor and Aristocracy in Japan traces the fate of the imperial Japanese court from its lowest point during the turbulent, century-long sengoku, when the old society, built upon the strength and influence of the court, the priesthood, and a narrow warrior elite, was shaken to its foundations, to the Tokugawa era, when court culture displayed renewed vitality, and tea gatherings, flower arranging, and architecture flourished. In determining how the court managed to persist and survive, Butler looks into contemporary documents, diaries, and letters to reveal the court's internal politics and protocols, hierarchies, finances, and ceremonial observances. Emperor and courtiers adjusted to the prominence of the warrior elite, even as they held on to the ideological advantages bestowed by birth, tradition, and culture. To this historical precedent the new wielders of power paid dutiful homage, ever mindful that ranks and titles, as well as the political blessing of the emperor, were advantageous marks of distinction.

The German Emperor as Shown in His Public Utterances German Emperor William Ii, 2022-08-01 DigiCat Publishing presents to you this special edition of The German Emperor as Shown in His Public Utterances by German Emperor William Ii. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Emperor in Hell Jeff Pepper, 2020-04 The Emperor In Hell is the fifth book in the Journey to the West series of stories by Jeff Pepper and Xiao Hui Wang. Other titles include Rise of the Monkey King, Trouble in Heaven, The Immortal Peaches and The Young Monk. The story starts innocently enough, with two good friends chatting as they walk home after eating and drinking at a local inn. One of the men, a fisherman, tells his friend about a fortuneteller who advises him on where to find fish. This seemingly harmless conversation between two minor characters triggers a series of events that eventually cost the life of a supposedly immortal being, and cause the great Tang Emperor himself to be dragged down to the underworld. He is released by the Ten Kings of the Underworld, but is trapped and must escape with the help of a deceased courtier named Cui Jue. This book is based on chapters 9, 10 and 11 of Journey To The West, an epic novel written in the 16th Century by Wu Chen'en. Each book in our Journey to the West series covers a short section of the original 2,000-page novel. Journey To The West is loosely based on an actual journey by the Buddhist monk Xuanzang, who traveled from the Chinese city of Chang'an westward to India in 629 A.D. and returned 17 years later with priceless knowledge and texts of Buddhism. Over the course of the book the band of travelers face the 81 tribulations that Xuanzang had to endure to attain Buddhahood. This book, the fifth in the series, tells the final series of stories that lead us to the actual journey to the west, which starts in Book 6. It is by far the darkest and most frightening of all the stories we've told so far, with a series of horrifying visions of after-death punishment of evildoers that are reminiscent of those in Dante's Inferno. The story is written, as much as possible, using the 600 word vocabulary of HSK 3. It is presented in simplified Chinese characters and pinyin, and includes an English version and complete glossary. A free Chinese language audiobook is also available on YouTube, on the Imagin8 Press channel.

The Words of the Emperor Julian Julian (Emperor of Rome), 1930

Imagining the Roman Emperor Panayiotis Christoforou, 2023-07-31 How was the Roman emperor viewed by his subjects? How strongly did their perception of

his role shape his behaviour? Adopting a fresh approach, Panayiotis Christoforou focuses on the emperor from the perspective of his subjects across the Roman Empire. Stress lies on the imagination: the emperor was who he seemed, or was imagined, to be. Through various vignettes employing a wide range of sources, he analyses the emperor through the concerns and expectations of his subjects, which range from intercessory justice to fears of the monstrosities associated with absolute power. The book posits that mythical and fictional stories about the Roman emperor form the substance of what people thought about him, which underlines their importance for the historical and political discourse that formed around him as a figure. The emperor emerges as an ambiguous figure. Loved and hated, feared and revered, he was an object of contradiction and curiosity.

The Emperor of Portugallia Selma Lagerlöf, 2020-07-22 The Emperor of Portugallia by Selma Lagerlof was first published in 1914 in Sweden and in 1916 in English. The story is set in Vaermland around 1860 or 1870 and centers on Jan of Ruffluck Croft. He loves his daughter more than anything, but when the latter moves to Stockholm, she never sends a word home. As a result, Jan sinks into a dream-world where she is the noble Empress of Portugallia and he believes himself to be Emperor too. His whole world and all his thoughts are dominated by the thoughts of her return and what will happen then. In the role of Emperor in the poor forest country where he lives, he can question the social hierarchies around him, and dressed in his Royal regalia he sits on the front bench in Church, and takes the place of honour at Parties etc. After 15 years his daughter returns home and is shocked to see what a mad clown her father has become. Selma Lagerlöf (1858-1940) has written a series of novels and short stories about peasant life in Sweden. Her first novel Gösta Berling's Saga was made into the 1924 eponymous silent film featuring Greta Garbo, as well as into the 1925 Zandonai opera I Cavalieri di Ekebù. Lagerlöf was the first female writer to win the Nobel Prize in literature, which was awarded to her in 1909. She was also the first female member of the Swedish Academy, which she entered in 1914.

Battle God Emperor Feng ShiSanLang, 2020-09-25 The invincible Heaven Fighting Saint was betrayed by his celestial wife and brothers. He was reborn in his youth and swore to become the War God Emperor in this world. He would crush all strong enemies and peerless beauties and beat them up! A hot-blooded battle with no end in sight! In the vast and boundless Pangu Continent, large and small sects, ancient sacred lands, ancient aristocratic clans, and ten thousand different dynasties competed against each other; in the many secular dynasties, the imperial power was supreme, ruling over ten thousand miles. Was it to become an ant or an ordinary spirit, or to condense battle qi to become a warrior, to awaken the three types of battle spirits, to experience hundreds of battles to comprehend the four types of battle force, to become a peerless expert, to become a Holy Land of War, to shatter the void, and to compete with the Heavens! This was a world of warriors, cultivating battle qi, transforming the soul of war, condensing battle force, and rising above all worlds!

Emperor Geoffrey Parker, 2019-06-25 This "elegant and engaging" biography dramatically reinterprets the life and reign of the sixteenth-century Holy Roman Emperor: "a masterpiece" (Susannah Lipscomb, Financial Times). The life of Emperor Charles V (1500-1558), ruler of Spain, Germany, the Netherlands, and much of Italy and Central and South America, has long intrigued biographers. But capturing the nature of this elusive man has proven notoriously difficult—especially given his relentless travel, tight control of his own image, and the complexity of governing the world's first transatlantic empire. Geoffrey Parker, one of the world's leading historians of early modern Europe, has examined the surviving written sources in Dutch, French, German, Italian, Latin, and Spanish, as well as visual and material evidence. In *Emperor*, he explores the crucial decisions that created and

preserved this vast empire, analyzes Charles's achievements within the context of both personal and structural factors, and scrutinizes the intimate details of the ruler's life for clues to his character and inclinations. The result is a unique biography that interrogates every dimension of Charles's reign and views the world through the emperor's own eyes.

Citizen Emperor Roderick J. Barman, 1999 In the history of post-colonial Latin America no person has held power so firmly and for so long as did Pedro II as emperor of Brazil. This is the first full-length biography in 60 years, and the first in any language to make close use of Pedro II's diaries and family papers.

The Emperor Ryszard Kapuscinski, 1983-03-01 This account of the rise and fall of Ethiopian emperor Haile Selassie is "an unforgettable, fiercely comic, and finally compassionate book" (Salman Rushdie, Man Booker Prize-winning author). After Haile Selassie was deposed in 1974, Ryszard Kapuściński-Poland's top foreign correspondent—went to Ethiopia to piece together a firsthand account of how the emperor governed his country, and why he finally fell from power. At great risk to himself, Kapuściński interviewed members of the imperial circle who had gone into hiding. The result is this remarkable book, in which Selassie's servants and closest associates share accounts—humorous, frightening, sad, grotesque—of a man living amidst nearly unimaginable pomp and luxury while his people teetered between hunger and starvation. It is a classic portrait of authoritarianism, and a fascinating story of a forty-four-year reign that ended with a coup d'état in 1974.

In the Realm of a Dying Emperor Norma Field, 2011-02-09 When the Emperor Hirohito died in 1989, Japanese newspapers had to use a special, exalted word to refer to his death, and had to depict his life uncritically, as one beginning in turbulence but ending in magnificent accomplishment. To do otherwise would have exposed them to terrorism from the vigilant right wing. Yet this insightful book by a Japanese-American scholar who grew up in both cultures reveals the hidden fault lines in the realm of the dying emperor by telling the stories of three unlikely dissenters: a supermarket owner who burned the national flag; an aging widow who challenged the state's deification of fallen soldiers; and the mayor of Nagasaki, who risked his career and his life by suggesting that Hirohito bore some responsibility for World War II.

The Goblin Emperor Katherine Addison, 2014-04-01 A lush tale of deadly court intrigue and a modern classic of fantasy by Locus award winner and Hugo, Nebula, and World Fantasy Award finalist Katherine Addison Unbound Worlds 100 Best Fantasy Novels of All Time A Best Fantasy Novel of the Decade Pick for BookRiot Striking.—The New York Times The youngest, half-goblin son of the Emperor has lived his entire life in exile, distant from the Imperial Court and the deadly intrigue that suffuses it. But when his father and three half brothers in line for the throne are killed in an accident, he has no choice but to take his place as the only surviving rightful heir. Entirely unschooled in the art of court politics, he has no friends, no advisors, and the sure knowledge that whoever assassinated his father and brothers could make an attempt on his life at any moment. Surrounded by sycophants eager to curry favor with the naïve new emperor, and overwhelmed by the burdens of his new life, he can trust nobody. Amid the swirl of plots to depose him, offers of arranged marriages, and the specter of the unknown conspirators who lurk in the shadows, he must quickly adjust to life as the Goblin Emperor. All the while, he is alone, and trying to find even a single friend . . . and hoping for the possibility of romance, yet also vigilant against the unseen enemies that threaten him, lest he lose his throne—or his life. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sacred Music as Public Image for Holy Roman Emperor Ferdinand III Andrew H. Weaver, 2016-04-08 Ferdinand III played a crucial role both in helping to end the Thirty Years' War and in re-establishing Habsburg sovereignty within his

hereditary lands, and yet he remains one of the most neglected of all Habsburg emperors. The underlying premise of *Sacred Music as Public Image* for Holy Roman Emperor Ferdinand III is that Ferdinand's accomplishments came not through diplomacy or strong leadership but primarily through a skillful manipulation of the arts, through which he communicated important messages to his subjects and secured their allegiance to the Catholic Church. An important locus for cultural activity at court, especially as related to the Habsburgs' political power, was the Emperor's public image. Ferdinand III offers a fascinating case study in monarchical representation, for the war necessitated that he revise the image he had cultivated at the beginning of his reign, that of a powerful, victorious warrior. Weaver argues that by focusing on the patronage of sacred music (rather than the more traditional visual and theatrical means of representation), Ferdinand III was able to uphold his reputation as a pious Catholic reformer and subtly revise his triumphant martial image without sacrificing his power, while also achieving his Counter-Reformation goal of unifying his hereditary lands under the Catholic church. Drawing upon recent methodological approaches to the representation of other early modern monarchs, as well as upon the theory of confessionalization, this book places the sacred vocal music composed by imperial musicians into the rich cultural, political, and religious contexts of mid-seventeenth-century Central Europe. The book incorporates dramatic productions such as opera, oratorio, and Jesuit drama (as well as works in other media), but the primary focus is the more numerous and more frequently performed Latin-texted paraliturgical genre of the motet, which has generally not been considered by scholars as a vehicle for monarchical representation. By examining the representation of this little-studied emperor during a crucial time in European history, this book opens a window into the unique world view of the Habsburgs, allowing for a previously untold narrative of the end of the Thirty Years' War as seen through the eyes of this important ruling family.

- Word Emperor Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Word Emperor Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Word Emperor : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Word Emperor : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Word Emperor Offers a diverse range of free eBooks across various genres. Word Emperor Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Word Emperor Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Word Emperor, especially related to Word Emperor, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Word Emperor, Sometimes

enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Word Emperor books or magazines might include. Look for these in online stores or libraries. Remember that while Word Emperor, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Word Emperor eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Word Emperor full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Word Emperor eBooks, including some popular titles.

FAQs About Word Emperor Books

How do I know which

eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Word Emperor is one of the best book in our library for free trial. We provide copy of Word Emperor in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Word Emperor. Where to download Word Emperor online for free? Are you

looking for Word Emperor PDF? This is definitely going to save you time and cash in something you should think about.
