The Disintegration Loops Stephen Cramer,2021-03-15 In *The Disintegration Loops* Stephen Cramer attempts to uncover the music within the world's dissolution and fragmentation, from Italian masters painting over the work of previous artists, to the innocence of childhood giving way to scars, to the description of badly stored tapes being looped and played over and over again until they begin to flake. In the last of the three, silence eats the music from the inside so that by the final loop, the listener hears not the soaring themes of the beginning, but an homage to loss and stillness. The book insists that music, and maybe even life itself, is made more dazzling and precious because it falters/ & staggers/ forward. The broken/ melody limps & surges on.

Harvey Penick'S Little Red Book Harvey Penick,1992-05-15 Harvey Penick's life in golf began when he started caddying at the Austin, (Texas), Country Club at age eight. Eighty-one years later he is still there, still dispensing wisdom to pros and beginners alike. His stature in the golf world is reflected in the remarkable array of champions he's worked with, both men and women, including U.S. Open champion and golf's leading money winner Tom Kite, Masters champion Ben Crenshaw, and LPGA Hall of Famers Mickey Wright, Betsy Rawls, and Kathy Whitworth. It is not for nothing that the Teacher of the Year Award given by the Golf Teachers Association is called the Harvey Penick Award. Now, after sixty years

of keeping notes on the things he's seen and learned and on the golfing greats he's taught, Penick is finally letting his Little Red Book (named for the red notebook he's always kept) be seen by the golf world. His simple, direct, practical wisdom pares away all the hypertechnical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. He avoids negative words; when Tom Kite asked him if he should choke down on the club for a particular shot, Harvey told him to grip down instead, to keep the word choke from entering his mind. He advises golfers to have dinner with people who are good putters; their confidence may rub off, and it's certainly better than listening to bad putters complain. And he shows why, if you've got a bad grip, the last thing you want is a good swing. Throughout, Penick's love of golf and, more importantly, his love of teaching shine through. He gets as much pleasure from watching a beginner get the ball in the air for the first time as he does when one of his students wins the U.S. Open. Harvey Penick's Little Red Book is an instant classic, a book to rank with Ben Hogan's Modern Fundamentals of Golf and Tommy Armour's How to Play Your Best Golf All the Time.

Qaddafi's Point Guard Alex Owumi,Daniel Paisner,2013-10-01 A Nigerian native who emigrated to the United States at age 11, Alex Owumi's exploits on the basketball court led him to a successful career as a small college player. Undrafted by the NBA, Owumi pursued his pro basketball dream overseas, eventually signing with Al-Nasr of Libya, a state-run athletic club privately funded by the family of then-Libyan president Muammar Qaddafi. Owumi's tenure with Al-Nasr was interrupted by the Libyan uprising and resulting civil war. Imprisoned in his Benghazi apartment for more than 2 weeks with no food, phone, Internet, or hope, Owumi wondered whether he would make it out of Libya alive. Despite his weakened condition and the dangers lurking in the city, he was able to escape Benghazi

and flee the country. Smuggled to a refugee camp in Egypt, he was, much to his surprise, contacted by an Egyptian team seeking his services. And so, in a bizarre, storybook ending, Owumi finished the year by helping lead the team to an unlikely league championship, earning league MVP honors in the process. Qaddafi's Point Guard is a book about hope and longing, conflict (cultural, political, and military), and ultimately, triumph—to overcome obstacles and survive against the most desperate odds.
