Josiah Quincy

Office Hour Julia Cho, 2018-12-06 Gina was warned that one of her students would be a problem. Eighteen years old and strikingly odd, Dennis writes violently obscene work clearly intended to unsettle those around him. Determined to know whether he's a real threat, Gina compels Dennis to attend her office hours. But as the clock ticks down, Gina realizes that "good" versus "bad" is nothing more than a convenient illusion, and that the isolated young student in her office has learned one thing above all else: For the powerless, the ability to terrify others is powerful indeed.

What E'er Thou Art Act Well Thy Part David Oman McKay, Stan Larson, Patricia Larson, 1999 David O. McKay served for the nearly twenty years as the beloved President and Prophet of the Church of Jesus Christ of Latter-day Saints. McKay is known for his challenge to Mormons: "Every Member a Missionary." Everyone interested in LDS missionary work will want to read this interesting account. Now for the first time are published the diaries of David O. McKay as a young Mormon missionary in a foreign land far from his home in Huntsville, Utah - in fact, this is the first time in LDS Church history that the missionary diaries of one who later became President of the Church can be read.

The Other Side of Heaven John H. Groberg, 2001

This first-person account tells the fascinating story of the three years Elder Groberg spent on the islands in the South Pacific amidst a kindly people who had a deep faith in God, a faith that provides the backdrop for Elder Groberg's accounts of miraculous healings, protective warnings, and perilous voyages; for such stories as: The emergency night voyage on a turbulent sea, and the anxious search for the only guiding light into the destination harbor. The boy whose apparently lifeless body was handed to the missionaries with the words, Here, make him well again you have the power. The storm that overturned the boat, throwing missionaries into the raging sea. The hurricane that hit the little island. The hunger when the usual supply boat failed to show up. And much, much more. This remarkable book paints a vivid picture of missionary life in a society geared to a different way of thinking.
