BuNos! Disposition of World War II USN, USMC and USCG Aircraft Listed by Bureau Number
Douglas E. Campbell,2012-02-01 A snapshot in time. After thousands of hours of research and data entry over a 35-year period, the information on the disposition of some 25,000 US Navy, US Marine Corps and US Coast Guard aircraft needs to be published. These aircraft mainly represent those built and lost during World War II - between 7 December 1941 and 15 August 1945 - but this book also contains aircraft built before WWII that were lost during WWII or disposed of after WWII (lost during the Korean War, lost on training exercises, sold to private investors, currently located in museums and even some still proudly sitting as gate guards across the US, etc.).
