Literary Half-Lives R. Rubenstein,2014-05-14 While Doris Lessing was composing *The Golden Notebook*, she was intimately involved with Clancy Sigal and their relationship influenced the literary methods of both writers. Focusing on literary transformations, Rubenstein offers compelling insights into the ethical implications of disguised autobiography and roman à clef.

"The Orange Box",

When The Clock Struck 12 Reign Nyx,2023-03-12 This book is an anthology, a collection of poems, proses and one liners. This is written in English medium. This book contains heartfelt words that was resulted from overthinking, and real life experiences. Words that flows when the clock struck 12. The time where thoughts linger like a hurricane in winter, lurking in every corner of the room as the voice inside the head echoes, creating ripples of pain, joy, torture, what ifs, what was and what is. A collection of words left unsaid. Unexpressed, and invalidated feeling written expressively. One section of this book contains pieces that may be sensitive to some readers, so read at your own risk.

Pigeon Feathers John Updike,2012-09-18 When this classic collection of stories first appeared—in 1962, on the author’s thirtieth birthday—Arthur Mizener wrote in *The New York Times Book Review*: “Updike is a romantic [and] like all American romantics, that is, he has an irresistible impulse to go in memory home again in order to find himself. . . . The precise recollection of his own family-love, parental and marital, is vital to him; it is the matter in which the saving truth is incarnate. . . . Pigeon Feathers is not just a book of very brilliant short stories; it is a demonstration of how the most gifted writer of his generation is coming to maturity; it shows us that Mr. Updike’s fine verbal talent is no longer pirouetting, however gracefully, out of a simple delight in motion, but is beginning to serve his deepest insight.”

The Crime World of Michael Connelly David Geherin,2022-10-27 Since his first novel in 1992, Michael Connelly has become one of America's most popular and critically acclaimed crime writers. He is best known as the author of a long-running series featuring LAPD homicide detective Harry Bosch, a compelling figure in contemporary crime fiction. He also created several additional series featuring a criminal defense attorney (Mickey Haller, known as the Lincoln Lawyer), an FBI profiler (Terry McCaleb), a newspaper reporter (Jack McEvoy), and an LAPD policewoman (Renee Ballard) who works the night shift. When he began incorporating all his characters into the Bosch megaseries, he expanded the notion of what a crime series can accomplish. This work takes an in-depth look at all of Connelly's work, including the 34 novels that comprise the Bosch megaseries, the film adaptations of his books, the popular Bosch TV series, and his standalone novels, short stories and podcasts. It includes chapters on his novelistic artistry and his portraits of Los Angeles and its police department.

Farewell to the Priestly Writing? The Current State of the Debate Friedhelm Hartenstein,Konrad Schmid,2022-10-28 Now available in English In discussions of the origin of the Pentateuch, the Priestly source traditionally constitutes an undisputed reference point for different source-critical models, and it is the only literary layer with concise terminology and a theological conception that can be extracted from a non-Priestly context. This English translation of *Abschied von der Priesterschrift? Zum Stand der Pentateuchdebatte* revisits the scholarly debate surrounding the Documentary Hypothesis and the so-called Priestly material’s position either as an independent written source or as a redaction within the books of Genesis through Deuteronomy. Contributors include Christoph Berner, Erhard Blum, Jan Christian Gertz, Christoph Levin, Eckart Otto, Christophe Nihan, and Thomas Römer.

Longing for an Absent God Nick Ripatrazone,2020-03-03 Longing for an Absent God unveils the powerful role of faith and doubt in the American literary tradition. Nick Ripatrazone explores how two major strands of Catholic writers--practicing and cultural--intertwine and sustain each other. Ripatrazone explores the writings of devout American Catholic writers in the years before the Second Vatican Council through the work of Flannery O'Connor, J. F. Powers, and Walker Percy; those who were raised Catholic but drifted from the church, such as the Catholic-educated Don DeLillo and Cormac McCarthy, the convert Toni Morrison, the Mass-going Thomas Pynchon, and the ritual-driven Louise Erdrich; and a new crop of faithful American Catholic writers, including Ron Hansen, Phil Klay, and Alice McDermott, who write Catholic stories for our contemporary world. These critically acclaimed and award-winning voices illustrate that Catholic storytelling is innately powerful and appealing to both secular and religious audiences. *Longing for an Absent God* demonstrates the profound differences in the storytelling styles and results of these two groups of major writers--but ultimately shows how, taken together, they offer a rich and unique American literary tradition that spans the full spectrum of doubt and faith.

Raindance Writers' Lab Elliot Grove,2014-03-26 If you're looking for a straightforward, practical, no-nonsense guide to scriptwriting that will hold your hand right the way through the process, read on! *The Raindance Writers' Lab* guides you through the tools that enable you to execute a strong treatment for a feature and be well on the way to the first draft of your script. Written by the creator of the Raindance Film Festival himself, Elliot Grove uses a hands-on approach to screenwriting based on his many years of experience teaching the subject for Raindance training. He uses step-by-step processes illustrated with diagrams and charts to lend a visual structure to the teaching. Techniques are related to real-life examples throughout, from low budget to blockbuster films. The Companion Website contains interviews with British writers and directors as well as a handy series of legal contracts, video clips and writing exercises. In this brand new 2nd edition, Grove expands on his story structure theory, as well as how to write for the internet and short films. The website also contains sample scripts and legal contracts, a writing exercise illustrated with a video clip, a folder full of useful hyperlinks for research, and a demo version of Final Draft screenwriting software.

I Kissed Dating Goodbye Joshua Harris,2012-01-11 Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, *I Kissed Dating Goodbye*, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives to society's norm. Clear, stylish typeset, with user-friendly links to referenced Scripture.

Stein and Hemingway Lyle Larsen,2014-01-10 This historical and biographical text explores the numerous up-and-down stages of Gertrude Stein and Ernest Hemingway’s friendship, one of the most fascinating and instructive literary associations of the twentieth century. Over a span of twenty-four years, they moved from a mentor-student relationship to a rivalry between artistic peers. Despite dramatic fluctuations—of love, admiration, jealousy, resentment and name-calling—their association endured, partly because of Stein’s admitted “weakness” for Hemingway and his need for her approval. By incorporating unpublished material from the Hemingway Collection at the John F. Kennedy library in Boston, the text shines new light on this famous friendship.

Good Trouble Joseph O'Neill,2018-06-12 A masterly collection of eleven stories about the way we live now from the best-selling author of *Netherland*. From bourgeois facial-hair trends to parental sleep deprivation, Joseph O’Neill closely observes the mores of his characters, whose vacillations and second thoughts expose the mysterious pettiness, underlying violence, and, sometimes, surprising beauty of ordinary life in the early twenty-first century. A lonely wedding guest talks to a goose; two poets struggle over whether to participate in a “pardon Edward Snowden” verse petition; a cowardly husband lets his wife face a possible intruder in their home; a potential co-op renter in New York City can’t find anyone to give him a character reference. On the surface, these men and women may be in only mild trouble, but in these perfectly made, fiercely modern stories O’Neill reminds us of the real, secretly political consequences of our internal monologues. No writer is more incisive about the strange world we live in now; the laugh-out-loud vulnerability of his people is also fodder for tears.

Telling Christina Goodbye Lurlene McDaniel,2007-12-18 Trisha Thompson and her best friend Christina are having a great senior year. Trisha and

her boyfriend, Cody, are making plans to attend Indiana University together in the fall, while Christina has already received a scholarship to the University of Vermont. Everything would be perfect if only Trisha got along with Christina’s controlling boyfriend Tucker, who is trying to convince Christina not to go away for college. But suddenly their lives change one night when Tucker is driving the four home from an away basketball game. When his car hits a patch of black ice and overturns, Tucker walks away with barely a scratch, but Trisha is injured, Cody is in a coma, and Christina is dead. Those left behind must learn that it takes time for their scars—both visible and not—to heal. And they must find the courage to move on with their lives.
