

Yahoo Mass Messenger 100

Richard Campbell, Christopher R. Martin, Bettina Fabos

Pass ECDL 4 P. M. Heathcote, 2005-04-04 This textbook covers Module 7: Information and Communication for ECDL version 4. Written in a straightforward style, this book will be a useful guide for students studying for the ECDL (European Computer Driving Licence) qualification.

Media and Culture with 2013 Update Richard Campbell, Christopher R. Martin, Bettina Fabos, 2012-02-20 Today's media landscape is changing faster than ever, and students are experiencing these developments firsthand. Media & Culture pulls back the curtain on the media and shows students what all these new trends and developments really mean — giving students the deeper insight and context they need to become informed media critics. The 2013 Update also includes the must-cover events and trends students need to know to become informed media consumers and critics — from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp. phone-hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet-only newspapers. Read the preface.

Internet Oliver H. U. Heathcote, 2002 Perhaps everything about the Internet leaves you feeling confused and puzzled or maybe you've seen it briefly and need more information. There has never been a better time to start. Whether you want to look up train times, think up questions for a trivia quiz or e-mail your cousins in Australia, this book takes you through it in simple straightforward English. Internet Right from the Start is a useful guide for 16-18 year-olds on introductory ICT courses and adults either at work, attending evening class or learning on a home PC, this book develops ICT skills starting from the very basics through to an intermediate level. You will learn: How to look up and search for information on the Internet Use maps sites to get directions if you are going somewhere

unfamiliar Download pictures, music and software Shop for groceries, CDs or even a house online E-mail documents and photos across the world for the cost of a local phone call Chat with friends and colleagues online Saving text and graphics
