

Wordstone Dictionary

William Morris,Mary Morris

The Endangered English Dictionary: Bodacious Words Your Dictionary Forgot David Grambs,1997-08-17 Like animals, plants and book reviewers, words can become extinct, but Grambs is here to salvage the most missed of the lexical dinosaurs.—Patricia Holt, San Francisco Chronicle We often hear about the richness of the English language, how many more words it contains than French or German. And yet modern desk dictionaries are the result of a paring away of that glory, so that merely standard, functional, current words remain. The price we pay for such convenience is the thousands of delightful words we never see or hear. This book is an effort to save some of those words applicable to everyday life and countless word games from extinction. The resultant treasure trove of exotic verbal creatures is an indispensable resource for every lover of language. A selection: egrutten: having a face swollen from weeping numquid: an inquisitive person sardoodledum: drama that is contrived, stagy, or unrealistic mimp: to purse one's lips

Word Parts Dictionary Michael Sheehan,2000 Here at last is a one-stop word-reference book for language lovers. Anyone who has scoured a regular dictionary or thesaurus in search of an elusive word expressing a specific meaning will appreciate this versatile reference. This dictionary, split into three parts, presents the prefixes, suffixes, combining forms and roots that fit together to form words in English. Part I, an alphabetical listing of word parts with definitions, allows a reader to quickly locate the meaning of a known word part. Part II, the Finder, allows a user to start with a meaning or concept and then find word parts that express that meaning. Part III, also a reverse dictionary, organizes the word parts under broad headings: where a reader might consult Part II for word parts relating to Skull, Part III gives a complete listing of word parts pertaining to The Body.

The Painted Word Phil Cousineau,Gregg Chadwick,2012-09-18 WORDCATCHER Phil Cousineau illuminates the history and mystery of weird and wonderful word storiesTo untangle the knot of interlocking meanings of these painted words, logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition. He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used, ending with a list of companion words. The words themselves range from commonplace - like biscuit, a twice-baked cake for Roman soldiers - to loanwords including chaparral, from the Basque shepherds who came to the American West; words from myths, such as hector; metamorphosis words, like silly, which evolved holy to goofy in a mere thousand years; and words well worthy of revival, such as carrytale, a wandering storyteller. Whether old-fangled or brand new, all the words included in The Painted Word possess an ineffable quality that makes them luminous.

New Illustrated Edition of Dr. Webster's Unabridged Dictionary of All the Words in the English Language Noah Webster,1864

The Accidental Dictionary Paul Anthony Jones,2017-10-03 Our everyday language is full of surprises; its origins are stranger than you might think. Any word might be knocked and buffeted, subjected to twists and turns, expansions and contractions, happy and unhappy accidents. There are intriguing tales behind even the most familiar terms, and they can say as much about the present as they do the past.Busking, for instance, originally meant piracy. Grin meant to snarl. A bimbo was a man; nice meant ignorant; glamor was magic; and a cupboard was a table. Buxom used to mean obedient; a cloud was a rock; raunchy originally meant dirty.Focusing on one hundred surprising threads in the evolution of English, The Accidental Dictionary reveals the etymological origins and quirky developments that have led to the meanings we take for granted today. It is a weird and wonderful journey into words.

The Word Book ,1976

New Words Jonathon Green,1994 An A-Z of words which have entered the English language since the 1960s. With over 2000 entries and 4000 definitions, this book reflects the preoccupations and characters of the three decades, from the Age of Aquarius to yuppies and dinkies to nanotechnology.

The Wordsworth Dictionary of Synonyms and Antonyms Martin H. Manser,1998 This dictionary aims to help users to find the most appropriate word to use on a wide range of occasions. It is designed in particular for students, those writing reports, letters and speeches, and crossword solvers, but is also useful as a general word reference. Special features include: an alphabetical A-Z listing; numbered senses for words with more than one meaning; British and American variants; and specially marked colloquial uses.

The Disappearing Dictionary David Crystal,2015-05-21 Wherever you go in the English-speaking world, there are linguistic riches from times past awaiting rediscovery. All you have to do is choose a location, find some old documents, and dig a little. In The Disappearing Dictionary, linguistics expert Professor David Crystal collects together delightful dialect words that either provide an insight into an older way of life, or simply have an irresistible phonetic appeal. Like a mirror image of The Meaning of Liff that just happens to be true, The Disappearing Dictionary unearths some lovely old gems of the English language, dusts them down and makes them live again for a new generation. dabberlick [noun, Scotland] A mildly insulting way of talking about someone who is tall and skinny. 'Where's that dabberlick of a child?' fubsy [adjective, Lancashire] Plump, in a nice sort of way. squinch [noun, Devon] A narrow crack in a wall or a space between floorboards. 'I lost sixpence through a squinch in the floor'.

Favorite Illustrated Dictionary ,1887

Bloomsbury Dictionary of Word Origins John Ayto,1991 The average English speaker knows 50,000 words in contemporary use - 25 more words than there are stars in the night sky visible to the naked eye. Yet stripped down to its origins, this apparently huge vocabulary is in reality a much smaller number of words from Latin, French and the Germanic languages. It is estimated that every year, 800 neologisms are added to the English language: acronyms - 'yuppie', blended words - 'motel', and those taken from foreign languages - 'savoir-faire'. The Bloomsbury Dictionary of Word Origins provides a concise history of over 8,000 of the most commonly used words. The range of information spans from derivations as simple as 'a' and 'one' from 'an', to historical relations between words which would be obscure to all but the most lexically-minded. For instance 'vice' with its several uses in English - a wickedness, a holding tool - is derived via Old French from two separate Latin words: 'vitium' (defect, offence), and 'vitis' (vine) which gave 'viticulture'. The Bloomsbury Dictionary of Word Origins demonstrates how the diverse influences on English have given rise to some unlikely but fascinating lexical relations. 'Bishop' had no ecclesiastical

Beautiful Words David Tuffley,2012-05-22 As English has evolved over the past 1,500 years, words that were once in common usage have slipped out of usage. Some are delightful, others not so much. This book blows the dust off over a thousand delightful words, bringing them to a whole new audience. If you enjoy words for their own sake, or if you are at all curious about how people talked and wrote when the world was a quite different place, then this book is for you. The perfect gift for those who love words. Ever since it emerged as a distinct language from the West Germanic dialect spoken by early arrivals to what is now called England around the 5th Century C.E, English has busily absorbed many thousands of words from Ancient Greek, Roman Latin, the Northern Germanic languages of Scandinavia, the French spoken in Normandy, and more recently from countries that were once part of the British Empire (for example India). Most recently, American English has contributed many words to colourfully describe the modern world. The Oxford English Dictionary in 2011 lists over 250,000 words, and that does not include many more technical and slang words. Use this book like a hungry person might approach a delicious buffet lunch. It deserves to be consumed slowly, savouring the flavours and giving them time to be properly digested.

Use Your Words C. Windridge,1984

English Vocabulary Quick Reference Roger S. Crutchfield,1997 Provides two hundred sixty Greek and Latin word roots and lists words containing those roots along with the definition, entymology, and pronunciation for each.

The Wordsworth Dictionary of Difficult Words Robert H. Hill,1993

The Practical Standard Dictionary of the English Language Frank H. Vizetelly,1922

Dictionary of Word Origins Linda Flavell,Roger Flavell,2016-09-29 Words are the building blocks of language, but their derivations are often stories in themselves. Have you ever wondered why we wear perfume, read magazines, vote for candidates, speak in jargon? With entries from Accolade to Zoo and including such disparate items as Blackmail, Fiasco, Influence and Rigmarole, Dictionary of Word Origins explains the origins and development of 300 commonly used words. Essays scattered throughout the book deal with more general topics such as A Taste of India, Days of the Week and Precise Timing and allow the authors to expand on broader themes.

Concise Dictionary of Scottish Words and Phrases Betty Kirkpatrick,2006-10-01 A concise but comprehensive collection of Scottish words and phrases.

Morris Dictionary of Word and Phrase Origins William Morris,Mary Morris,1977 The first Edition of the Morris Dictionary of Word and Phrase Origins detailed the fascinating and little known stories behind thousands of words and phrases that we use every day. In this new edition, William and Mary Morris update and expand their classic work to keep pace with our ever changing language. New entries include: New trends--crack, glitch, greenmail, Harrier attack airplanes Foreign terms--falafel, geisha, jihad, paparazzi People--batman, dead end kid, Dutch uncle, hatchet man, Young Turks Given names--Chester, Edith, Jennifer and others Food--Adam and Eve on a raft, alligator pear, grapefruit, Harriet Lane Sports--box score, cheese champions, full court press and many more Throughout the Morris' s present the histories of intriguing expressions in an eminently entertaining and readable fashion.

The Dictionary of English Inflected Words, with the Syllabication of All the Words According to a System Founded on Well-defined Principles James Stormonth,1877

Wordstone Dictionary Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers,

eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Wordstone Dictionary free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Wordstone Dictionary free PDF files of magazines, brochures, and catalogs, Issuu

is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Wordstone Dictionary free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Wordstone Dictionary. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Wordstone Dictionary any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Wordstone Dictionary Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Wordstone Dictionary is one of the best book in our library for free trial. We provide copy of Wordstone Dictionary in digital format, so the resources that you find are reliable.
