**Celebrating Parenting** Shabanam Gupta,2021-01-19 “As a young mother; I was always overwhelmed. And fearful. I had so many questions; and no answers. Of course; Dr. Benjamin Spock; Adele Faber and their ilk held my hand for a while; but could not assuage my fears. Not totally. I read the best books on parenting; written by trained child psychologists; Ph.Ds and M.Ds; but they were speaking to the western world. I needed to hear from someone who knew my world; my challenges; my insecurities and my social milieu. I missed having a book by my bedside; which I could leaf through and find answers. This is how this book came about. Hope you find some of your answers here.” —Shabnam Gupta
