This study is the first to provide a conceptual basis of observers' behavioral reactions towards organizational complaint handling in the context of social media and to empirically test the effect of the two most resource-intensive response options of compensation and explanation. With the help of a profound experimental design, the author detects strategies on how hotel companies should respond towards negative online customer reviews in order to increase the observer's purchase intention and the hotel company's return on complaint management.

The Ministry of the Word, Vol. 02, No. 01 Various Authors,2023-03-03 The three previous issues of The Ministry contained a series of messages entitled "Vision in God's Economy," comprising Brother Lee's fellowship with the elders and co-workers in Taipei in March 1986. Following this enlightening and crucial word concerning the vision that matches the age, Brother Lee began to speak concerning the present practice in the Lord's recovery. His speaking, which we include in this issue, was a continuation of his desperate fight, begun in October 1984, to overturn the old traditions among the churches and bring in a new way, the God-ordained way, to meet and to serve. In this message, our brother emphasizes the practice of the new way: to preach the gospel, build up the small groups, and teach the truth, while not forsaking the larger church meetings on the Lord's Day morning. Six other messages in this issue are taken from the Thanksgiving Conference in November 1997. The general subject of this conference was "The Sevenfold Intensified Heavenly Ministry of Christ." Christ's work in the stage of His intensification is to intensify His organic salvation, to produce the overcomers to build up the Body of Christ, and to consummate the New Jerusalem. We must advance from a work in the stages of incarnation and inclusion to the work in the stage of intensification. The Lord's speaking in this conference through His ministry was instant and intensified, showing us the way to become lovers of Christ, martyrs for Christ, and eaters of Christ for the ultimate consummation of God's eternal economy, the New Jerusalem. The

Lord is advancing in His move to propagate Himself in Eastern and Western Europe. In this issue we include a report on the Lord’s move there, providing some details of the work to distribute our publications, the Full-time Training in London, an international meeting of brothers, and upcoming international blending conferences in five European countries.
